Introduction

## Introduction

The City of Statesboro is a progressive community that provides an exceptional quality of life to its residents and offers southern charm and hospitality to its visitors. The City offers a high standard of living with a commitment to ensure the most responsive and progressive public services to residents, businesses, and visitors alike. Statesboro is where the living remains softly southern and folks call out to one another by first name.

Created by an act of the Georgia legislature in 1803, Statesboro is a Georgia Municipal Association City of Excellence. Statesboro has an economy comprised of a growing industrial base, a growing university, expanding retail activity, and a regional medical center. This regional economic hub is located 10 miles off Interstate 16 and offers many educational and vocational opportunities that provide a competitive advantage for a strong workforce.

The City operates under the Council-Manager form of government, established by a 1999 Charter amendment. The Mayor is elected at large while the five council members are elected by district. All elections are non-partisan, and the terms are for four years, with half of the members elected every two years. The City Council appoints the City Manager to head the administrative functions of city government. As authorized by its Charter and Code, the services provided by the City are General Government (Administration, City Clerk, Human Resources, Finance, Planning and Development and Engineering), Judicial (Municipal Court), Public Safety (Police and Fire), Public Works (Streets, Parks, Fleet Maintenance, Sanitation, Stormwater), Public Utilities (Natural Gas, Water/Sewer, and Wastewater).

The City of Statesboro was incorporated on December 19, 1803, with a population of less than 25 people. The County seat of Bulloch County, Statesboro's population as of April 2024 was 35,234 with an average growth rate of 1.27% per year. If past trends continue, forecast of the population count would be 35,682 by 2025. The median age for the City of Statesboro is 22.6, which is not a surprising age seeing as Statesboro is home to one university and two colleges. The 2021 median income per household in Statesboro was \$35,353 and the per capita income was \$16,517. The unemployment rate for March 2024 for Statesboro was 3.0%, which is lower than the rate for the State of Georgia. The rate for this same period last year was 3.1%. The March 2024 unemployment rate for Bulloch County was 3.2%.

Situated in the southeastern corner of the state, Statesboro is located 194 miles southeast of Atlanta, 76 miles south of Augusta, 55 miles west of Savannah, 144 miles southwest of Charleston, SC and 168 miles north of Jacksonville, FL. It is located 10 miles from Interstate 16, and is on US Highways 301, 80, and 25, and State Routes 73, 46, 67, and 24. Statesboro is included on the southern leg of the Savannah River Parkway, which is a four-lane connector between Savannah and Augusta.

The City of Statesboro is approximately 15.32 square miles in area with an average elevation of 253 feet above sea level, the terrain being mostly flat. The climate is seasonal, but moderate, with mild winters and warm, humid summers. The average high temperature in January is 61 degrees and 93 degrees in July. The average annual rainfall is 47" and the average relative humidity level is 71% in January and 75% in July.

Statesboro is a regional trade center for commerce, education and health care. The City has a highly diversified economy with several major industries located in the area and is a regional shopping center and health care provider for eight surrounding Georgia counties (Effingham, Screven, Jenkins, Emanuel, Candler, Evans, Tattnall, and Toombs). Approximately 24.2% of the Bulloch County labor force is employed by the government sector including the City's largest employer, Georgia Southern University. Major private sector employers in the City include East Georgia Regional Medical Center, Wal-Mart Super Center, and Lowe's Home Center.

There are three institutions of higher learning in the greater Statesboro area: Georgia Southern University located within the city limits of the City of Statesboro, Ogeechee Technical College and East Georgia State College – Statesboro, now conveniently located on Georgia Southern's campus. These Colleges are accredited by the Southern Association of Colleges and Schools. Georgia's largest and most comprehensive center

of higher education south of Atlanta, Georgia Southern offers 132 degree programs and 125 majors in its ten colleges. In January 2017, the merger of Armstrong State University and Georgia Southern University was voted to consolidate the two Universities and in 2018 the merger was official Georgia Southern University now has 3 campus choices for the students: Statesboro, Savannah and Hinesville. Graduating students will receive associates, bachelors, masters, specialist or doctoral degrees. The University's 2024 spring enrollment of 26,100 students come from 50 states, District of Columbia, Puerto Rico, and foreign countries such as: Mexico, Nigeria and Honduras. Approximately 4,100 students graduated in May 2024 in one of five ceremonies held over the course of four days.

East Georgia State College is conveniently located in Nessmith-Lane on Georgia Southern University's Statesboro campus. Students can enjoy personalized instruction thanks to smaller class sizes, affording professors the opportunity to give each student individualized attention. Students are also provided access to student service opportunities available on the Georgia Southern University campus. The Bobcat to Eagle (B2E) Program allows students at EGSC – Statesboro to easily transition to Georgia

Southern (or any other bachelor's degree program at another institution) after completing 30 credit hours in the program and maintaining a 2.5 or better GPA. The B2E Program allows students to experience the best of both worlds – smaller class sizes along with the large university student services and resources of Georgia Southern University and saving a lot of money in the process.

Ogeechee Technical College offers 36 programs of study including 29 diploma programs and 86 certificate programs as well as 28 Associate degrees in conjunction with Georgia Southern University and East Georgia College. In the academic year 2023 there were a total of 1,327 program awards to 790 graduating students. There are 15 public schools, 4 alternate learning centers, 3 private and parochial schools, one state charter school and one home school association in Bulloch County that educate the roughly 11,068 students.

Statesboro is a leader in health care in southeast Georgia with East Georgia Regional Medical Center located within the city limits employing more than 800 employees and more than 100 physicians representing a wide range of specialties. East Georgia is a 149-bed, \$60 million hospital featuring a Women's Pavilion and an adjacent professional office building. The hospital is accredited by the Joint Commission on Accreditation of Healthcare Organizations, a distinction that is awarded only to those healthcare facilities that maintain the highest standards of quality. The Hospital has been

making extensive improvements with last phase being expansion of the Emergency Department. The Emergency room now boasts 29 treatment rooms and additional patient flow capacity. East Georgia Regional Medical Center offers a 24-hour physician-staffed emergency department, a Level II neonatal center, outpatient services including same day surgery and ambulatory care, a pain center, a cardiac catheterization lab, and state-of-the-art diagnostic procedures including MRI and CT. Additionally, in May of 2022, East Georgia was designated as a Level II Emergency Cardiac Care

Center (ECCC) by the Georgia Department of Public Health; this is a very prestigious recognition by the DPH.

The Statesboro VA Clinic now has three medical teams. Each is led by a medical provider who is a doctor, nurse practitioner or physician's assistant along with a registered nurse, licensed practical nurse and a scheduler. They provide basic medical services and special programs for things like substance abuse treatment, weight loss, post-traumatic stress disorder, suicide and other psychiatric issues. The clinic can connect veterans to specialized services and hospital treatment. Another service provided is setting up home health care services. The clinic is open Monday thru Friday with space to grow and offer more services to our veterans.

Recreational opportunities that enhance the quality of life for our citizens are plentiful in Statesboro. The Willie McTell Trail is a linear park that provides a pedestrian walk and bicycle path for local cycle enthusiasts from the Georgia Southern University campus to downtown Statesboro. Statesboro residents and visitors can also enjoy cultural and performing arts in the David H. Averitt Center for the Arts located on East Main Street. The Mission of the Averitt Center for the Arts is to provide quality arts opportunities for our community and serve as a centerpiece for a vibrant historic downtown. Bulloch County constructed a greenway trail and bike path from the City of Statesboro to nearby Brooklet, Georgia. Also located in Statesboro is Bulloch County's family water park and aquatics center, "Splash in the Boro". There are twenty-two hotels, motels and one Bed & Breakfast Inn totaling more than 1,320 rooms located in the greater Statesboro area.

In February of 2022, City Council members approved a Community Garden to allow Statesboro residents to experience, learn, and participate in gardening. The Community Garden will also increase access to fresh foods, promoting healthy living and building bonds with neighbors. The garden is located at 130 Parker Street, inside City limits, and is open from Sunrise to Sunset. There are two options for the garden plot rental – a raised 4ft x 12ft bed or a ground plot that is roughly 15ft x 30ft. Registration fees are used to offset administrative and water costs.

Statesboro is served by Georgia Southern Railway Company and numerous common freight carriers. Industrial recruitment, the process of attracting industry jobs to the location, is determined by proximity to the Port of Savannah, the 4<sup>th</sup> busiest port in the United States and also the ease-of-use interchange the Highway 301 provides. The Port of Savannah is one of only four East Coast ports with the desired 50 feet depth at low tide. The container ship CMA CGM Theodore Roosevelt arrived in the Port of Savannah heralding the largest ship ever to sail the Savannah River and U.S. East Coast with clearing the bridge by a slim 3 ft. to spare. The 14,000-TEU vessel required seven cranes to move 4,500 containers on and off the ship. Savannah's Garden City Terminal features 26 ship-to-shore cranes and 146 rubber-tired gantry cranes. With all the neopanamax vessels traveling through the new Panama Canal, Savannah is their main destination port supporting more than 369,000 jobs throughout the State.

A groundbreaking ceremony for Hyundai Motor Group (HMG) was held on October 25, 2022. The 5.54 billion dollar investment into the plant will be the first dedicated EV mass-production plant in our area. The plant is expected to provide over 8,100 jobs when it starts production in the first half of 2025, or sooner. The manufacturing plant already has some of its suppliers following them to Southeast Georgia. Joon Georgia invested 317 million into Bulloch County to build their second factory in the United States. It will be located in the Bruce Yawn Commerce Park at the I-16 and Highway 301 interchange. It is expected to bring more than 630 jobs to our area; operations are expected to begin mid-2024. The Metaplant will impact four counties in our area: Bryan, Bulloch, Chatham, and Effingham.

The City and Bulloch County jointly own the Statesboro Municipal Airport which is located approximately 30 minutes from Interstate 16, and 45 minutes from the Savannah International Airport, which is serviced by 7 major airlines. Statesboro is located approximately fifty miles from the Savannah ports while Bulloch County is equal distance between the ports of Charleston, Beaufort, Brunswick, and Jacksonville, giving several options on ports and sailing frequency.

In Statesboro there are 6 local radio stations, WHKN, WMCD, WPMX, WPTB, WWNS, and WVGS, and one daily newspaper, the *Statesboro Herald*. In addition, the *Savannah Morning News* reports on the news in Statesboro. Statesboro is covered locally by Vyve Broadband, formerly Northland Cable TV, located within the city limits. Three television stations in Savannah also cover Statesboro regularly: WTOG (CBS), WJCL (ABC), and WSAV (NBC).

The City has 124.76 miles of roads of which 124.3 are paved and 17 traffic signals. Natural Gas is sold to 2,240 customers while water and sewer service is provided by the City to 12,862 customers with an average daily water consumption of 3.314 million gallons. Statesboro has 208.69 miles of sanitary sewer and 255.71 miles of water mains with 1,720 fire hydrants. The City maintains a class 2/2Y ISO rating with 2 fire stations.

Utilities are provided by the following within the City:

City of Statesboro	Water&Sewer, Sanitation, Stormwater, & Natural Gas
Excelsior Electric	Electricity
Georgia Power	Electricity
Frontier Communications	Telecommunications
Bulloch Solutions	Telecommunications
Vyve Broadband	Telecommunications

## **City Boards, Commissions, and Authorities**

### **DOWNTOWN STATESBORO DEVELOPMENT AUTHORITY**

The Downtown Statesboro Development Authority (DSDA), established in 1981, consists of 9 members, 8 of whom are appointed by the members of the authority to represent the owners of either real property or business establishments. The City Council appoints the remaining one member. The DSDA is empowered with the authority to acquire, improve, sell, lease, and/or mortgage property for the development and improvement of property in the Downtown Statesboro Development Authority District.

### **AVERITT CENTER FOR THE ARTS**

The Averitt Center for the Arts was established August 15, 2000. The Council consists of 12 members who serve 2 year staggered terms. The Council is empowered with the duties and responsibilities to establish rules and regulations for arts facilities and to create policies to govern the management and conduct of funds, personnel, and property of the corporation. The Arts Council is directly responsible for the operations of the *David H. Averitt Center for the Arts*.

### **STATESBORO BEAUTIFICATION COMMISSION**

The Statesboro Beautification Commission was established May 1, 1973. It consists of a Chairman and no more than 10 members appointed by the Mayor and City Council, and four ex-officio members: one member appointed from the County Commissioners, one member from the Board of Education, one member from the City Council, and one member appointed by the President of Georgia Southern University. The members serve staggered 5 year terms. The powers and duties of the Commission are to establish and maintain parks and trees in order to beautify the City of Statesboro.

### **STATESBORO PLANNING COMMISSION**

The Statesboro Planning Commission is an advisory board which was originally established in February 1977. Effective June 22, 2010, the Statesboro Planning Commission was reconstituted, and consists of seven (7) members who are appointed by the Mayor and City Council. The Commission is vested with the duties to hear and make recommendations to the Mayor and City Council on zoning and subdivision applications; to make recommendations on city planning documents and amendments to land development ordinances; and, other similar duties as assigned by the Mayor and City Council.

### **STATESBORO TREE BOARD**

The Statesboro Tree Board was established on January 15, 1991. The Board consists of 9 members appointed by the Mayor and City Council to serve a staggered three (3) year term, with a maximum of two consecutive terms totaling six (6) years. These members are appointed with consideration for their personal expertise in all the areas of horticulture and preservation of our environment. The Board is responsible for hearing requests for variances for special use permits in the enforcement of the City of Statesboro Tree Ordinance.

**KEEP STATESBORO-BULLOCH BEAUTIFUL COMMISSION**

The Keep Statesboro-Bulloch Beautiful Commission (KSBB) was established October 18, 2016, consists of six members who are Bulloch County residents and serve a two year term. Members are appointed by the Mayor and each City Councilmember shall have authority to appoint one member. Keep Statesboro-Bulloch Beautiful strives to educate and empower citizens and businesses with the resources needed to facilitate litter prevention, beautification, and community greening within the city of Statesboro and surrounding areas.

**ALCOHOL ADVISORY BOARD**

The Alcohol Advisory Board was established March 15, 2016, consists of six members who are Bulloch County residents and serve a two year term. Members are appointed by the Mayor and City Council, with each City Councilmember having the authority to appoint one member. Thereafter, The Alcohol Advisory elects a chairman from among its members who shall serve a year term and who shall be eligible for re-election as chairman. The Alcohol Advisory Board prepares studies and reports to inform the governing body on policy matters related to the licensing and sale of alcoholic beverages within the corporate limits of the City of Statesboro.

**YOUTH COMMISSION**

The Youth Commission was established October 19, 2018. It consists of nine members with a two year term, all Bulloch County residents, appointed by the Mayor and City Council. Their purpose is to prepare strategies, studies and reports on education efforts and programs for the purpose of informing the governing body on policy matters related to youth civic engagement, education, leadership, service learning opportunities, job training, and development.

**ONE BORO COMMISSION**

The One Boro Commission, previously called the Commission on Diversity and Inclusion, was established November 20, 2018. The Commission consists of 12 members who are appointed by the Mayor and City Council and serve a two year term. Their purpose is to present strategies, prepare studies and reports on education efforts and programs for the purpose of informing the governing body on policy matters related to promoting diversity, inclusion, and equity among the citizens of Statesboro connected to issues of poverty and prosperity.

**GREENER BORO COMMISSION**

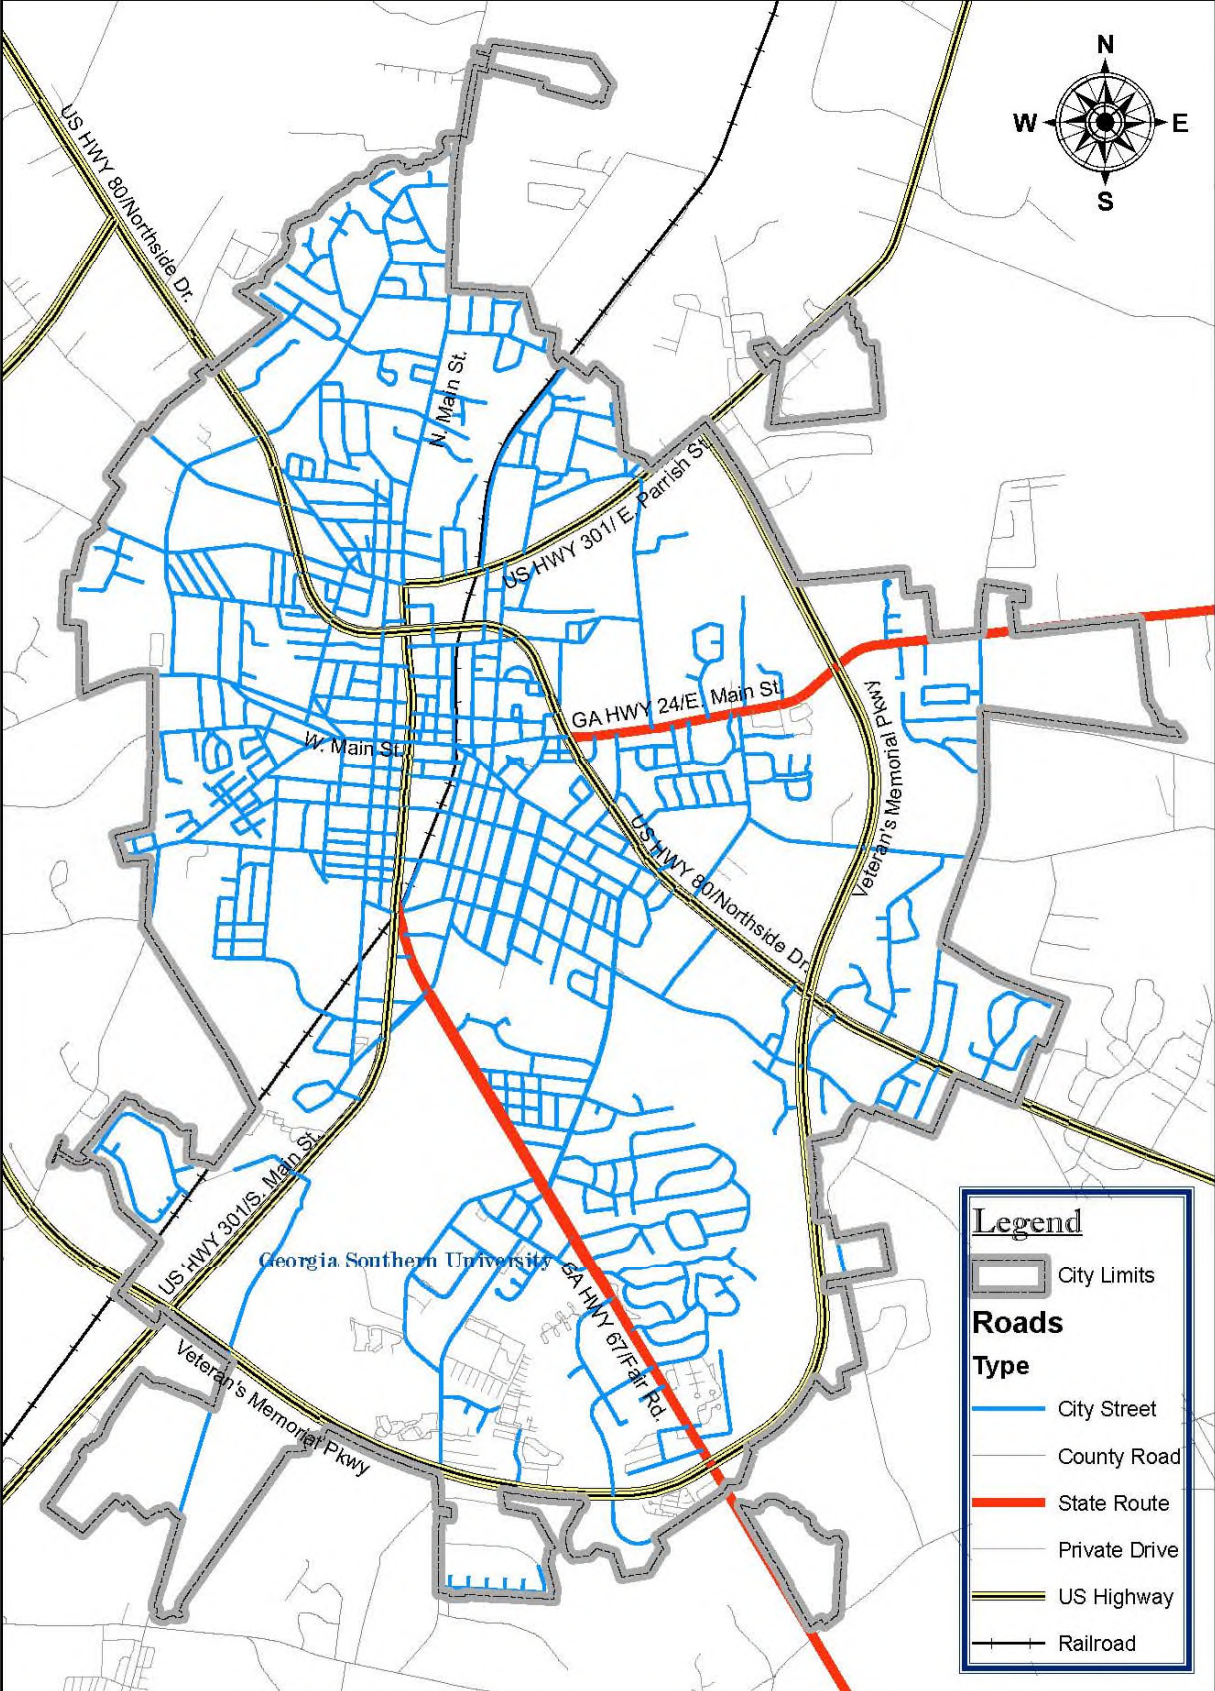

The Greener Boro Commission, was established April 19, 2022. The Commission consists of 9 members who are appointed by the Mayor and City Council and serve a two year term. Their purpose is to prepare studies, reports, strategies, education efforts and/or programs for the purpose of informing and advising the governing body on policy matters related to best municipal practices for environmental sustainability.

**STATESBORO BUSINESS COMMISSION**

The Statesboro Business Commission was established February 7, 2023. The Commission consists of nine members who shall be authorized representatives of an entity holding an occupational tax certificate with the City of Statesboro. The Statesboro Business Commission shall have the authority to prepare studies and reports for the purpose of informing the governing body on policy matters related to the impact of local ordinances and procedures on business opportunities and operations within the municipal limits of the City of Statesboro.

## Reader's Guide to the Budget

READER'S GUIDE TO THE BUDGET

One of the primary goals in formatting this Budget has been to make it user-friendly. Government budgets by definition are confusing documents, particularly for the first-time reader. Generally Accepted Accounting Principles (GAAP) for governments requires the use of multiple funds, grouped into seven categories. To further complicate it, some of those fund categories are budgeted and accounted for using the modified accrual basis of accounting, and some the accrual basis of accounting. Most citizens are accustomed to private sector accounting, where a business has one balance sheet and one income statement, both kept on the accrual basis of accounting. Therefore, it is strongly recommended that you take a few moments to review this Reader's Guide before reading the Budget. It should help you understand the framework of the City's fund structure and accounting system.

The City of Statesboro will operate with twenty-six separate funds this year, which makes municipal budgeting and accounting considerably different from that in the private sector. Although the City may in most cases legally transfer money from one fund to another, each fund is a separate accounting entity with assets, liabilities, equity, revenues, and expenditures (expenses). Consequently, there will be twenty-nine separate balance sheets and income statements. The funds fall into five different categories, or types of funds, as required by Generally Accepted Accounting Principles for governmental entities. The funds by fund type that will be used in the fiscal year are as follows:

## (1) Governmental Funds

**General Fund** – This is the principal fund of the city and is used to account for all activities of the City not included in other specified funds. The General Fund accounts for the normal recurring activities of the City (i.e., public safety, general government, engineering, community development, finance, and public works).

**Special Revenue Funds** – Funds used to account for the proceeds of specific revenue sources (other than major capital projects) that are legally restricted to expenditures for specified purposes. Included in the Special Revenue Funds are the Confiscated Assets Fund, Opioid Settlement Fund, CDBG Housing Fund, US Department of Justice Grant Fund, ARPA Fund, Multiple Grant Fund, Statesboro Fire Service Fund, South Main Tax Allocation District, Old Register Tax Allocation District, Hotel-Motel Tax Fund and Technology Fee Fund. The Narrative Section at the front of each Fund explains in detail the purpose of that fund.

**Capital Project Funds** – Funds used to account for financial resources segregated for the acquisition or construction of major capital facilities other than those financed by enterprise operations. The City's Capital Project Funds include the 2013 SPLOST Fund, the 2018 TSPLOST Fund, the 2019 SPLOST Fund, the 2023 TSPLOST Fund, and the Capital Improvements Program Fund. Again, the Narrative Section at the front of each Fund explains in detail the purpose of each fund.

## (2) Proprietary Funds

**Enterprise Funds** – Funds used to account for operations that are financed and operated in a manner similar to private business enterprises - where the intent of the governing body is that the costs (expenses including depreciation) of providing goods or services to the general public on a continuing basis be financed or recovered primarily through user charges. The City has five Enterprise Funds: the Water and Sewer Fund, Stormwater Fund, Natural Gas Fund, Solid Waste Collection Fund, and the Solid Waste Disposal Fund. Again, the Narrative Section at the front of each Fund explains in detail the purpose of that fund.

**Internal Service Funds** – Funds used to account for the financing of goods or services provided by one department or agency to other departments or agencies of the government and to the other government units, on a cost reimbursement (internal fees and charges) basis. The City has four Internal Service Funds: the Health Insurance Fund, Fleet Management Fund, the Wellness Program Fund and Central Services Fund. Again, the Narrative Section at the front of each Fund explains in detail the purpose of that fund.

Please note that funds by fund type are summarized in the chart on the next page and the second column of the funds chart shows two different accounting basis: accrual and modified accrual. The basis of budgeting is the same as the basis of accounting. Accrual accounting is similar to private sector accounting, in that revenues are accrued when earned, and expenses are accrued when the financial transaction takes place. Proprietary Funds and Fiduciary Funds are accounted for on this basis, as they are operated very similarly to private businesses. In the Budget, these types of funds have a Budgeted Income Statement.

All Governmental Funds are accounted for using the modified accrual basis. Revenues are recognized in the accounting period in which they became available and measurable. The expenditures are recognized in the accounting period in which the fund liability is incurred. These funds reflect only available resources. In addition, this Budget shows all the major capital expenditures for these types of funds in the Capital Improvements Program Fund, or another capital projects fund. Major capital expenditures are defined as capital assets costing at least \$15,000 and having a useful life of at least two years. This includes not only land, buildings, and infrastructure, but also vehicles and equipment.

The following chart illustrates each of the types of funds and the actual funds included in the City of Statesboro’s budgetary process.

Fund Number	Basis of Accounting	Major/ Nonmajor	Types of Funds Actual Funds	FY 2024 Budget	FY 2025 Budget

29 Funds      26 Funds

Modified Accrual      Budgeted on the Modified Accrual Basis of Accounting.  
 Accrual      Budgeted on the Accrual Basis of Accounting.

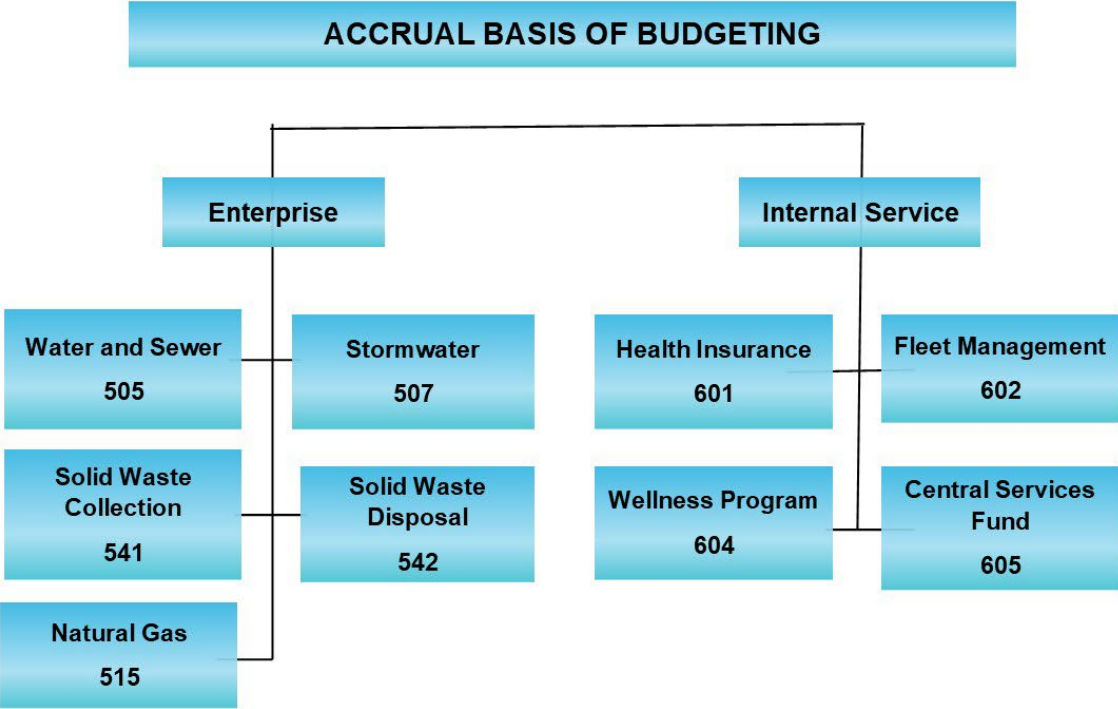

**What is "Budgetary Basis"?**

Budgetary Basis refers to the basis of accounting used to estimate financing sources and uses in the budget.

**Cash basis** indicates transactions are recognized only when cash is increased or decreased.

**Accrual basis** indicates revenues are recorded when they are earned (whether or not cash is received at the time) and expenditures are recorded when goods and services are received (whether cash disbursements are made at the time or not).

**Modified Accrual** is the method under which revenues and other financial resource increments are recognized when they become susceptible to accrual; that is, when they become both "measurable" and "available to finance expenditures of the current period." "Available" means collectible in the current period or soon enough thereafter to be used to pay the liability of the current period.

The twenty-six funds are serviced by fifteen bank accounts, nine of which are major accounts, and six of which are minor. The minor accounts have little activity, but are required due to bond indentures, grant requirements, or some other legal or operational requirement. The City received bids on its banking services in May 2021, for a three-year term beginning July 1st. The chart on the following page shows which bank accounts service each of the proposed funds.

Following this Reader's Guide to the Budget is the City Manager's Budget Message. This message includes a listing of the assumptions used in developing the Budget. It also includes a discussion of the major issues requiring financing that the Mayor and City Council confront, and how this Budget proposes to address them.

The next section, Summary Budget of All Funds, is a multi-sheet spreadsheet, which summarizes all funds of the City of Statesboro, and the projected fund balances or working capital, depending on the basis of accounting used. This summary includes all revenues and transfers into a fund, and all expenditures (expenses) and transfers out of a fund. It also shows the other sources and uses of cash in those funds using full accrual accounting. *In short, it is the entire budget in a condensed format.* This section also contains the Resolution necessary to adopt the Budget. Should the Mayor and City Council wish to change any aspect of the proposed Budget contained herein, they would simply adopt this Resolution subject to those specific changes.

The next section contains the Resolution Adopting the Financial Policies, which directs the financial operations of the City. These policies are reviewed each year to determine if any changes need to be made.

The next section contains a List of Authorized Personnel Positions funded by this Budget. This lists the budgeted positions within each department and division of the City. This assures that only this number of personnel can be employed unless changed by the City Council during the fiscal year.

The next section contains the Proposed Position Classification and Compensation (Pay) Plan. The Plan was updated by Condrey and Associates in January of 2024. It had been four years since the last update to the Plan. In the years between Plan updates, salaries and wages are adjusted by a cost of living adjustment to offset inflation.

Following that are sections for each one of the twenty-six funds.

602 Fleet Management							
604 Wellness Program Fund							
605 Central Services Fund							

After all funds are presented, there are three remaining sections. They provide the following information:

- 1) Capital Improvements Program. The City adopts a Capital Improvements Program (CIP) for six years. The first year's project is included in the FY 2025 Budget. The other five years are included for planning purposes. Their priorities can be changed in future updates of this program. The CIP is updated on an annual basis, so that the benefits of long-range planning can be obtained while having the flexibility to adjust to unforeseen circumstances or opportunities.
- 2) The Existing Debt Service Schedule for All Funds. The City must repay the debt for the interest on the 2023 Old Register TAD Revenue Bond, the debt and the interest on the 2020 Refunding Revenue Bonds for the water and sewer system and the debt and the interest on the 2021 Revenue Bonds for the Park Improvement projects. That is the extent of the City's indebtedness. These schedules show the amount of principal and interest due in each of the fiscal years until fully repaid for each individual debt instrument.
- 3) A Glossary of Terms used in governmental budgeting and accounting to assist the first-time reader. It should help clarify new terms that may not be familiar to the reader.

City of Statesboro  
PO Box 348  
Statesboro, Georgia 30459

Re: City Manager's Budget Message and Transmittal of the Proposed Budget for FY 2025

Dear Ladies and Gentlemen:

I am pleased to present the Fiscal Year 2025 (FY 2025) Proposed Operating and Capital Budget for your consideration. The FY 2025 City of Statesboro budget for all appropriated funds totals \$108,973,791 (including transfers between funds), which is a decrease of \$8,787,732 from the FY 2024 budget.

The General Fund budget for FY 2025 is \$25,340,025, or 23.3% of the total expenditures budget, which is an increase of \$3,027,603 from the FY 2024 Budget and a decrease to Fund Balance of \$730,755. The Statesboro Fire Service Fund budget for FY 2025 is \$7,681,481 or 7.0% of the total expenditures budget, and is budgeted to use \$35,476 of fund balance. The Water and Sewer Fund FY 2025 budget is \$17,684,760, or 16.2% of the total expenditures budget. The FY 2025 Natural Gas Fund budget is \$5,989,115, or 5.5% of the total expenditures budget. The Solid Waste Collection Fund FY 2025 budget is \$5,362,600, or 4.9% of the total expenditures budget. The budget for the Solid Waste Disposal Fund for FY 2025 is \$5,095,035, or 4.7% of the total expenditures budget.

The proposed FY 2025 budget allows for the continued high service levels of core city services. In addition, it prepares the City for fiscal stability to address anticipated record levels of growth. Over the past five years, the staff and elected officials have worked diligently to provide the best public services with the available resources while maintaining adequate reserves. This places the City on sound financial footing to address increased inflation, employment pressures and significant regional growth. The FY 2025 budget builds upon both of those efforts and sacrifices by the staff.

The Council makes a number of important decisions during the course of a year. One of those important decisions is the adoption of the Annual Budget. The decisions made in adopting the Annual budget impacts the spending levels for staffing, supplies, and equipment for each department. Those levels determine the department's ability to provide necessary services to the citizens of Statesboro. The decisions directly affect

service delivery, capital improvement funding, and other operational and financial capabilities. The budget was prepared based on the priorities established at the 2024 Mayor and Council Retreat as well as the thorough review of the City’s current financial status, revenue trends expenditure trends, projected growth and economic development in the City.

The FY 2025 budget document serves the dual purpose of an accounting tool as well a planning document. It sets limits on appropriations that cannot be exceeded under the requirements of State law, illustrates what service will be provided, and provides a framework for what is expected to occur during this forthcoming budget year.

2024-2025  
Budget Assumptions

When developing the proposed Annual Operations Budget and Six-Year Capital Improvement Plan (CIP), a number of assumptions are made to develop the budgets. The assumptions provide the framework from which projections for revenues and expenditures are based. Ultimately, the long term financial stability and service levels are created with these assumptions in mind.

The Departmental Operations budgets outline what the staff see as necessary to continue providing day to day services for the community during the coming fiscal year within the resources available. The CIP outlines what capital projects are in line to be started or accomplished in the coming 12 months of the 2024-2025 budget year. In addition, it provides a list of equipment purchases that are planned and needed in the near future.

As conscientious as everyone involved has been in this budget development process, there is no doubt we have not thought of every possibility that may impact the budget between July 1, 2024 and June 30, 2025. So as we move through the coming fiscal year there may be changes in the budget that require formal budget amendments.

The following list highlights several of the budget assumptions for the 2025 fiscal year budget:

- Assumes 12% Property Tax Digest growth. \$880,000
- Assumes an 8% increase in Insurance Premium Taxes. \$237,000
- Assumes 6% increase in Georgia Power Franchise Fees. \$111,000
- Assumes a 10% increase in residential and commercial sewer rates.
- Assumes increases in water tap fees, sewer tap fees and aid to construction fees.
- Assumes no increase in stormwater rates.
- Assumes no increase in solid waste collection rates.
- Assumes no increase in solid waste disposal rates.
- Assumes that business license renewals will remain close to present levels.
- Assumes Equity Transfers to the General Fund will be in the following amounts:

Natural Gas	\$ 900,000
Waste Water	\$ 631,150
Solid Waste Disposal	\$ 375,000
Solid Waste Collection	\$ 1,250,000
Storm Water	\$ 25,000

- Assumes the Statesboro Fire Department will continue to be funded by a Bulloch County levy of 2.70 mill tax levied in the Statesboro Fire District which is expected to continue to provide about \$2,379,225 for

funding the County portion of Fund. It is also assumed that \$3,200,000 from the General Fund, \$825,000 from a portion of the Governmental Water/Sewer Fees and \$275,000 from the Fire Line Access Fee will be needed to fund this operation. The funding arrangement is a part of the Intergovernmental Agreement with Bulloch County.

- Assumes the Statesboro Convention and Visitors Bureau (SCVB) will receive 50.0% of the Hotel/Motel Sales Tax for promotion and tourism development.
- Assumes Downtown Statesboro Development Authority (DSDA) and the Averitt Center for the Arts (ACA) will continue with their contracts with the City to provide services. The DSDA will receive 19.90% and the ACA will receive 25.10% of Hotel/Motel Sales Tax.
- Assumes transfers to the Health Insurance fund from other funds. \$200,000
- Assumes the continuation of Pay for Performance for employees. \$550,000
- Assumes continuation of authorization for the Police Chief to over hire by four. \$221,896
- Assumes the addition of a Senior Planner in the Department of Planning & Development. \$93,000
- Assumes the addition of a Collection Equipment Operator and Refuse Collector in the Solid Waste Collection Fund. \$129,900
- Assumes continuation of the Employee Annual Bonus at \$500 per employee. \$198,545

The FY 2025 budget, as initially prepared for discussion with the Mayor and City Council, was balanced with \$730,755 in General Fund reserve. However, when the draft budget was presented at the May 14, 2024 work session, City Council was encouraged to consider a millage rate increase to minimize the amount of General Fund reserve drawn down. From the discussion during that meeting the final budget has been prepared based on a potential mill increase (currently set at 8.125 mills), pending the final tax digest report, and is balanced with \$730,755 in General Fund reserves.

## **Major Topics**

### *Background:*

Statesboro has a vibrant and stable economy and serves as a regional center for retail commerce, medical and hospital care, as well as having diversified commercial and industrial businesses that offer employment for many in the area. Further, Georgia Southern University, Ogeechee Technical College and East Georgia State College are located in the Statesboro community and provide a significant contribution to our local economy.

In addition to maintaining core services such as public works, public utilities, police, and fire, the City has recently undertaken several development related code updates and planning initiatives. These are all part of supporting the base for a thriving quality of life for current and potential residents. It is important the City maintain the funding resources that have been made in past years as well as be prepared for the future. Below are a few related matters that need to be kept in mind.

In 2018, the citizens of Statesboro and Bulloch County passed an additional one-cent sales tax that is devoted to transportation improvements. The voters of Statesboro and Bulloch County passed a renewal of TSPLOST for another five year term beginning in October 2023. The projected share for the City is approximately \$21 million over five years. The City will continue to undertake a number of sidewalk, intersection, trail, road and other related projects, in addition to continued funding for the Statesboro Area Transit program that significantly improves transportation mobility options for the citizens of Statesboro.

As with the TSPLOST, the voters of Statesboro and Bulloch County once again passed a six year SPLOST in calendar year 2019. The City started receiving these funds in December 2019. It was initially anticipated the City would receive approximately \$27 million from this funding source over the six year term. However, revenue receipts have well exceeded those initial estimates, providing Statesboro with additional capital funding proceeds. These funds are essential as they allow the City to purchase large capital items in almost all departments, thereby reducing the pressure on funds from the General Fund and Enterprise Funds.

The Creek on the Blue Mile project is in the early development phases but is an important, transformational project for Statesboro. It is funded by a grant from the State of Georgia in the amount of \$5.50 million for the design and construction of a reservoir. In addition, the Georgia Environmental Finance Authority approved the City for a loan not to exceed \$15.559 million for various stormwater improvements along the creek from South College Street east to South Zetterower Avenue. The payback for the loan is 30 years. The proposed private investment will be beneficial to the Downtown Tax Allocation District (TAD) and community-wide.

The City created the Old Register TAD in 2018. The City, County and School District all have pledged increment to repay up to \$4.75 million in infrastructure improvements in the TAD. As was announced during the creation of the TAD, a new private, multi-purpose soccer stadium will be constructed. In December 2022, the Eagles Corner shopping center opened including a Publix grocery store and multiple tenant spaces. All tenant spaces have been leased and all outparcels have been sold, including new Starbucks and Huey Magoo's restaurants. Work has begun on University Station, adjacent to Eagles Corner, which will include a mix of retail and restaurants and a second Chick Fil A restaurant has recently been opened.

These funding resources and initiatives place Statesboro at a competitive advantage for economic development within the Region. This will be critical given the ongoing construction of the \$7.59 Billion Hyundai Motor Group Metaplant America production facility and Hyundai suppliers in Bulloch County. These facilities, in addition to other industrial facilities recently announced, will add over 1,500 jobs in Bulloch County and a total in excess of 13,000 jobs in the Region.

#### *Main Goals:*

With each budget cycle, the City does its best to meet the challenge of providing quality services to all of its residents, with increasingly limited resources. The FY 2025 budget links developed organizational goals and objectives with the financial resources available to fund them. The 2024 Mayor and Council Retreat concentrated on managing growth and economic development. Presentations were made by the Georgia Southern University Small Business Recruiter and the Executive Director of the Downtown Statesboro Development Authority. The presentations highlighted the small businesses that have opened throughout the City and downtown as well as potential development. Additional presentations were made by the City's Planning and Development Director, Public Utilities Director and Public Works and Engineering Director. Their presentations focused on the City's current and projected growth and how to manage it. Items included the new Unified Development Code, water and sewer improvement projects, and improvements to intersections, widening of roads, shared use of pathways, installation of turn lanes and improved connectivity within the City. To accomplish the priorities established by the Mayor and City Council during the 2024 Mayor and Council Retreat the following goals and objectives have been developed:

#### **Goal 1: Support opportunities to increase revenue for the City of Statesboro.**

##### Objectives:

- A. Foster annexation of properties into the Statesboro corporate limits.
- B. Prioritize support for utility extensions in "natural growth areas" around the City limits.

- C. Ensure utility enterprise funds rates and fees remain competitively priced with peer cities and to support expansion of infrastructure in unserved areas.
- D. Study potential impact fees to ensure new development does not adversely impact existing residents and utility customers.

**Goal 2: Update City ordinances, plans and policies.**

Objectives:

- A. Continue work evaluating and updating ordinances, plans and policies to foster enhanced development and smart growth strategies.
- B. Study and implement new plans and strategies that will position Statesboro for regional economic competitiveness.
- C. Update the Strategic Plan for the City of Statesboro.
- D. Implement diversity, equity and inclusion training for City of Statesboro employees.

**Goal 3: Enhance Investments in Downtown.**

Objectives:

- A. Coordinate with Downtown Statesboro Development Authority to continue to increase events and activities in downtown Statesboro.
- B. Work with Downtown Statesboro Development Authority to implement action items in Downtown Master Plan.
- C. Revitalize the city center to foster positive perceptions of downtown and improve the environment for downtown businesses.
- D. Work with Business Innovation Group to encourage new business opportunities in Downtown.
- E. Improve housing opportunities in Downtown and condition of neighborhoods adjacent to Downtown.
- F. Promote the Tax Allocation District program to encourage redevelopment of distressed or under-developed properties in Downtown.

**Goal 4: Enhance support for youth in our community including sports programming opportunities.**

Objectives:

- A. Coordinate with external agencies to support the Village Builders Program and youth initiatives.
- B. Coordinate with the Board of Education to support and promote educational initiatives.
- C. Coordinate with local nonprofits to increase support services for youth in our community.
- D. Coordinate with Bulloch County (Parks & Recreation) to enhance sports facilities, programming sports activities for youth, and develop opportunities for more youth sports tournaments.
- E. Explore opportunities for increase funding to support youth sports and activities.

**Goal 5: Enhance support of City staff.**

Objectives:

- A. Continue to provide cost of living pay adjustments and performance pay adjustments to City employees to combat inflationary increases and regional workforce challenges.
- B. Develop and promote programs that retain and enhance the skills and value of City employees.
- C. Study and implement programs and policies that support a diverse and inclusive employee work environment.

*Outside Agencies:*

Three other agencies are directly affected by this proposed budget. The City renegotiated its contracts with the Statesboro Convention and Visitors Bureau (SCVB), the Main Street/DSDA and the Averitt Center for the Arts (AAC) to market the area for tourism. The new percentages of the Hotel/Motel Tax provided to each under these

one-year contracts are 50.0% to the SCVB, 19.9% to the DSDA/Main Street, and 25.1% to the Averitt Center for the Arts.

### **Impact of the Capital Improvements on the Operating Budget**

The capital improvements budget process looks at both long and short term capital needs of the City. It begins with each department submitting capital requests for the next six years. The City Manager, Assistant City Manager and Director of Finance review each project with the departments. They discuss project priorities, funding resources, and revenue and expenditure (expense) projections. At the City Council retreat, the capital improvement projects are presented for Council review and comment. They may add, delete or change the list of priorities. Finally, two work sessions were held to present the City's draft operating budget to the Mayor and City Council to review and provide feedback for the final budget.

The threshold for capital assets is \$15,000. The first year capital improvements mentioned in this CIP Budget proposal have differing effects on the operating side of the Budget. For example, expenditures on street projects will have minimal impact on the operating budget by reducing some maintenance costs. The drainage system improvements are replacements of existing infrastructure, so they should not increase operating costs. It is anticipated that street and utility projects will not require significant maintenance for a minimum of 10 years.

Equipment and vehicle purchases are for the routine replacement of older, worn out equipment that have outlived useful life. As was highlighted by staff during the council retreat, many of the replacement items are 15 years old or more. City employees work hard to make the equipment they have last as long as possible and remain safe. These purchases will help decrease the operating expenses necessary to maintain these capital assets.

### **Debt**

The City of Statesboro's current long-term debt was issued for capital improvement projects that were too expensive to be financed from current revenue sources. The City of Statesboro will not use long-term debt to finance current ongoing operations of the City.

The City of Statesboro is governed by the State of Georgia restrictions on local government debt. The State of Georgia states that "The debt incurred by any county, municipality, or other political subdivision of this state, including debt incurred on behalf of any special district, shall never exceed 10% of the assessed value of all taxable property within such county, municipality, or political subdivision; and no such county, municipality, or other political subdivision shall incur any new debt without the assent of a majority of the qualified voters of such county, municipality, or political subdivision voting in an election held for that purpose as provided by law" (State of Georgia Constitution, Article IX, Section V).

The City of Statesboro's debt limit is \$83,173,686, 10% of the estimated total assessed value of \$831,736,860. The City currently has no general obligation bonds. However, the City's total debt is \$16,978,875. In August 2023, the City of Statesboro issued \$847,875 in three year interest only revenue bonds to fund infrastructure improvements in the Old Register TAD. In 2020 the City issued \$11,631,000 in Water and Sewer Revenue Bonds to repay outstanding Georgia Environmental Facilities Authority Loans (GEFA) and to refund an outstanding revenue bond. In FY2021, the City, thru the Urban Redevelopment Agency, issued \$4,500,000 in Revenue Bonds to fund park improvements.

### Conclusion

The employees of the City of Statesboro are vital assets to support the quality of life for the Statesboro community. Their dedication to furthering the goals of the Mayor and City Council, as well as fulfilling my expectations of excellent public service, excellent customer service, and innovation serve to further advance our years of steady progress and ensure we are adequately prepared for continued growth and opportunities for our residents and businesses.

The City of Statesboro's FY 2025 operating and capital budgets total \$108,973,791 (including transfers). The proposed budget reflects the needs of a growing City and the funding priorities established by the City Council. With growth comes increased demand for services and infrastructure and it is my belief this budget addresses these demands in a fiscally responsible manner.

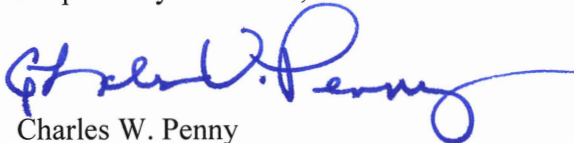

The FY 2025 budget as presented continues to provide these crucial services to a growing population while maintaining a low millage rate. The City's primary enterprise funds, Water/Sewer and Natural Gas have operating budgets of \$17,684,760 and \$5,989,115, respectively. Our Capital Improvements Program presents a 6 year plan for the acquisition, expansion and maintenance of the City's major assets totaling \$258.9 million. In the preparation of this budget every effort has been made to continue to improve service levels, maintain a stable rate of taxation, improve the financial integrity of the City, and position the City for growth.

Copies of the proposed Budget and Capital Improvements Program were made available on file in the Director of Finance's Office and on the City's website on May 24, 2024. Adoption of the Budget Resolution will be placed on the June 18, 2024 City Council agenda for consideration with an effective date of July 1, 2024, subject to any changes that the Mayor and City Council might make in its adoption.

Each year a number of City employees dedicate a significant number of hours to developing the budget. I am appreciative of the skills and experience that department heads and their staff provide to this annual process. Every department made efforts to cut expenditures, where practical, while pledging to continue to maintain exceptionally high levels of service to our citizens. I would also like to thank the members of the Finance Department for the numerous hours of staff time that have gone into the preparation of this budget. Each of these employees are to be commended for their work. The preparation of this year's Operations Budget and CIP was truly a team effort. Finally, we would like to say thank you to the Mayor and City Council for your input and support during this budget process.

This budget positions the City where it needs to be for the coming fiscal year, and I recommend it for your approval. Thank you for your consideration, and I look forward to reviewing it and discussing it with you.

Respectfully submitted,

Charles W. Penny  
City Manager

## Summary Budget of All Funds

## **City of Statesboro Summary of All Funds**

This section consists of a consolidated summary of all funds used to provide city services. The first chart is a Department/Fund Overview. The Overview provides an illustration of the relationship between the City's department and funds. The revenue sources and expenditures of the City of Statesboro may be more easily understood by reviewing the pie charts following the Overview. Also included in this section are three-year budget spreadsheets (FY 2023 actual, FY 2024 budgeted and FY 2025 budgets) for each of the fund categories. The last section includes the City's Budget Summary and Reserve Targets.

Please see the individual tabs for detailed budget information and the services provided by the various funds.

DEPARTMENT/FUND OVERVIEW

**DESCRIPTION OF THE TOP FOUR MAJOR REVENUE SOURCES**

Charges for Services, fees collected for services provided, make up \$39,580,435 or 41.2 % of total revenues for the City of Statesboro. The General Fund charges for services include court costs, indirect cost allocation from the water and sewer fund, background check fees and cemetery fees and several other revenue line items. The City has five Enterprise Funds that charge for services. These charges are water and sewer sales, storm water fees, natural gas sales, refuse collections fees and refuse disposal fees.

Intergovernmental Revenues make up \$19,181,216 or 19.9 % of total revenues. This category includes grants – any grant received from a state or federal agency; and Special Purpose Local Option Sales Tax revenues – a sales tax that is remitted to the state by the vendor then disbursed to the County. The Transportation Special Purpose Local Option Sales Tax is included in this category as well – a sales tax for transportation projects that in remitted to the state by the vendor then disbursed to the County. Once the County receives the money, it disburses it to the City.

Taxes make up \$18,348,555 or 19.1 % of total revenues. Included in the taxes category are property taxes - ad valorem taxes levied on as assessed valuation of real and/or personal property; franchise fees – taxes imposed on the privilege of using public property for private purposes; alcohol taxes – levied on the distribution of distilled spirits, malt beverages, and wine; and insurance premium taxes – based on the gross direct premiums collected by all insurance companies doing business in the state. Also included are the two Tax Allocation Districts as well as the Hotel and Motel Taxes.

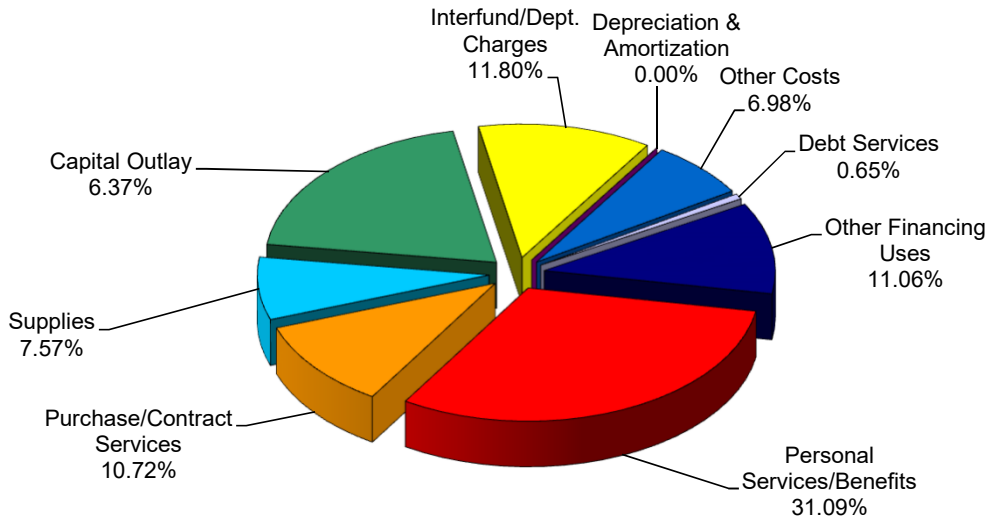

Other financing sources make up \$13,532,160 or 14.1 % of total revenues. The categories that make up other financing sources are operating transfers in – financial inflows from other funds of the government reporting entity; and sale of assets – the proceeds from the sale of fixed assets and other assets below the government's asset threshold.

**RESOLUTION 2024-17: A RESOLUTION TO ADOPT THE FISCAL YEAR 2025 BUDGET FOR EACH FUND OF THE CITY OF STATESBORO, GEORGIA, APPROPRIATING THE AMOUNTS SHOWN IN EACH BUDGET AS EXPENDITURES/EXPENSES, ADOPTING SEVERAL ITEMS OF REVENUE ANTICIPATIONS, AND PROHIBITING EXPENDITURES OR EXPENSES FROM EXCEEDING THE ACTUAL FUNDING AVAILABLE FOR APPROPRIATION**

WHEREAS, sound governmental operations require a budget in order to plan the financing of services for the residents of the City of Statesboro; and

WHEREAS, Title 36, Chapter 81, Article 1 of the Official Code of Georgia Annotated (OCGA) requires a balanced budget for the City's fiscal year, which runs from July 1st to June 30th of each year; and

WHEREAS, the Mayor and City Council have reviewed the proposed FY 2025 Budget as presented by the City Manager and Director of Finance; and

WHEREAS, each of these funds is a balanced budget, so that anticipated revenues and other financial resources for each fund equal the proposed expenditures or expenses; and

WHEREAS, the Mayor and City Council wish to adopt this proposal as the Fiscal Year 2025 Annual Budget;

NOW THEREFORE, BE IT RESOLVED by the Mayor and City Council of the City of Statesboro, Georgia as follows:

Section 1. The proposed Fiscal Year 2025 budget, attached hereto and incorporated herein as a part of this Resolution, is hereby adopted as the budget for the City of Statesboro, Georgia for Fiscal Year 2025, which begins July 1, 2024 and ends June 30, 2025.

Section 2. The several items of revenues, other financial resources, and sources of cash shown in the budget for each fund in the amounts shown anticipated are hereby adopted, and that the several amounts shown in the budget for each fund as proposed expenditures or expenses, and uses of cash are hereby appropriated to the departments named in each fund.

Section 3. The "legal level of control" as defined in OCGA 36-81-2 is set at the departmental level, meaning that the City Manager in his capacity as Budget Officer is authorized to move appropriations from one line item to another within a department, but under no circumstances may expenditures or expenses exceed the amount appropriated for a department without a further budget amendment approved by the Mayor and City Council.

Section 4. All appropriations shall lapse at the end of the fiscal year.

Section 5. The Authorized Personnel by department and division shown in this budget are hereby formally adopted as the number of authorized positions within each department and division, until and unless amended by resolution of the Mayor and City Council.

Section 6. The Proposed Pay Plan for FY 2025 shown in this budget, as amended, is hereby formally adopted as the City's Pay Plan effective on July 1, 2024, unless further amended by resolution of the Mayor and City Council.

Section 7. The proposed Capital Improvements Program presented is hereby adopted as the City of Statesboro's Capital Improvements Program for FY 2025 - FY 2030. This Program is hereby adopted as the City's long-term financial plan unless further amended by resolution of the Mayor and City Council.

Section 8. This Resolution shall be and remain in full force and effect from and after its date of adoption.

Adopted this 18th day of June, 2024.

## Financial Policies

**RESOLUTION 2019-15: A RESOLUTION ADOPTING FINANCIAL POLICIES FOR THE CITY OF STATESBORO, GEORGIA**

THAT WHEREAS, the City of Statesboro has developed a number of financial policies which guide the preparation and administration of the budgeting, accounting, investment, risk management, debt, auditing, and financial reporting functions of city government; and

WHEREAS, the Mayor and City Council have reviewed the Financial Policies proposed by the City Manager, and desire to adopt those policies;

NOW THEREFORE, BE IT RESOLVED by the City Council of the City of Statesboro, Georgia in regular session assembled this 21st day of May, 2019 that the financial policies included on the attached pages are hereby adopted as the Financial Policies for the City of Statesboro.

BE IT FURTHER RESOLVED that the City Manager is hereby directed to develop the annual proposed Budget and Capital Improvements Program, and to administer them in conformance with these policies.

This Resolution shall be effective from and after its date of adoption.  
Adopted this 21st day of May 2019.

CITY OF STATESBORO, GEORGIA

Attest: Sue Starling, City Clerk

### ***Financial Policies and Budget Preparation***

The City Council has adopted policies in all areas of financial management, which guide the preparation, adoption, amendment, and administration of the Operating Budget, the Capital Budget, and the Capital Improvements Plan. Below is a listing of those policies in the areas of:

- Operating Budget Policies
- Capital Budget Policies
- Revenue Policies
- Expenditure Policies
- Reserve Policies
- Cash Management and Investment Policies
- Risk Management Policies
- Debt Policies
- Accounting, Auditing, and Financial Reporting Policies
- The Budget Process
- Budget Amendment Policy

#### ***Operating Budget Policies***

The City Council shall hold an annual Planning Session each spring in order to establish priorities for funding in the next fiscal year; and discuss long-range planning of major capital improvements.

The City shall adopt a balanced budget (planned revenues available equal planned expenditures) annually; and any subsequent amendment must identify the revenues or other financing sources necessary to maintain said balance.

The City will not appropriate fund balance or retained earnings in any fund that would hinder meeting the reserve targets established herein. Once those targets are met in a particular fund, any amount over the target may be appropriated either for capital improvements or unexpected operating expenses.

The City will pay competitive wages and fringe benefits in order to attract and retain quality personnel.

All Enterprise Funds and Internal Service Funds shall be self-supporting from their fees and charges, without any subsidy from the General Fund. Transfers to the General Fund from the Enterprise Funds shall be made only after sufficient net income is retained to cover debt service and capital improvements essential to properly maintain and expand these utility services.

The Solid Waste Collection Fund and the Solid Waste Disposal Fund should reflect the true costs to provide residential and commercial garbage collection, disposal and recycling; brush collection and disposal; bulk (white goods) collection and disposal; and

leaf collection and disposal. The City Council shall evaluate annually the extent to which each service is supported by service charges rather than a subsidy from the General Fund.

The City shall aggressively pursue improvements in technology and work methods that will improve service levels and/or reduce operating costs.

The City shall use one-time revenues only for capital items, unexpected operating expenses or to build reserves, instead of operating expenditures/expenses.

The City shall raise property taxes only when absolutely necessary to balance the Budget and maintain adequate reserves. Any property tax increase should be used only for the purchase of additional capital improvements or to increase needed personnel.

All appropriations and expenditures shall be made in full compliance with applicable State laws and the City's Purchasing Manual.

The City will follow the Budget Preparation Calendar prepared by the Finance Department each year.

The Budget shall be prepared in full compliance with the State's Uniform Chart of Accounts, and with Generally Accepted Accounting Principles (GAAP) for Governments as promulgated by the Government Accounting Standards Board. This means the General Fund, Capital Projects Fund, Debt Service Fund, Expendable Trust Funds, and Special Revenue Funds will be budgeted on the modified accrual accounting basis. Enterprise Funds and Internal Service Funds will be budgeted on the full accrual accounting basis.

All Budgets shall be adopted at the legal level of budgetary control, which is the fund/department level (i.e., expenditures/expenses may not exceed the total appropriation for any department within a fund without the City Council's approval).

The City Manager shall prepare an annual Budget that meets the requirements to receive the Distinguished Budget Presentation Award from the Government Finance Officers Association.

### ***Capital Budget Policies***

The City shall adopt a Capital Improvements Plan (CIP) annually which will include the next fiscal year's Capital Budget, plus planned improvements for the following five years.

The City shall make every effort not to add additional programs and services until both the Operating Budget and the CIP are adequately funded.

The City shall provide resources from current revenues to fund an adequate maintenance and replacement schedule for infrastructure, and the vehicle and equipment fleet.

The City will aggressively pursue state and federal funding, as well as other sources of funding for capital improvements.

All operating budget appropriations shall lapse at the end of a fiscal year. Appropriations for Capital Projects which have not been completed by fiscal year-end must be re-appropriated for the balance due on the project in the next fiscal year.

### ***Revenue Policies***

The City will budget revenues conservatively so that the chance of a revenue shortage during the year is remote. This also will help finance contingencies and Budget amendments that were unforeseen when the Budget was first adopted.

The City will review annually all fees and charges to assure that they maintain their inflation-adjusted purchasing power.

Since different revenue sources impact classes of taxpayers differently, the City Council recognizes that the only way to minimize these different impacts is to have a diversified revenue system. These impacts will be considered in making any needed adjustments to the various sources of revenue.

The City will make every effort not to become too dependent on one source of revenue in order to minimize serious fluctuations in any year.

The City will consider market rates and rates of comparable cities in the region when changing tax rates, fees, and charges. The City will make every effort to maintain its favorable comparative position with other Georgia cities in this regard, which has contributed to our economic development success.

All cash donations to any department or agency of the City must be deposited with the Finance Director's Office. All purchases using such donations must be budgeted and will comply fully with the City's purchasing policies. The City cannot accept donations on behalf of an outside agency or group. Donations of equipment or supplies may be made directly to a department or agency of the City. Donated equipment meeting the definition of a fixed asset must be reported to the Purchasing Director, for tagging and listing.

### ***Expenditures Policies***

Current expenditures shall be financed with current revenues that shall include that portion of fund balance in excess of authorized reserves. The City shall avoid budgetary procedures that balance current expenditures through the obligation of future resources, or which finance on-going expenditures with one time revenues. The City shall strive to avoid short-term borrowing to meet operating budget requirements. Nevertheless, this policy shall not prohibit short-term borrowing should a critical need arise. If short-term borrowing becomes unavoidable, such a borrowing would be competitively bid using Tax Anticipation Notes.

### ***Reserve Policies***

The City Council recognizes the need to set reserve targets for every operating fund of the City. The targets for those funds using the modified accrual basis of accounting are set as the percentage that the undesignated/unassigned fund balance is to the combined budgeted expenditures and transfers to other funds.

The targets for those funds using the accrual basis of accounting are set as the percentage that the working capital is to the budgeted operating expenses and transfers to other funds. The targets are as follows:

The City shall maintain its General Fund unassigned fund balance at 25% of General Fund expenditures and transfers out. Amounts in excess of 25% are permitted to be used for one-time expenditures that are nonrecurring in nature such as capital expenditures. In the event that the City's fund balance falls below this level, the City shall develop and present a plan and timeline for replenishment to City Council.

<i>Fund Title</i>	<i>Undesignated/Unassigned Fund Balance (Or Working Capital) as a % of Expenditures (Or Operating Expenses) and Transfers Out</i>
General Fund	25% Fund Balance
Statesboro Fire Service Fund	17% Fund Balance
Water/Wastewater Fund	50% Working Capital *(or 180 Days)
Stormwater Fund	40% Working Capital *(or 144 Days)
Natural Gas Fund Fund	17% Working Capital and a \$350,000 Reserve
Solid Waste Collection Fund	35% Working Capital *(or 126 Days)
Solid Waste Disposal Fund	17% Working Capital
Benefits Insurance Fund Fund	9% Working Capital and a \$250,000 Reserve
Fleet Management Fund	17% Working Capital

The City shall maintain a formal Days Cash on Hand for the City's Enterprise Funds. Days Cash on Hand shall be calculated by dividing unrestricted cash and liquid investments by operating expenditures net of depreciation plus debt service. Operating expenditures and debt service shall be on a per-day basis.

These reserve targets shall be reviewed annually by the City Manager who shall report to the City Council on their continued adequacy.

### ***Cash Management and Investments Policies***

**Compliance:** The City shall invest its funds only in investments that are permitted by the Georgia Code, indentures for bonded debt of the City, providers of bond insurance to City debt, and other codes.

**Safety:** To ensure the security of its investments, the City shall only invest in the securities of issuers that have long term ratings that are at least Aa3 (Moody's) and/or AA- (S&P/Fitch) or a short term rating equal to or greater than P-2 from Moody's Investors Service, F2 from Fitch Ratings, or A-2 from Standard & Poor's Rating Services.

**Return:** The City's investments shall be allocated in such a way as to invest a reasonable portion of its portfolio in longer term securities (within the confines of the safety standard) so as to achieve a higher yield.

**Reporting:** The City shall prepare a quarterly investment report that shall be shared with City Council. Reports should include but not be limited to the average balance in each investment category, interest rate/yield for each investment type, investment holdings and uninvested holdings.

**Concentration:** The City shall limit investments from any one issuer to fifteen percent (15%) of the investment portfolio. This limitation shall not apply to the Local Government Investment Pool or direct obligations of the United States government.

The City will make all deposits of cash within the time period required by State law. All deposits must be fully collateralized as required by State law.

The City will aggressively pursue all revenues due, including past due utility bills, court tickets and fines, and property taxes, using whatever legal means are available.

The City will pay all obligations on or before the due date.

The City will continue the current cash management and investment policies, which are designed to emphasize safety of capital first, sufficient liquidity to meet obligations second, and the highest possible yield third. Those policies are outlined below:

The City will operate with the least number of bank accounts required by federal and state statutes and regulations and GAAP for governments. Consolidation of bank accounts makes investment decisions easier, and reduces staff time needed to reconcile monthly bank statements.

The Director of Finance will make a twelve-month cash flow projection, and from that develop a schedule of long-term investments. These investments could be any type authorized by State law. Large amounts of cash not in time deposits shall be kept in the sweep investment account to improve overall interest earnings. Should the sweep investments account interest rate be higher than that of a certificate of deposit, then the funds shall be kept in the sweep investment account.

### ***Risk Management Policies***

The City will minimize potential losses through employee safety training, inspections of the workplace, risk analysis, and OSHA compliance. The Purchasing Director shall be responsible for these programs.

A drug-testing program shall continue for all potential employees, as well as random testing of all federally-required employees.

### ***Debt Policies***

The City will issue bonds and capital outlay notes only for capital improvements and moral obligations. The City will attempt to fund capital improvements through net income of the utility systems, general revenues, and its portion of any SPLOST (Special Purpose Local Option Sales Tax) funds before resorting to long-term debt issuance. This will reduce the overall indebtedness and strengthen the City's creditworthiness.

The City will not issue notes or bonds to finance operating deficits. Adequate reserves will be maintained to assure this doesn't become necessary. No bond or note will be issued to purchase a fixed asset that has a shorter useful life than the term of the debt instrument.

The City will issue general obligation bonds or capital outlay notes for necessary general government projects and either general obligation or revenue bonds for enterprise fund projects. The City may also use pooled capital lease funds from GMA and loans from the Georgia Environmental Facilities Authority (GEFA).

As allowed by Georgia State Law, requires that no debt will be issued which would increase the outstanding amount of debt above ten (10%) percent of the total assessed value of property within the City. However, the City is taking a more aggressive position. The City's measure of Tax-Supported Net Direct Debt as a percentage of Full Value shall not exceed 1.75%. The outstanding amount of debt in this calculation shall not include debt issued for improvements in the utility systems, because that debt will be repaid from charges for services, not from property taxes. These limitations are found in Article IX, Section V, Paragraph 1 and Article IX, Section VI, Paragraph 1 of the Georgia Constitution. Additionally, the amount of debt in this calculation shall not include any debt that is considered self-supporting (i.e. TAD Revenue Bonds or DDA Bonds not supported by the General Fund).

A firm source of revenue sufficient to make the anticipated debt service payments must be identified by the City Council before any capital outlay note, GEFA loan, GMA capital equipment lease, general obligation bond, or revenue bond is issued. Specifically, for General Governmental Debt, the City shall seek to maintain its tax-supported debt service expenditures at a level not to exceed 15% of General Fund expenditures exclusive of any SPLOST-related debt service. For Enterprise Fund Revenue Debt, the City shall maintain a Debt Service Coverage ratio equal to at least 1.75x. Net revenues shall exclude tap fee revenue and transfers in/out.

When appropriate, the City may choose to issue securities that pay a rate of interest that varies according to a pre-determined formula or results from a periodic remarketing of the securities. The decisions to issue such securities must be reviewed and approved by the Finance Director before Mayor and Council is requested to approve their issuance. Should the City pursue variable rate debt and enter into agreements related to the management of the interest rate, the City will follow the parameters of the agreements (security and payment provisions, risk assessment and methods for monitoring these risks) outlined in an Interest Rate Management Plan that will be developed before entering into any such arrangement.

### ***Accounting, Auditing, and Financial Reporting Policies***

The City Council will receive a monthly finance report showing Income Statements, Cash Flow Statements where appropriate, and all Investments.

The City shall have a qualified certified public accounting firm conduct an independent audit annually, as required by OCGA 36-81-7 (a)(1).

The City will maintain its accounting records in full accord with Generally Accepted Accounting Principles (GAAP) as promulgated by the Government Accounting Standards Board. The Finance Director is expected to obtain clean (unqualified) Audit Opinions each year.

The Annual Audit shall be submitted to the State Auditor before December 15th of each year, so that the City complies with OCGA 36-81-7 (d) (1). Any deficiencies noted by the Auditors shall be corrected immediately by the Director of Finance.

### ***The Budget Process***

The City's Budget process begins in early January when department heads are given electronic format forms upon which to submit their operating and capital budget requests. The City Council is also notified to give the City Manager any requests they might have, so that costs may be researched. Departmental requests for the Capital Improvements Program are turned in to the Deputy City Manager by February 2nd, and all Operating Budget requests are turned in to the Deputy City Manager by March 3rd.

The Finance Director and City Manager decide upon the revenue estimates for the Operating Budget, and the amount to be transferred to the CIP and the amount of any proposed bond issues. At that point, the Finance Director begins the review of the operating expenditures, and the City Manager prepares the CIP. After the Finance Director has prepared a preliminary Budget, the Finance Director and the City Manager review it to determine whether further cuts are possible, or if additional revenues are necessary. Those decisions are made prior to the first week in April, when a Budget Planning Retreat is held by the City Council.

At that meeting, the Finance Director and City Manager's present projections of the current fiscal year's Budget, and the preliminary Operating Budget for Council review. In addition, the City Manager presents the Council with his recommendations for a six-year Capital Improvements Program. The City Council then debates any changes in suggested priorities in both the preliminary Operating Budget and the Capital Improvements Program. Once those priorities are established, the City Manager finalizes the CIP, and the Finance Director finalizes the Operating Budget. Both work on the narrative portions of the documents. The City Manager prepares the Budget Message and CIP Letter of Transmittal detailing the major issues, initiatives, and goals and objectives contained in both documents. The Finance Department prepares the spreadsheets detailing the line item budgets proposed for each fund.

The two documents are sent to the printers in mid-May, for distribution to the Mayor, City Council, and public by June 1st. Copies are available to the public at both the City Clerk's Office and the Statesboro Regional Library. A public hearing is scheduled for the first regular meeting in June, after which the Budget is voted upon, and the Budget becomes effective July 1st. In the event the Council cannot agree on a Budget before July 1st, an Interim Budget is adopted, which is simply a continuation Budget from the previous year. Once a Budget is adopted, the Finance Director authorizes the adopted Budget to be entered into the budgetary accounting system.

### ***Budget Amendment Policy***

Since a budget is an estimate of revenues and expenditures, the budget management process does allow for amendments to the budget. Budget amendments may be made at any time throughout the fiscal year. Any amendment request is reviewed by the City Manager, who makes a recommendation on whether the expenditure should be made, and what revenue source will be used to finance it. All amendments require a Budget amendment resolution, since the original Budget is adopted by resolution. After passage, the Finance Director authorizes the amended amounts to be entered in the budgetary accounting system.

**City of Statesboro, Georgia  
Calendar for FY 2025  
Budget and CIP Preparation**

- Nov 1, 2023 Finance Department sends PowerPoint Presentation on completing CIP request sheets.
- Nov 1, 2023 Finance Director notifies Department Heads the CIP Sheets are available on the Budget Drive and to begin preparation of CIP requests.
- Dec 1, 2023 Finance Department sends PowerPoint Presentation on submitting Operating Budget request. Including how to complete the New Personnel Request form, the Reclassification Request Form and the Change in Rates, Fees and Fines Form.
- Dec 29, 2023 Departmental CIP Request must be completed on Server.
- Jan 12, 2024 New Personnel Request Form and Reclassification Form due to both Finance Department and Human Resources Department.
- Jan 15, 2024 Assistant City Manager, Human Resources Director and Finance Director review Personnel Requests.
- Jan 19, 2024 Any proposed rate/fee/fine changes due to Finance Department.
- Jan 22, 2024 Assistant City Manager and Finance Director meet to review Rates/Fees/Fines change requests.
- Feb 14, 2024 All Revenue projections and all Operating Budget Requests must be completed on Server.
- Feb 22-23, 2024 Leadership Team Retreat
- Feb 29, 2024 Finance Department keys Personnel costs for all departments.
- Mar 15-16, 2024 Council Retreat
- Mar 18-22, 2024 Assistant City Manager and Finance Director complete all Revenue projections for the current and next fiscal year.
- Mar 18-22, 2024 Assistant City Manager and Finance Director review each departmental budget.
- March 29, 2024 All Performance Measures and Departmental Goals must be completed on Server.

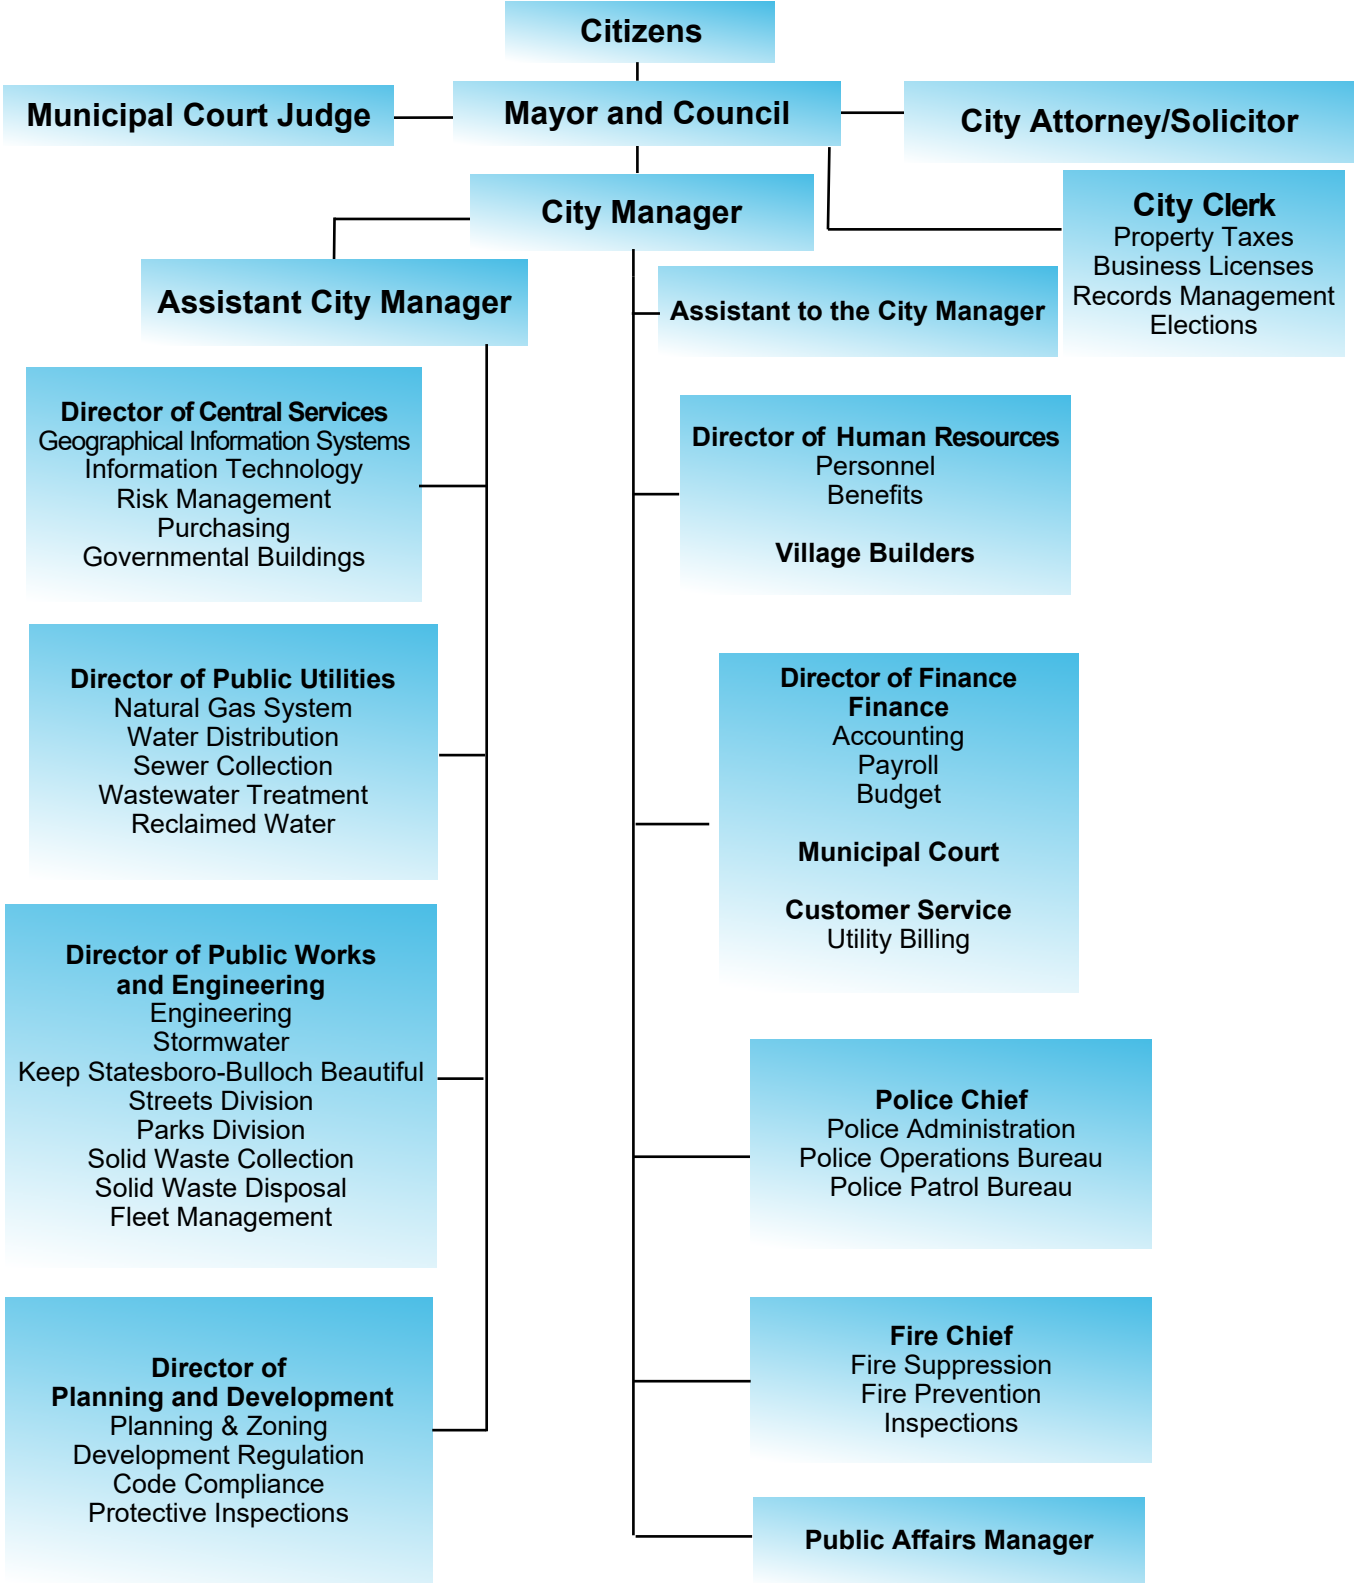

- Apr 1, 2024 Assistant City Manager and Finance Director finalizes Expenditures/Expense estimates for each department and outside agency for current and next fiscal years, and sends to City Manager to review.
- Apr 8-12, 2024 City Manager, Assistant City Manager and Finance Director review each department budget with Department Heads.
- May 14, 2024 City Council Budget Work Session
- May 21, 2024 City Council schedules a Public Hearing on the Budget for June 4, 2024
- May 10-24, 2024 City Manager, Assistant City Manager and Finance Director complete the Budget and CIP preparation, write Budget Message, Budget Resolution, and CIP Transmittal Letter.
- May 28, 2024 Budget Ad to run in Statesboro Herald
- June 4, 2024 Mayor and City Council conduct a Public Hearing on the Proposed Budget.
- June 18, 2024 Mayor and Council adopt FY2025 Budget
- June 25, 2024 Finance Director has Budget and CIP printed.
- Sept-2024 City Council holds required Public Hearing and Adopts the Tax Rate Resolution, after receiving the Tax Digest from the County Tax Assessor's Office.

The Authorized Personnel is a brief illustration of approved positions, grades and personnel only. The official position classification and compensation plan can be found on file in the City Manager's Office and the Director of Human Resources' Office and is effective as of its date of adoption. The plan designates classes of positions and titles and establishes wage and salary ranges (grades) for each classified staff position that is under the direction of the City Manager.

## Employee Benefits Summary

The City provides a comprehensive package of fringe benefits for employees. The package includes the following.

### *Health/Dental Insurance Coverage:*

City employees are covered under the City of Statesboro Health and Dental Insurance Plan. The City and its employees are currently paying the following monthly premiums:

	Coverage	Employee Rates	City Rates	Total Cost
Gold				
	Employee Only	\$ 128.31	\$ 384.92	\$ 513.23
	Employee/Spouse	\$ 263.90	\$ 791.67	\$ 1,055.57
	Employee/Children	\$ 236.97	\$ 710.92	\$ 947.89
	Family	\$ 380.82	\$ 1,142.42	\$ 1,523.24
Platinum				
	Employee Only	\$ 217.52	\$ 652.50	\$ 870.02
	Employee/Spouse	\$ 320.22	\$ 960.67	\$ 1,280.89
	Employee/Children	\$ 287.43	\$ 862.25	\$ 1,149.68
	Family	\$ 462.39	\$ 1,387.17	\$ 1,849.56

- Employees participating in the Wellness Incentive Program will receive a \$750 reduction in annual insurance premiums.

Details of the coverage are available in the employee benefit handbook.

### *Life Insurance Coverage:*

City employees are provided with one time their annual salary of life coverage, spouses are covered with \$5,000.00, and each dependent has \$1,000.00 of coverage.

### *Long-Term Disability:*

City employees are provided with long-term disability insurance that pays 50% of the employee's regular earnings up to a maximum of \$5,000.00 per month in the event of disability. This benefit begins after the ninety-day elimination period has been met.

### *Paid Sick Leave:*

Employees are credited with one day of sick leave for each month of employment. Unlimited accumulation is allowed. Unused sick leave is not paid at termination of employment; credit is given for unused sick leave for employees retiring under the City's retirement plan.

*Special Leave With/Without Pay:*

Employees are granted time off from work with or without pay at the discretion of the Department Head and the Director of Human Resources for various occasions. Bereavement leave is granted with pay for a maximum of three (3) days for the death of a member of the immediate family. Jury service is granted with pay. Military Leave is granted with pay for a period not to exceed eighteen (18) calendar days in a 12-month period. For non-exempt Fire Department Personnel on a 28-day Work Period leave is granted with pay not to exceed six (6) shifts.

*Paid Vacation Leave:*

Employees earn vacation on a monthly accrual basis based on length of service. The following days of vacation are earned on an annual basis. Fire shift personnel earn vacation time at a different rate than do 40 hour per week employees. The following is based on a forty hour per week work schedule.

<u>Years of Service</u>	<u>Days Vacation per Year</u>
0 – 10 years	10
10 – 20 years	15
20 – Plus	20

*Paid Holidays:*

Employees receive 12 paid holidays per year. The holidays are:

New Year's Day  
 Martin Luther King's Birthday  
 Good Friday  
 Memorial Day  
 Juneteenth Day  
 Independence Day  
 Labor Day  
 Veterans Day  
 Thanksgiving –2  
 Christmas –2

*Retirement Plan:*

City employees are covered under the Georgia Municipal Association Retirement System. The City pays the full cost of membership for employees and employees can be vested with 5 years of service with the city. Employees hired after January 1, 2020 contribute 3 percent to the retirement plan.

*Deferred Compensation Plan:*

City employees are eligible for the 457b Deferred Compensation Program administered by Nationwide through the Georgia Municipal Association. This is a voluntary benefit that allows employees to contribute a portion of their salary before and after federal taxes into a supplemental retirement account. Various options are available including fixed-rate annuities, publicly available mutual funds, and life insurance.

*Worker's Compensation Plan:*

City employees are covered for occupational injury according to the state worker's compensation laws.

*Tuition Reimbursement:*

Upon the recommendation of the Department Head, an employee may receive tuition assistance up to \$2,200.00 per year based on funds budgeted and available. Employees involved in the tuition assistance program must maintain a C average in their coursework. Those receiving assistance must submit grades and receipts to the Director of Human Resources at the end of each semester/quarter. Those employees receiving less than a grade of C will not be reimbursed by the City the cost for that semester or quarter.

*End of the Year Bonus:*

All City employees receive a \$500.00 bonus in the fall of each calendar year.

*Competitive Wages, Overtime Pay, and Compensatory Time:*

City employees are paid competitive wages, which are evaluated periodically to insure they are comparable to wages paid for similar duties in both the public and private sectors. Employees receive performance-based increases, if job performance is satisfactory, subject to the approval of the Mayor and City Council. Employees are compensated for any overtime worked according to the Fair Labor Standards Act, either with pay at time and one-half or compensatory time off, also calculated at one and one-half.

*Annual City Appreciation Luncheon:*

Employees are honored with an appreciation luncheon during the fiscal year.

*Uniforms and Cleaning Services:*

Uniforms are provided for city employees, other than clerical and others wearing normal street clothes, in Public Works, Fire, Police, Wastewater, Water Sewer, Building Inspection, Code Compliance, Custodians and Gas. Clothing allowances are provided for police detectives.

*Health & Wellness Center:*

The City of Statesboro Health Center is dedicated to help employees manage their typical primary care visits and chronic conditions using a dedicated team of medical professionals, a unique style of case management and quality face-to-face healthcare delivery. The Health Center is designed to increase employee satisfaction, provide affordable healthcare, encourage, educate and reward participating patients for progress in managing their conditions.

*Employee Fitness Center:*

The employee fitness center was developed to increase the health and well-being of City of Statesboro employees. Employee fitness and wellness is the systematic effort of the City of Statesboro to enhance health of its employees through education, behavioral change, and cultural support. Operating 24 hours,

seven days a week exclusively for employees, spouses and retired employees. The fitness center has a variety of cardio, strength, conditioning equipment and locker rooms.

# TAB 8

## 100 General Fund

THE GENERAL FUND

The General Fund is the principal fund of the City, accounting for all activities not included in other specified funds. This contains the operational budgets for the Mayor and City Council, City Manager's Office, City Clerk's Office, the Finance Department, the Legal Department, Human Resources, the Engineering Department, the Municipal Court, the Police Department, the Public Works Administration Division, Streets Division, Parks Division, the Planning and Development Division, Protective Inspections Division, Code Compliance Division, Public Information Office and Village Builders. It also includes the funding for several outside agencies other than those financed by the Hotel/Motel Tax Fund. Finally, it covers the Debt Service for any outstanding debt used to acquire general fixed assets. Debt Service payments are used to acquire fixed assets of the Proprietary Funds and accounted for within those respective funds rather than the General Fund.

REVENUES AND OTHER FINANCING SOURCES

The General Fund's Revenues can be segregated into six major categories:

**1. Taxes.** This category provides \$16,223,555 of the \$25,340,025 of General Fund total funding, or 64.0%. The major source is property taxes. In 2011, our County Tax Assessor's Office adopted a policy to conduct property revaluations on an annual basis. The most current revaluation was done for FY 2024.

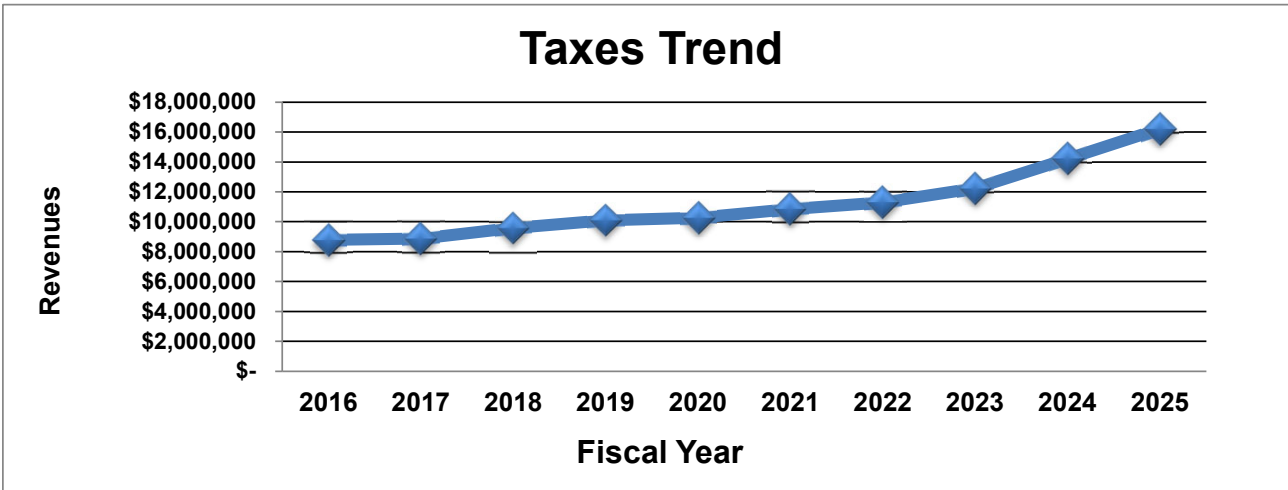

The City has an excellent collection ratio on this tax, which has been further improved by the use of annual tax lien sales which began in FY 2003. The projected collection rate for the current year's taxes is 99.0%. The other 1.0% will be collected during the following fiscal year.

Motor vehicle taxes, as well as Title Ad Valorem taxes, are collected by the Bulloch County Tax Commissioner. The portion of those property taxes due the City is remitted to the City on a monthly basis. These taxes are projected to increase by 17.9%. The Real Estate Transfer Tax (\$1.00 per every \$1,000 of value) on such sales is projected to decrease by 20.0%.

The other major source of taxes is the Franchise Fees paid by Georgia Power Company, Excelsior Electric Membership Cooperative, Vyve Broadband, Frontier Communications of Georgia, Bulloch Solutions, and Hargray. All six franchises are projected to increase by 4.0%.

The other major component of Taxes is the Beer and Wine, and Liquor taxes paid by wholesalers and retailers. Beer and Wine is projected to remain flat and Wholesale Retail is projected to remain flat. Overall, this category is projected to increase by 2.6%.

Total Taxes as a category is projected to increase by 14.2%.

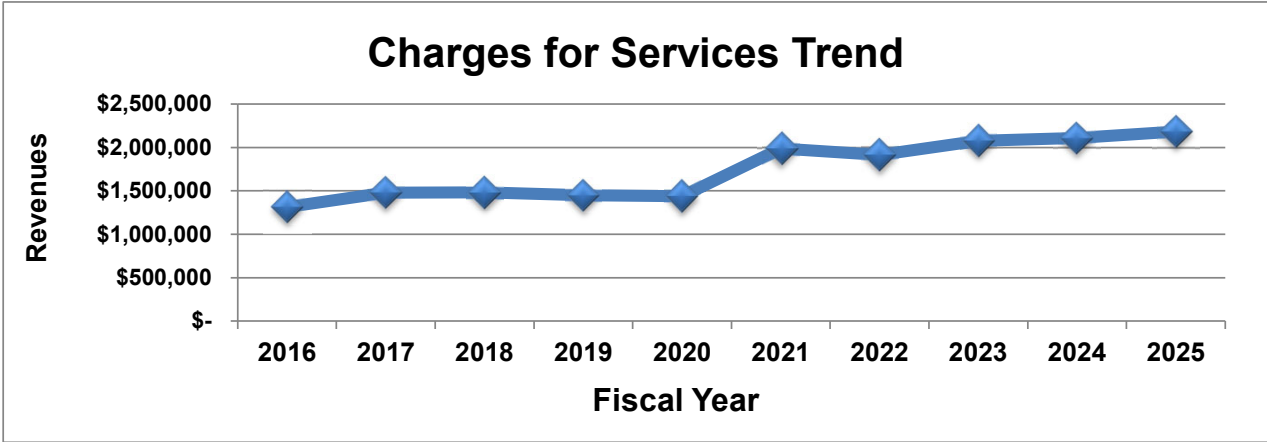

**2. Licenses and Permits.** This category provides \$1,213,000 of the General Fund, or 4.8%. The primary sources of revenue are General Business Licenses, Alcoholic Beverages Licenses, Bank Licenses, and Inspection Fees. Alcoholic Beverages Licenses are projected to remain flat. The General Business Licenses are projected to remain flat. Total Licenses and Permits are projected to decrease under the FY 2025 Budget.

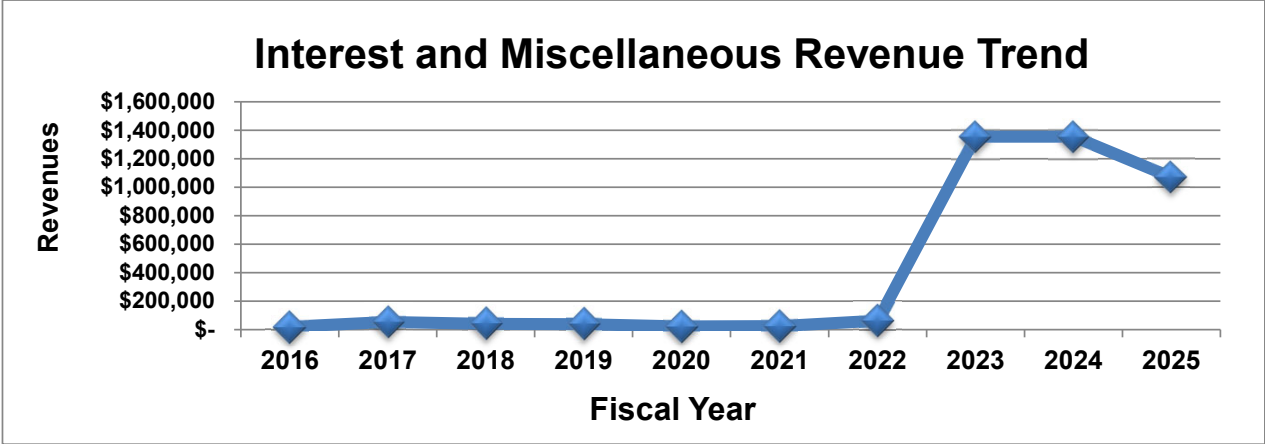

**3. Charges for Services.** This category provides \$2,184,765 or 8.6% of the General Fund. The primary sources of revenue are Pretrial Diversion Fees, Revenues from Police Overtime, Account Establishment Charges and Indirect Cost from the Water and Sewer Fund. This source is projected to increase by 3.6%.

**4. Fines and Forfeitures.** This category provides \$419,500 of the General Fund, or 1.7%, and includes the fines and forfeitures imposed by the Municipal Court for violations of the Municipal Code and minor violations and infractions of State Law dealing with traffic citations, DUI, and similar offenses. This source is projected to increase by 18.3%.

**5. Miscellaneous Revenues.** This category provides only \$1,071,300 of the General Fund. It accounts for any donations, interest, and miscellaneous charges. This is a category that is expected to decrease by 21%.

In addition to these five revenue categories, there is one additional source of financing that must be considered. This is the **Other Sources of Financing**, which is primarily made up of the *Transfers from Other Funds*. This source of financing (it was counted as revenue in the transferring fund) contributes \$3,497,150 or 13.8% of the General Fund's total funding.

The primary transfers are from the Natural Gas Fund, the Solid Waste Collection Fund, and the Water and Sewer Fund. Part of these transfers is recognition of indirect costs borne by the General Fund in providing services to them, such as time of the City Manager, Human Resources, Finance Department and similar services. In addition, were they private companies, then these utilities would have to pay property taxes and business licenses, and in some cases a franchise fee.

**6. Fund Balance Appropriated.** Finally, if the fund balance in the General Fund is sufficient, the City can use some of the fund balance to balance the General Fund. This proposed FY 2025 Budget is projected to use \$730,755 of the fund balance.

The line item budget that follows shows the individual sources of revenue that make up these six major categories, the other sources of financing, and the fund balance appropriation.

## FUND 100 - GENERAL FUND

Account Number	Account Description or Title	FY 2023 Actual	FY 2024 Budget	FY 2025 Budget

Property Taxes

Property Value of \$150,000

For residents of the City of Statesboro the total property tax is \$8.125 per \$1,000 of taxed value. The taxed value is calculated as 40% of the Market Value. Assuming property with a market value of \$100,000, the result would be:

**Projected Tax Bill: \$487.50**

EXPENDITURES

The General Fund's Expenditures are divided into several major departments and divisions, to better account for the cost of their operations. These expenditures support most of the City's operations other than the utility operations, the health insurance plan, the fleet management function, and the central services function. The Expenditures are summarized on the next page. Then the line item budgets for each division are included as well.

The largest operating expense in most cases is the personnel and fringe benefits. A list of approved personnel positions by department and division is provided behind the tab entitled "Authorized Personnel for FY 2025" In addition, the Pay Plan for those positions is provided behind the tab entitled "Proposed Pay Plan and Fringe Benefits."

By far the most troubling expense for the City, as for most businesses, governments, and other organizations is the continuing escalation of health care costs. When the underlying rate of inflation in median care is averaging 10-15% annually over the last several years, and shows no sign of letting up, it is quickly siphoning a large sum of money from other priorities. Even when the benefits are reduced, and the deductibles, co-pays, and out-of-pocket limits are raised, these inflationary effects cannot be brought back to a reasonable pricing level without draconian measures. Unfortunately, this is not a problem that the City can correct. It is a national problem, and will have to be addressed at that level.

The General Fund budget of \$25,340,025 is an increase of \$3,050,398 from the FY 2024 Budget of \$22,312,422. That is a 13.6% increase.

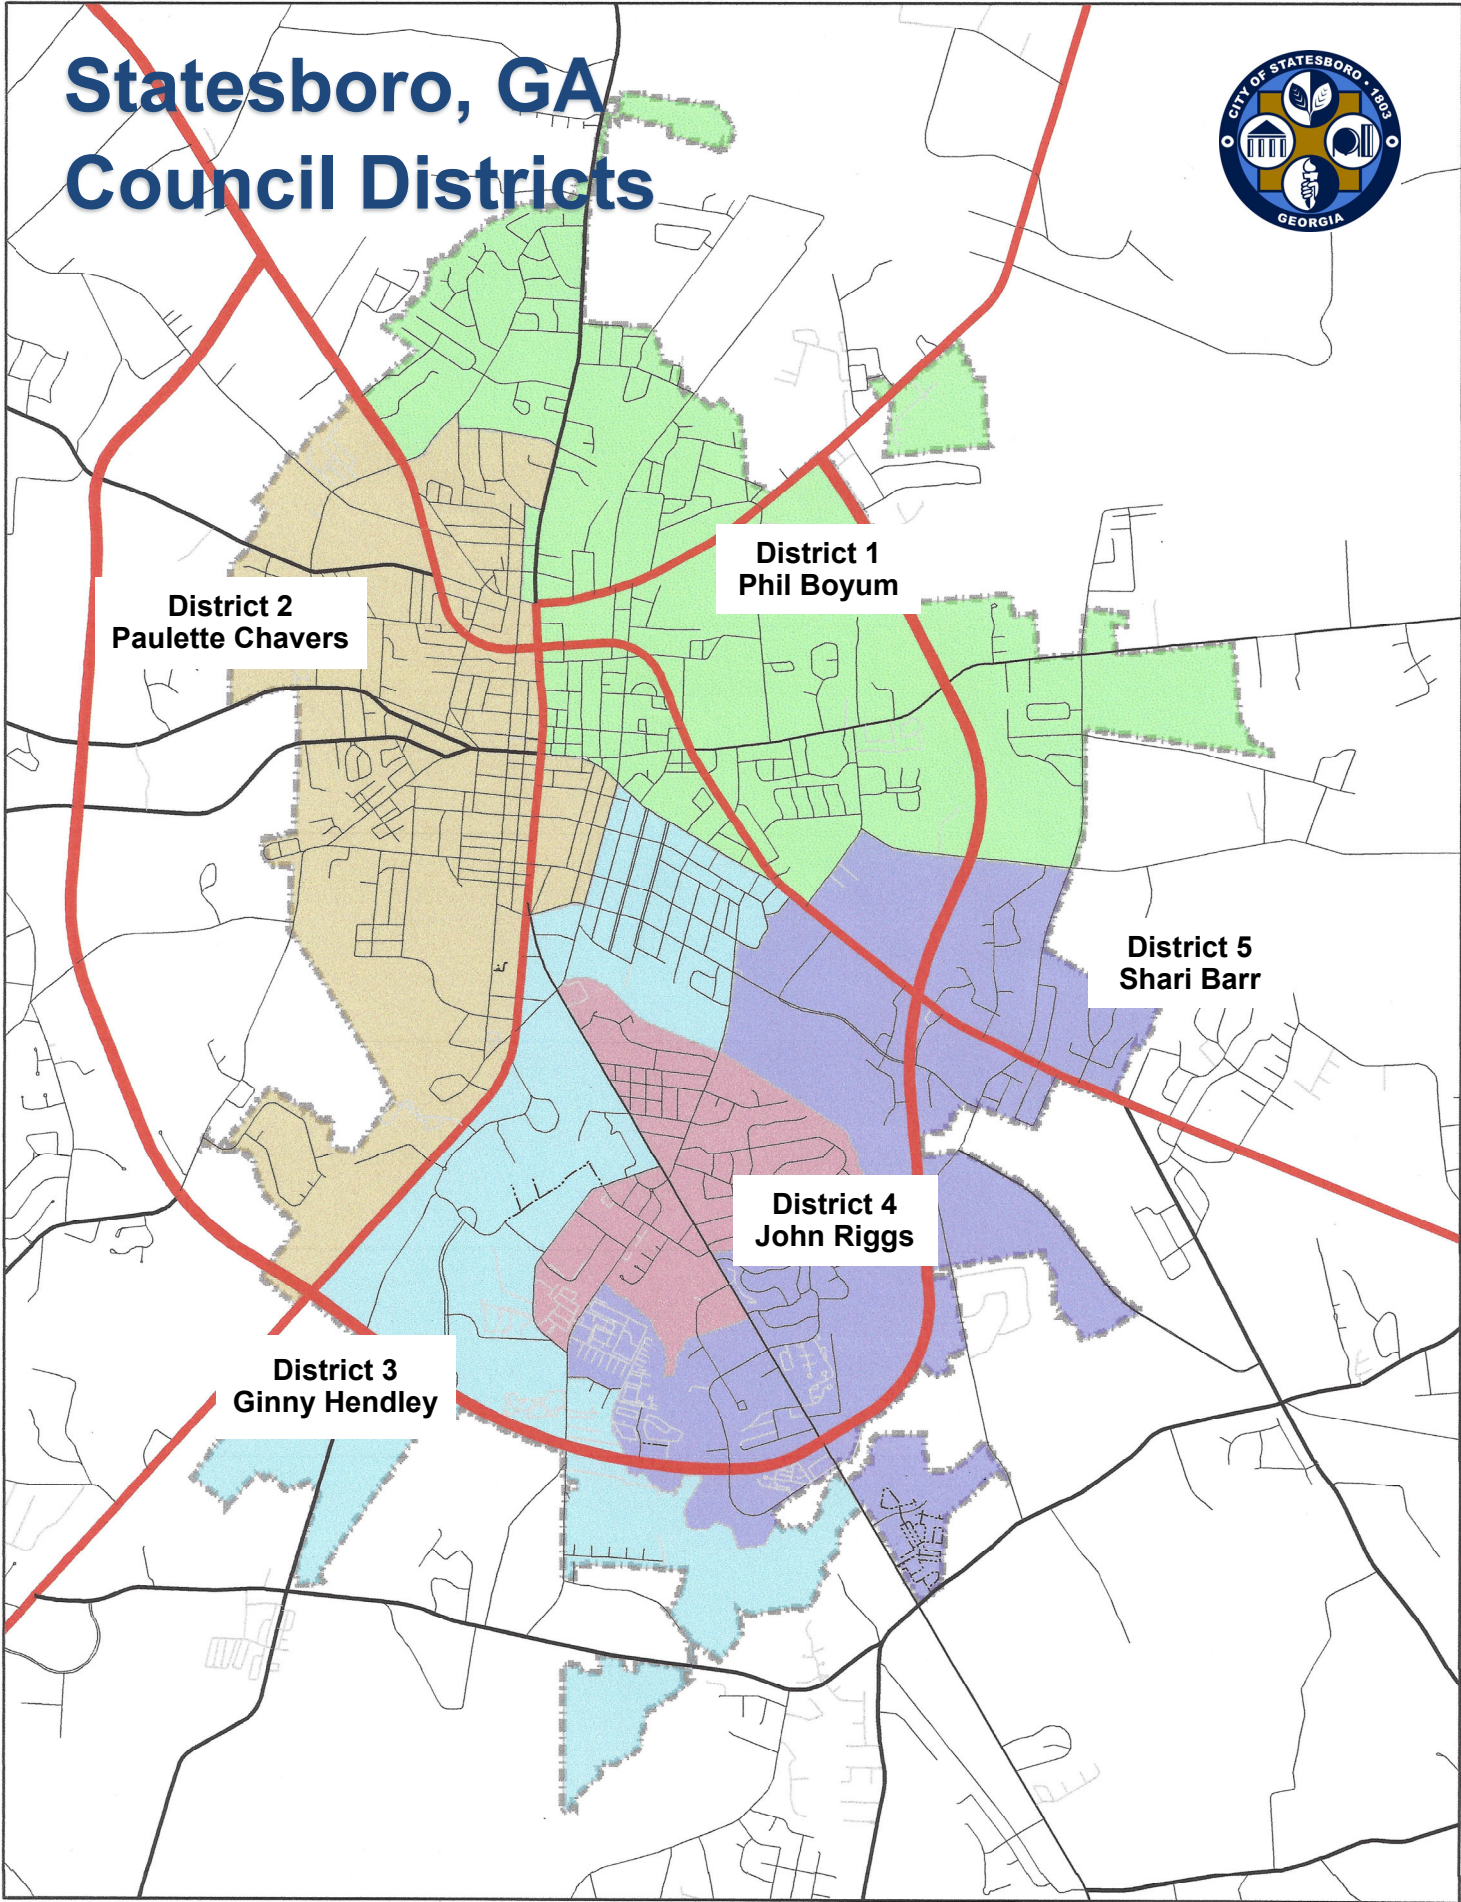

## General Fund Budget Summary

	FY2022 ACTUAL	FY2023 ACTUAL	FY2024 BUDGET	FY2025 BUDGET	PERCENTAGE CHANGE
<b>Revenues</b>					
Taxes	\$ 11,292,167	\$ 12,224,558	\$ 14,203,775	\$ 16,223,555	14.22%

# Statesboro, GA Council Districts

**FUND - 100**

**DEPT - 1110 - GOVERNING BODY**

The City of Statesboro's Governing Body operates under the Council-Manager form of government, with a mayor and five council members. Elected at large, the Mayor acts as the primary representative of Statesboro. The Mayor and Council members serve four year terms. The council members are elected from the one to five districts. The Mayor and Council are responsible for approving all major city policies, all local laws, the annual budget, and the 6-year capital improvements program. In addition, they appoint and evaluate the City Manager.

**DEPT - 1320 - CITY MANAGER**

Appointed by the City Council, the City Manager is the chief administrative officer of the City. The City Manager presides over daily operation and administration for the city government within the guidelines of City ordinances, policies, and procedures; state and federal laws; and implements directives from the Mayor and City Council. The Assistant City Manager provides direct support to the City Manager with city-wide administration support. The City Manager is responsible for preparing the annual budget and capital improvements program, evaluating and supervising all department heads, assuring that all policies and ordinances are enforced, and recommending policy changes as required with assistance of the Assistant City Manager.

**FUND - 100**

**DEPT - 1510 - FINANCE DEPARTMENT**

This department is headed by the Director of Finance. This department is responsible for assisting the City Manager in the preparation of the Budget and the Capital Improvements Program. Once the Budget is adopted, this department is responsible for entering it into the accounting system, including any subsequent amendments. They then administer the Budget, prepare monthly finance reports, and work with the auditor on the annual outside audit. This department is also responsible for all investments, debt management, bank reconciliations, paying all invoices, payroll processing, and fixed assets.

Full-Time Employees by Fiscal Year				
FY 2021: 7	FY 2022: 7	FY 2023: 7	FY 2024: 7	FY 2025: 7

**STATEMENT OF SERVICE**

The mission of Financial Administration is to provide superior customer and financial services with integrity for the enhancement of the City and the community. Financial Administration is responsible for the accounting and financial reporting of all City operations.

GOALS	FY 2024 STATUS	FY 2025 PROJECTED
<b>FY 2024</b>		
1. To review and revise the city's budget practices to ensure that the city continues to receive the Distinguished Budget Presentation Award from the Government Finance Officers Association and to strive for special recognition for policy communication.	Ongoing	Ongoing
2. Written operational procedures for all financial activities to include: Accounts Payable, Payroll and Bank Reconciliations, and Fixed Asset Management.	In Process	Complete
3. To continue to receive the certificate of excellence in financial reporting from GFOA.	Ongoing	Ongoing
4. Participate in GFOA's Popular Annual Financial Reporting Awards Program (PAFR).	Ongoing	Ongoing
5. Cross train finance staff.	Ongoing	Ongoing
6. Prepare and administer a fiscally conservative operating and capital budget that stay within available resources. Build up the reserve funds to the targeted level in each fund.	Ongoing	Ongoing
7. Prepare accurate monthly financial reports for the governing body and management, so that decision-makers have timely financial information.	Ongoing	Ongoing
8. Obtain an unqualified (clean) audit opinion, and prepare the Annual Comprehensive Finance Report.	Ongoing	Ongoing
<b>FY 2025</b>		
9. Research and possibly implement Electronic Accounts Payable Procedures.	In Process	Complete
10. Have two members of the Finance Staff complete Level One Certification through the Carl Vinson Institute of Government.	In Process	Complete
11. Update the Budget Preparation Manual	Complete	Ongoing
12. Review and update all Financial Policies	In Process	Complete
13. Hold a training class on Budget Preparation for Departments	Complete	Ongoing

**OBJECTIVES FOR FISCAL YEAR 2025**

1. Distribute monthly financial reports by the 10th working day of the month.
2. Continue staff professional and technical development.
3. Earn the Distinguished Budget Award from the Government Finance Officers Association's (GFOA) Distinguished Budget Award
4. Calculate and distribute payroll payments to City employees and ensure that payroll tax liabilities are paid in a timely manner.
5. Maintain current inventory of fixed assets.
6. Prepare the Annual Comprehensive Financial Report (ACFR) within 180 days of fiscal year end.
7. Prepare the Popular Annual Financial Report (PAFR) within 180 days of fiscal year end.
8. Earn the GFOA Award for Outstanding Achievement in Popular Financial Reporting for the City's PAFR.
9. Earn the GFOA Certificate of Achievement for Excellence in Financial Reporting for the City's ACFR.
10. Continue to reduce the outstanding debt of the City, while incurring only a limited amount of new indebtedness.
11. Continue to monitor internal controls so that all funds are properly received and accounted for.
12. Monitor compliance closely on the procurement card process.
13. Audit the hotel/motel operators every three years to assure compliance with the hotel/motel tax.

**OBJECTIVES FOR FISCAL YEAR 2025**

- To provide comprehensive programs, education, information, and problem resolution to employees, retirees, dependents, and the City to anticipate and meet their needs, attract and retain employees, optimize health and productivity, and maximize cost effectiveness.
- To promote a diverse workforce by providing training, guidance, reasonable accommodations, assessments, and investigation of complaints to departments, employees, and applicants to foster a productive work environment free of discrimination and harassment.
- To promote, and foster individual and organizational effectiveness by developing and offering an array of innovative and diverse programs in support of the organization's commitment to employee development and organizational enrichment.
- To promote a high quality work force and collaborative relationships between management and employee organizations by providing training and guidance on managing performance, conduct issues, and contract interpretation, resolving complaints at the lowest level, and by negotiating timely and fiscally responsible agreements.
- To collaborate with City departments to protect financial stability and promote safe practices by managing and administering insurance programs and providing education and training to ensure the health and welfare of all employees and the public we serve.
- To provide innovative, responsive, fair and consistent recruitment, and selection services to City departments, employees, and job applicants to ensure the City employs a qualified and diverse workforce that delivers essential services to the public.
- To provide and monitor a competitive and fair compensation system and maintain a standardized and equitable classification system which defines the scope and nature of job assignments, provides ongoing updates of classification specifications, differentiates between work assignments, identifies job expectations, and supports career development options which enables the City to hire and retain qualified employees.
- To promote individual and organizational excellence by providing responsive and innovative leadership, financial, Information Technology, Human Resource Systems, and support services for City employees, departments, community partners, and the public.

**DEPT - 1570 - PUBLIC INFORMATION**

This department includes the Public Affairs Manager. The Public Affairs Manager serves as a communications liaison for the City. The Public Affairs Manager ensures City employees and the residents, customers, business owners, and visitors of Statesboro are informed of current information and events through the leveraging of the City's communications channels and local media.

<u>Full-Time Employees by Fiscal Year</u>				
FY 2021: 1	FY 2022: 1	FY 2023: 1	FY 2024: 1	FY 2025: 1

**STATEMENT OF SERVICE**

The Public Affairs Manager supports the city's mission to be a transparent and accessible government through the distribution of timely, accurate, and relevant information.

GOALS	FY 2024 STATUS	FY 2025 PROJECTED
<b>FY 2024</b>		
1. Make public meetings and events more accessible to citizens through live broadcasts, social media posts, website updates, and media relations.	Ongoing	Ongoing
2. Cultivate and maintain rapport with local media.	Ongoing	Ongoing
3. Improve and expand internal employee communications.	Ongoing	Ongoing
4. Create a 3-year Strategic Communications Plan for implementation during 2024 to 2026.	Complete	
<b>FY 2025</b>		
1. Oversee the redesign of the city's website.	N/A	Complete by Dec. 2024
2. Conduct a communications preference survey of residents and business owners.	N/A	Complete by June 2025

**OBJECTIVES FOR FISCAL YEAR 2025**

- Continue to improve and innovate how content is distributed via the City's communications channels through training and with new equipment.
- Establish and maintain relationships on behalf of the City with local media outlets through writing news releases and responding to requests for information.
- Provide effective and frequent communication with City of Statesboro employees through a variety of mediums including newsletters, email campaigns, video messages and more.
- Ensure that essential City information and news is easily accessible.
- Foster meaningful and helpful two-way communication between the City and its external audiences/stakeholders.

**FUND - 100**

**DEPT - 1575 - ENGINEERING**

The City Engineer provides administrative responsibility over the Engineering Division and serves as the chief engineer for the City providing technical engineering assistance to the Director, City Manager, Assistant City Manager, and other departments as needed. The Engineering Division is primarily funded through the City's General Fund. Capital Projects are funded from the Capital Improvements Program Fund, SPLOST, and TSPLOST Funds.

**Full-Time Employees by Fiscal Year**  
 FY 2021: 4.5 FY 2022: 4.5 FY 2023: 4.5 FY 2024: 4.5 FY 2025: 4.5

**STATEMENT OF SERVICE**

The Engineering Division is responsible for roadway design, administering the City's streets repaving and striping program (including LMIG), performing traffic engineering studies and related improvements, performing subdivision and commercial development plan reviews, maintaining the landfill's post-closure compliance with EPA and EPD rules and regulations, development of transportation plans and priorities, construction inspection of City projects, and maintains the records and maps for the Eastside, administers and enforces the Driveway Standards and Policies and issues right of way encroachment permits. In addition, the City Engineer has oversight for multiple City ordinances.

GOALS	FY 2024 STATUS	FY 2025 PROJECTED
<b>FY 2024</b>		
1. Resurface approximately 5 miles of City streets	Design	Complete
2. SR67/73 Fair Rd & S. Main Intersection Improvements	Design	ROW Acquisition
3. W. Main St./Johnson St./MLK Dr. Improvements	Design	ROW Acquisition
4. W. Main Street (College St. to MLK Dr. Drainage Improvements)	Complete	
5. Implementation of a Limited Transit System	Complete	
6. N. College St. Sidewalk from Proctor St. to Hwy 80	Under Construction	Complete
7. E. Grady Street Sidewalk from S. Main Street to Mulberry Street	Under Construction	Complete
8. S. College St. Sidewalk, W. Jones to W. Brannen St.	Design	Under Construction
9. N. Zetterower Ave. Sidewalk from Hill St. to Hwy 80	ROW Acquisition	Complete
<b>FY2025</b>		
1. Resurface approximately 5 miles of City streets	Design	Complete
2 Construct 2 miles of Sidewalk	Design	Complete
3. SR 67/ Fair Road Right Turn Lane	Design	ROW Acquisition
4. Blue Mile Phase II	Design	ROW Acquisition
5. West Main Streetscape	Design	Construction
6. Max Lockwood Reconstruction	Design	Construction
7 Cawana Road @ Brannen Street and S&S Railroad Bed	Design	Construction
8 Anderson Street Drainage and Paving	Design	Construction

**OBJECTIVES FOR FISCAL YEAR 2025**

1. Improve vehicular and pedestrian safety.
2. Maintain roads in accordance with applicable standards for resurfacing, striping, and traffic control devices.
3. Implement TSPLOST Initiatives and projects.
4. Utilize and continue to develop the pavement preservation (Road Rating) program to maintain City streets in an efficient and equitable manner.
5. Continue to develop and expand the City's sidewalk, Trail, and Bike Lane network.
6. Continue to meet with developers at the beginning of projects so that they have a clear understanding of development standards before detailed design begins.
7. Ensure that proposed developments are built according to City standards and do not negatively impact traffic.
8. Continue to inspect all new residential and commercial infrastructure installations to ensure they are installed properly.

**DEPT - 2650 - MUNICIPAL COURT**

This department is headed by the Director of Finance. The department is responsible for the staff support to the Municipal Court Judge, preparing the court docket, entering all cases, notifying people of their docket time, and collecting all fines and forfeitures.

Full-Time Employees by Fiscal Year				
FY 2021: 3	FY 2022: 3	FY 2023: 3	FY 2024: 3	FY 2025: 3

**STATEMENT OF SERVICE**

The mission of the Municipal Court is to provide those that we serve with high quality customer service that is effective, efficient, and delivered in a professional environment, while accomplishing the duties incumbent on it by the City Charter and the laws of the State of Georgia, thereby maintaining the public's respect, confidence, and satisfaction. The Municipal Court is responsible for:

- Processing all citations handled through the Court.
- Providing assistance to the Judge, attorneys and defendants during each session of the Court.
- Providing assistance to the Solicitors, who are responsible for the prosecution of all misdemeanor, traffic, animal control, and local ordinance violation cases.
- Maintaining and preparing all of the Municipal dockets.
- Recording the disposition of each case.
- Receiving all court documents and defendant correspondence, as well as, collecting fines, balancing and closing of accounts.

GOALS	FY 2024 STATUS	FY 2025 PROJECTED

**FUND - 100 DEPT - 3210 - 3215 - 3223 - POLICE DEPARTMENT**

The department head is the Chief of Police. Police headquarters is located at 25 West Grady Street. The police department is a full service law enforcement agency with an authorized strength of 79 sworn personnel and an additional 20 support staff (1 part time) including dispatchers and administrative specialists. The police department responds to calls for service, investigates crimes, and enforces traffic laws. The police department has three distinct bureaus: Administration, Operations, and Patrol. The Department website is full of information, and citizens can access public police reports, file a non-emergency report, and research criminal activity through our Crime Map.

**Police Department Overall Structure**

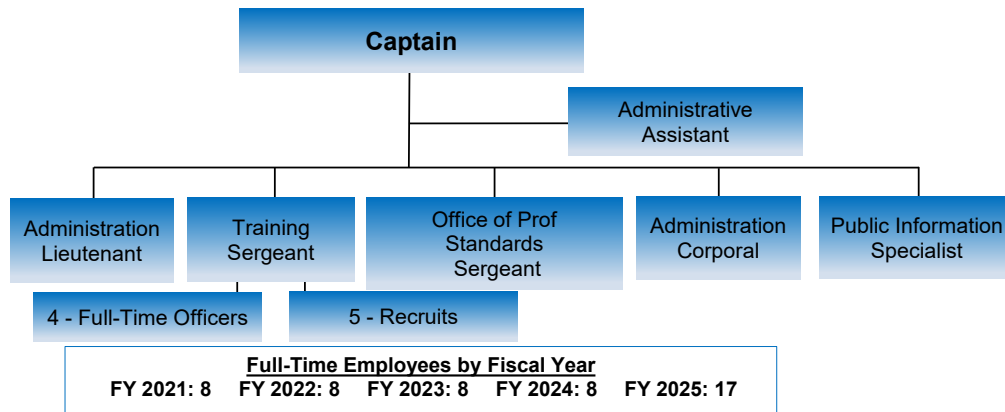

**STATEMENT OF SERVICE**

The department operates under the community policing concept, which stresses involvement with the community, and placing resources where they are most needed. It also stresses trying to remove the root causes of crime and neighborhood deterioration utilizing problem oriented policing. The department is structured with three Bureaus: Administration Bureau, Operations Bureau, and Patrol Bureau.

**FUND - 100 DEPT - 3210 POLICE ADMINISTRATION**

The Police Administration Bureau funds the Police Department's Administration Bureau as well as operational costs that are not tied to a specific Bureau.

**Administration Bureau**

**STATEMENT OF SERVICE**

The Administration Bureau includes the Office of the Chief of Police. The Administration Captain leads the staff assigned to the Administration Bureau, including the Administration Lieutenant, Training Sergeant, Professional Standards Sergeant, Administration Corporal, Public Information Specialist, and the Administration Bureau Administrative Assistant. Additionally, the overall police department budget is coordinated through the Administration Bureau. The Lieutenant assigned to this Bureau coordinates the department's policies and efforts for State Certification along with other tasks such as permitting and special events planning. Recruiting and Internal Affairs are handled by the Professional Standards Sergeant, and the Training Sergeant coordinates and plans all department training. The Public Information Specialist coordinates all official messaging from the police department, and coordinates with all media inquiries. The position of Administration Corporal assists the Sergeants assigned to Training and Professional Standards with the roles assigned to their respective specialties.

<b>FY 2025</b>		
1. Positively address the imbalance between attrition rate and hiring	In-Process	In-Process
2. Maintain State Certification.	Ongoing	Ongoing
3. Continue professional development of department employees.	Ongoing	Ongoing
4. Provide two regularly scheduled in-house training days each month.	Ongoing	Ongoing
5. Provide a professional response to all citizen initiated complaints on staff.	Ongoing	Ongoing

**OBJECTIVES FOR FISCAL YEAR 2025**

1. Continue to research new methods that will streamline our hiring process to cycle in new candidates and continue aggressive recruiting efforts through the Information Specialist and social media
2. Ensure departmental policies and procedures follow the standards set forth by the Georgia Law Enforcement Certification Program by constant review and obtaining proofs.
3. Enroll employees in the programs that will achieve GA POST Career Development certifications as well as the Professional Management Program and Command College.
4. Training will focus on basic fundamentals, while developing new officers and ensuring vetrans officers are challenged to grow.
5. Resolve and track all citizen complaints on staff, while providing training to all supervisors on the complaint process.

**PERFORMANCE MEASURES**

**FUND - 100**

**DEPT - 3215 - POLICE DEPT. OPERATIONS**

The Police Department Operations Bureau funds the Detective Section, K-9 Section, Evidence Custodian/Crime Scene Technician, Dispatch Section and Records Section.

Full-Time Employees by Fiscal Year				
FY 2021: 26	FY 2022: 30	FY 2023: 31	FY 2024: 31	FY 2025: 32

**STATEMENT OF SERVICE**

The Operations Bureau is comprised of the Detective Section, K-9 Section, Evidence Custodian/Crime Scene Technician, Dispatch Section and Records Section. The Detective Section is responsible for in-depth investigation of crimes in order to build successful cases for prosecution. The K-9 Section is responsible for drug detection and tracking in support of the entire agency. The Evidence Custodian/Crime Scene Technician is a Detective responsible for the management of the evidence room and processing of major crime scenes. The Communications Section is responsible for receiving and dispatching calls for service, as well as keeping track of officer locations and activities throughout their shift. The Records Section is responsible for records retention, records processing and records requests as well as front counter reception.

GOALS	FY 2024 STATUS	FY 2025 PROJECTED
<b>FY 2025</b>		
1. Decrease the number of violent crimes through proactive patrol techniques, investigation and effective prosecution.	Ongoing	Ongoing
2. Increase training opportunities for all bureau personnel.	Ongoing	Ongoing
3. Improve the quality of life for the community through proactive investigation of gang, narcotic and violent crimes.	Ongoing	Ongoing
4. Fulfill all open records and discovery requests.	Ongoing	Ongoing

**OBJECTIVES FOR FISCAL YEAR 2025**

1. Utilize K-9 Section to better support the operations of all Bureau's of the Agency.
2. Provide additional training and support to all Operations Bureau Personnel.
3. Provide professional dispatch and communication services for SPD and SFD.
4. Utilize Detective Section to increase clearances on violent and gun-related crimes.
5. Fulfill 100% of the open records and discovery requests in the time frame allowed in Georgia Statutes.

**Full-Time Employees by Fiscal Year**  
 FY 2021: 58 FY 2022: 58 FY 2023: 59 FY 2024: 59 FY 2025: 49

**STATEMENT OF SERVICE**

The Patrol Bureau is the largest and most visible bureau in the police department. The uniformed officers of the Patrol Bureau are the primary responders to emergency incidents, handle the vast majority of the calls for service, as well as providing preventive patrols and traffic enforcement. This Bureau is commanded by a Captain, who is assisted by two lieutenants. The lieutenants each supervise a “watch” which consists of three patrol shifts, each led by a sergeant. Officers work four ten hour shifts each week, and between the six patrol teams, they provide 24 hour a day, seven day a week coverage. The Bureau also has one School Resource Officer (SRO) at Statesboro High School as well as two officer “Sweepers” who supplement the patrol shifts by covering details such as court bailiff, out of town prisoner transports, first appearance hearings and other functions. The SRO as well as the “Sweeper” officers fall under the direction of the Community Relations Sergeant. 2024 saw the creation of the Crash Reduction Unit, which consists of two officers who are dedicated to full time traffic crash response and enforcement. These two officers also fall under the Community Relations Sergeant.

GOALS		FY 2023 STATUS	FY 2024 PROJECTED
<b>FY 2024</b>			
1. Improve operational efficiency and effectiveness throughout the bureau by standardizing and streamlining processes when possible.		Ongoing	Ongoing
2. Increase officer engagement with the community through more proactive problem solving efforts		Ongoing	Ongoing
3. Develop future patrol leadership through early identification and mentorship		Ongoing	Ongoing
4. Bolster recruiting efforts and focus on officer retention within the Patrol Bureau		Ongoing	Ongoing
<b>FY 2025</b>		<b>FY 2024 STATUS</b>	<b>FY 2025 PROJECTED</b>
1. Focus on Officer Retention		Ongoing	Ongoing
2. Implement Attributes of Effective Patrol Based Policing		Ongoing	Ongoing
3. Develop Future Leaders		Ongoing	Ongoing

**OBJECTIVES FOR FISCAL YEAR 2025**

1. Develop career-track plans for each officer.
2. Create a shared focus on proactive criminal and traffic enforcement.
3. Identify officers who hold informal leadership roles and help them prepare to take on formal leadership positions.
4. Create more opportunities for decision making to take place at the line level.

**FUND - 100 DEPT - 4100 - PUBLIC WORKS ADMINISTRATION**

The Public Works Administration division includes the Director of Public Works & Engineering, the Assistant Director of Public Works, the Administrative Assistant to the Public Works Division, and the Keep Statesboro Bulloch Beautiful Coordinator. The Department is made up of the following divisions: Public Works Administration Division, Engineering Division, Stormwater Division, Parks Division, Streets Division, Solid Waste Collection Division, Solid Waste Disposal Division, and Fleet Maintenance Division. The Public Works Administration Division, Engineering Division, Parks Division and Streets Division are primarily funded through the City's General fund. The Stormwater Division, Solid Waste Collection Division, Solid Waste Disposal Division, and Fleet Maintenance Division operate as Enterprise Funds. Capital projects and equipment purchased by the Department are funded by the Capital Improvements Program Fund, Enterprise Funds, SPLOST Funds and TSPLOST Funds.

**STATEMENT OF SERVICE**

The Street Division is responsible for the maintenance of city streets, rights of ways, and easements. The Division performs pothole patching, crack sealing, street striping, repairing of utility cuts, traffic signal maintenance, street sign maintenance, right of way tree maintenance, sidewalk repair, right of way mowing and other related work. Large projects are typically contracted out, as the division is primarily staffed for minor maintenance only. The Division is also tasked with operating the City's mosquito abatement program. The division's operating budget is within the General Fund. Capital projects are in the CIP Fund, SPLOST and TSPLOST Funds.

	GOALS	FY 2024 STATUS	FY 2025 PROJECTED
<b>FY 2025</b>			
	1. Maintain the public rights of ways and drainage systems for compliance with standards and proper function.	Ongoing	Ongoing
	2. Improve communication with public to improve service delivery and response time.	Ongoing	Ongoing
	3. Update city tree inventory database to identify and mitigate hazardous trees in city rights of ways.	Ongoing	Ongoing
	4. Update city sign inventory database to identify and mitigate substandard and non-retroreflective signs in city rights of ways.	Ongoing	Ongoing

**OBJECTIVES FOR FISCAL YEAR 2025**

1. Prioritize repairs and maintenance to promptly correct known safety hazards and identify potential safety hazards.
2. Improve the quality of work to ensure repairs are completed promptly and efficiently.
3. Improve Public Works webpages and explore additional forms of communication to provide public with a resource to report street and drainage deficiencies and track complaints received.
4. Utilize the work order system to evaluate all complaints the same day received, perform timely corrective action, and provide prompt response to the complainant.
5. Assist the City Engineer in identifying streets needing resurfacing, restriping or major improvement.
6. Assist the needs of other city departments as requested to maintain fiscal responsibility for the City.

**STATEMENT OF SERVICE**

The Parks Division is responsible for maintenance of the Eastside cemetery, McTell Trail, Rev. Julius Abraham Trail, Triangle Park, Renaissance Park, Edgewood Park, Downtown Dog Park, City owned greenspaces, City facility grounds, and trees and other plantings in traffic islands. Cemetery lot sales are handled by the City Engineers' Office. The Parks Division operating budget is within the General Fund. Capital projects are in the CIP Fund and SPLOST Fund.

<b>FY 2025</b>	<b>GOALS</b>	<b>FY 2024 STATUS</b>	<b>FY 2025 PROJECTED</b>
	1. Maintain and improve the Cemetery and various public grounds to enhance the City's appearance and quality of life.	Ongoing	Ongoing
	2. Provide additional landscape features that promote environmental stewardship.	Ongoing	Ongoing

**OBJECTIVES FOR FISCAL YEAR 2025**

1. Provide seasonal landscaping, pruning, and flower planting per yearly planting schedule.
2. Maintain landscaping in an efficient and effective manner to reduce environmental impacts.
3. Improve landscape irrigation in a manner that fosters water conservation.
4. Explore ways to educate the public regarding best management landscaping practices for environment stewardship.
5. Identify and remove hazardous trees in City Parks & greenspaces and replant with new trees.

<b>FY 2021: 2</b>	<b>FY 2022: 2</b>	<b>FY 2023: 2</b>	<b>FY 2024: 2</b>	<b>FY 2025: 2</b>

**STATEMENT OF SERVICE**

The Inspections Division is responsible for performing building, plumbing, electrical, HVAC, and ADA inspections on all residential and commercial and industrial construction within the City to ensure they are in compliance with applicable building codes. The division also assists the Director of Planning and Development in ensuring that buildings meet the applicable Zoning Ordinance provisions, such as front, side and rear setbacks, driveway aprons, and adequate parking.

	<b>GOALS</b>	<b>FY 2024 STATUS</b>	<b>FY 2025 PROJECTED</b>
<b>FY 2024</b>			
1.	Properly maintain the Local Building Code Board of Appeals.	In Progress	In Progress
2.	Attend at least 4 Home Builder Association Meetings.	In Progress	In Progress
3.	Present code updates to Home Builders Association.	In Progress	In Progress
4.	Building Official or Building Inspector become certified in at least one new area.	Building Inspector 1	Building Inspector 2 and Building Official 1
<b>FY 2025</b>			
1.	Building Official or Inspector to attend annual BOAG conference.	1	1

**OBJECTIVES FOR FISCAL YEAR 2025**

1. Continue improving/updating inspection process.
2. Explore public education and outreach opportunities.
3. Utilize new permitting software.
4. Ensure that residential and commercial projects are in compliance with applicable building, plumbing, electrical and mechanical codes.

**FUND - 100**

**DEPT - 7400 - PLANNING AND DEVELOPMENT**

This division has three (3) primary functions: community and economic development; permitting services; and planning services. The division is staffed by the Director, one Planning and Housing Administrator, two City Planners and one Administrative Assistant.

**STATEMENT OF SERVICE**

The Planning & Development division for the City of Statesboro is primarily responsible for all Community and Economic Development functions of the City as well as project management related to building permit applications. The Division is also responsible for all long term planning activities involving the City and Code Compliance Division.

The Economic Development function of the Division concentrates on providing excellent customer service for all economic development projects and land use permits issued within the City's boundaries and for those properties wishing to annex into the City's jurisdiction. Essential tasks of the City Planners include managing land use projects from concept to completion, providing project management services between the customer and the Citywide Development Team, as well as providing one stop permitting services for the customer. Additionally, the team works with sources to provide local economic market data, marketing materials, and additional assistance in attracting, retaining, and growing commercial enterprise within the City. Planning & Development is committed to working with staff, developers, citizens, and economic development professionals to ensure that the City of Statesboro is an excellent place to do business! This team also reviews, issues permits and approvals independent of building permit projects. We work with other City Departments in the review of permits and license applications. We serve as the staff liaison with other community partners important to local economic development, including the Chamber of Commerce, Georgia Southern University, East Georgia State College, the Bulloch County Development Authority, the Downtown Statesboro Development Authority, the Statesboro/Bulloch County Convention and Visitor's Bureau, and the Statesboro Planning Commission.

The Planning and Development function of the Department provides services in grant applications, management, and project delivery. Community Development also works to bring additional amenities and quality of life attributes to economic development and planning functions of the Department. Specifically through ordinance and policy recommendations that achieve the vision of the economic development and planning goals of the City of Statesboro. As a part of this function, the Division also administers the City Housing Rehabilitation program.

The Planning function of the Division refers to a variety of short and long range planning, strategic planning activities, and associated implementation services engaged in by the Department. We are charged with ensuring that the City fulfills the requirements of all federal, state, and regional mandates regarding long range planning and implementation. Additionally, we participate in state required development reviews; and participation, review and compliance with all federal, state, and regional plans that impact the City. The Department initiates and participates in a variety of jurisdiction specific planning projects aimed at delivering short and long term strategies and policy recommendations to achieve sustainable and quality growth within Statesboro.

	GOALS	FY 2024 STATUS	FY 2025 PROJECTED
<b>FY 2024</b>			
1.	Update Department website.	Ongoing	Ongoing
2.	Continued Community engagement in local economic development associations.	Ongoing	Ongoing
3.	Renew Urban Redevelopment Plan.	Ongoing	Complete
<b>FY 2025</b>			
1.	Update Comprehensive Plan.	Ongoing	Complete
2.	Complete Comprehensive Housing Study.	Complete	
3.	Revise City's zoning ordinance.	Complete	Complete
4.	Establish and Coordinate Land Bank Authority.	Ongoing	Ongoing
5.	Establish and Administer Housing Rehab Program.	Ongoing	Ongoing

**OBJECTIVES FOR FISCAL YEAR 2025**

1. To effectively lead teams of city staff, developers, and citizens to produce suggested amendments to the Statesboro Zoning Ordinance and Zoning Map.
2. To continue to develop relationships with development entity partners such as Bulloch County, the DSDA, SCVB, Chamber of Commerce, GSU, OTC, EGSC, Board of Education, and others and to work together toward joint strategic planning and partnerships.
3. Implement Downtown Master Plan.
4. To manage and/or participate in all long term and strategic planning involving or impacting the City of Statesboro: including land use,
5. To continue active staff engagement in community organizations especially those related to planning and economic development, such as the Statesboro Homebuilders Association, Habitat for Humanity, the Statesboro Area Apartment Association
6. To continue development of strong and positive working relationships with the development community; and to encourage quality and sustainable growth for the City of Statesboro at its determined standard of development.
7. To provide courteous, timely and accessible customer service to customers and applicants to positively represent the City of Statesboro in economic and community development opportunities, encourage needed development, and provide timely and consistent permitting
8. Provide consistency in interpretation and application of development ordinances and in permitting processes.
9. To manage general economic and community development and engagement activities on behalf of the City of Statesboro.
10. To ensure City compliance with all federal, state, and regional planning activities and mandates.
11. To manage land use development and revise the Statesboro Zoning and Subdivision Ordinances.
12. To continue to monitor current and long term land use and economic development needs; including residential and commercial and identify and recommend appropriate methods of meeting those needs within the City of Statesboro.
13. To participate in the development and/or review of any planning efforts that will impact economic development, and/or land use within the
14. To manage building permit projects & the City's "One Stop Shop" permitting activities.

**FUND - 100** **DEPT - 7450 - CODE COMPLIANCE**

The Code Compliance Division of the Planning & Development Department serves an important role in land use, development, and public safety as it works with property owners to maintain and comply with the city's ordinances to ensure that the public's safety, welfare, and health are maintained and that investments in property, development, and growth within the City are protected. Code Compliance officers respond to request for services and complaints of violations as well as conduct pro-active patrols of the city, and self initiate compliance and enforcement actions with a determined focus on violations that jeopardize the health, safety, welfare, or investments of the citizens of Statesboro.

Full-Time Employees by Fiscal Year				
FY 2021: 2	FY 2022: 2	FY 2023: 2	FY 2024: 2	FY 2025: 2

**STATEMENT OF SERVICE**

The Code Compliance Division of the Planning & Development Department is dedicated to protecting the public health, safety, welfare, and investment in property through effective code compliance efforts.

GOALS		FY 2024 STATUS	FY 2025 PROJECTED
<b>FY 2024</b>			
1. Utilize new permitting software.		Ongoing	Ongoing
2. Target Dilapidated Structures.		30	30
<b>FY 2025</b>			
1. Target Dilapidated Structures.		30	30
2. Community Education		6	6
3. Gradually Roll-Out IPMC Code.		Complete	Complete

**OBJECTIVES FOR FISCAL YEAR 2025**

1. To provide effective and efficient enforcement of city ordinances regarding the public health, welfare, and safety with a determined focus on health and safety hazards and the removal of dilapidated structures.
2. Proactively and continuously patrol the City for code compliance issues with a determined focus on enforcing matters of significance particularly those impacting public health and safety.
3. To continue to strengthen the implementation of the International Property Maintenance Code (IPMC) regarding dilapidated structures.
4. To treat situations while respecting the specific needs of each issue.
5. To participate in development related reviews for properties seeking City permits or licenses and ensure that those properties are compliant with municipal ordinances prior to issuance of licenses or permits.
6. To effectively lead a Code Task Force - an interdepartmental team of City staff dedicated to respond more effectively to issues such as blight, distressed, damaged, or dilapidated properties, and/or other significant issues whose existence negatively impact property values, discourages private investment, and/or jeopardizes the public health, safety, and welfare of the citizens of Statesboro.
7. To effectively partner with private homeowner neighborhood groups and property managers to assist their efforts in maintaining and strengthening their neighborhoods by providing guidance, enforcing City codes, and partnering with and leading other City departments to assist in these private efforts where appropriate.
8. To present appropriate amendments and additions to City Ordinances for staff and council consideration where such amendment or addition would serve to aid in the protection of the public's safety and health.
9. To continue to improve operational practices for efficient and effective service delivery, both in customer service and intra-departmental coordination and work.
10. To establish a code reporting system that will track cases, track response effectiveness, timeliness, and officer work load.

**FUND - 100**

**DEPT - OTHER AGENCIES**

The City provides partial funding for several outside agencies. This section of the General Fund finances those appropriations. Among the agencies that receive funding from the City of Statesboro are the Emergency Management Agency, the Boys and Girls Club, the Drug Abuse Council, the Statesboro Arts Council, the Downtown Statesboro Development Authority, and the Ogeechee Railroad for rental of space for downtown parking.

## 210 Confiscated Assets Fund

**FUND - 210 - CONFISCATED ASSETS FUND**

**DEPT - 3200**

This fund accounts for funds seized for possible illegal activity. Once the court adjudicates the case, the money is either released back to the individual, or is forfeited. In some cases, some of the funding goes to the Bulloch County Clerk of Court, and some is turned over to the City. Those funds turned over to the City are used exclusively to support the Police Department, usually with the purchase of additional equipment. This helps supplement the normal capital budget for the department.

The amounts seized can fluctuate significantly from year to year. The Budget assumes a normal year. Should a larger amount become available during the fiscal year, the City Council could adopt a Budget Amendment authorizing more equipment purchases for the department.

**EXPENDITURES SUMMARY**

## 213 Opioid Settlement Fund

**FUND - 213 - OPIOID SETTLEMENT FUND** **DEPT - 3200-POLICE, 3500-FIRE**

In February 2021, Georgia joined in on a settlement with McKinsey & Company and received a settlement award of \$13M. The Governor allocated these funds to the Dept. of Law, the Dept. of Behavioral Health and Developmental Disabilities, and the Dept. of Public Health to combat opioid misuse in the state. The funds will be utilized to expand Medication Assisted Treatment (MAT) availability, increase detoxification service capacity, promote stigma reduction, increase access to naloxone for emergency service providers, and expand training on naloxone to community providers.

In January 2022, Georgia opted into opioid litigation brought by states and local subdivisions against the three largest pharmaceutical distributors-McKesson, Cardinal Health, and AmerisourceBergen-and manufacturer Janssen Pharmaceuticals, Inc. and its parent company Johnson & Johnson. Georgia will receive a combined \$636M from these settlements, known as the National Distributor Settlement and Janssen/J&J Settlement, respectively. The National Distributor Settlement funds will be disbursed on an 18-year plan, while the Janssen/J&J Settlement funds will be disbursed on a 9-year plan.

## 221 CDBG Housing Fund

**FUND - 221 - CDBG FUND****DEPT - 7400 - PLANNING AND DEVELOPMENT**

This fund accounts for the receipt and disbursement of the Community Development Block Grant (CDBG) for the infrastructure, and the Community Housing Improvement Program (CHIP) Grant to build houses, that was awarded to the City to develop Statesboro Pointe Subdivision. This is a 25-lot subdivision that the City created to provide low- and moderate-income citizens the opportunity for homeownership. Currently, the subdivision infrastructure is completely installed and twenty-five houses have been constructed and sold. The original plan was for the City to use the proceeds to construct houses, sell them, and repeat this process until all 25 homes had been built and sold. Then, the CHIP funding would continue as a Revolving Housing Loan Fund to finance additional homes that the City could build on individual lots it had acquired.

The City had experienced difficulty in getting some potential buyers bank-qualified for conventional loans. At the same time, Habitat for Humanity of Bulloch County, Inc. had a waiting list of potential homebuyers, but had difficulty in obtaining reasonably priced building lots. Since Habitat finances its own mortgages at zero interest, the bank qualification process is not an issue for their buyers. The City had 21 remaining lots in Statesboro Pointe, and in late May, 2003, partnered with Habitat; and had the Georgia Department of Community Affairs amend its two grant awards to allow the City to provide these lots as needed to Habitat through the Statesboro—Bulloch County Land Bank Authority at reduced market rates or in some cases, no cost. In addition, DCA authorized the City to loan Habitat up to \$15,000 per house from the CHIP Grant Revolving Loan Fund, to be repaid at no interest as the Habitat mortgage is repaid over 20 years. This has made it less expensive for groups wanting to build a Habitat house as they will have to provide \$15,000 less in upfront money for supplies and materials. This has spurred development of these houses at a faster pace, and has assisted Habitat in getting more volunteers. We believe it is an excellent partnership to address low-income housing in Statesboro.

To date, the City has given the Land Bank Authority three lots at no cost, to be provided to Habitat. In addition, the City has sold twenty-two lots to the Land Bank Authority for \$5,000 each, which in turn were sold to Habitat for the same price. Statesboro Pointe has been built out. It is anticipated that the City and Habitat will partner on still other subdivisions, as the CHIP Grant funds will constitute a Revolving Housing Loan Fund that is replenished monthly as the loans to previous homebuyers are repaid into this CDBG Fund. This fund will be the repository of the Revolving Housing Loan Fund.

The information in this Budget is for informational purposes only. Anyone wishing to participate in this housing program is encouraged to contact Kathy Field, Director of Planning and Development, at 764-0692, or Habitat for Humanity at 489-2076.

## 250 Multiple Grant Fund

**FUND - 250 - MULTIPLE GRANT**

This fund accounts for receipts and disbursements for small state and federal grants that individually are less than 2% of the General Fund's annual expenditures. Based upon this Budget, that amount would be for any grant below \$506,800 that is not accounted for in an existing fund.

Should capital grants not budgeted here be received that are below the threshold, this fund would be amended to include both their revenues and expenditures.

## 270 Statesboro Fire Service Fund

**FUND - 270 - STATESBORO FIRE SERVICE FUND**

**DEPT - 3500**

This department is headed by the Fire Chief who is located at Station One on West Grady Street which also serves as the administrative office, and Station Two is located on Fair Road. The department offers a full range of fire suppression, hazmat, vehicle and technical rescue, fire and life safety code management and fire safety education services.

Full-Time Employees by Fiscal Year				
FY 2021: 50	FY 2022: 63	FY 2023: 75	FY 2024: 75	FY 2025: 75

**STATEMENT OF SERVICE**

The department operates with 75 personnel, 69 of which are state certified as either firefighters or inspectors, 4 communications and two civilian administrative assistants. The department operates with three shifts with each shift working a 24-hour period providing the community with 24/7 -365 days per year coverage. This "24 on/48 off" schedule is considered the industry standard which provides 20 personnel on each shift with a minimum staffing of 17. Part-time firefighters are used to back-fill vacancies on shifts caused by vacation, sick and other leave. The administrative staff consists of a Fire Chief, Deputy Fire Chief, Assistant Fire Chief of Operations and Training, Fire Prevention Officer, Administrative Battalion Chief, Training Captain, Administrative Captain and two Fire Inspectors, who all work a typical 40-hour per week shift and are available for calls during those hours, as well as call-back on major fires.

Our two current station locations are equipped with five six pumpers, two aerial ladders, Command/Tactical Support unit, haz-mat unit and a Rehabilitation/Victim assistant unit. All units are radio dispatched by the Bulloch County dispatch center which operates an enhanced 9-1-1 telephone system. The Statesboro Police Department's Communication Center's dispatchers are utilized for operational communications. All firefighters have the capability to receive call-back notifications for major incidents. The department is actively involved in fire prevention. The Prevention Officer serves as the fire marshal, reviewing building plans for compliance with the Life Safety Code and the Fire Code. He/she works closely with the building official in the Engineering Department in the review of these plans. In addition, the department presents fire safety programs to hundreds of school children throughout the City of Statesboro and the Statesboro Fire District each year. The department has access to a Fire Safety House which is taken to schools, community events and other events throughout the City and fire district.

The department also covers, by Intergovernmental Agreement with Bulloch County, an area approximately five miles in circumference from each fire station, most of which is outside the City limits. This is known as the Statesboro Fire District and the residents of the district pay a fire district tax of 2.75 mills to the County, which remits it to the City. For the FY 2023, the fire district accounted for approximately 35% of the Statesboro Fire Department's operating budget. For this payment, they receive reduced response times and enjoy the same Class 2 ISO rating as citizens of the City. The number of personnel, upgraded equipment, emergency communications, and the City's water system has resulted in the City enjoying a Class 2 fire insurance rating.

GOALS		FY 2024 STATUS	FY 2025 PROJECTED
<b>FY 2024</b>			
1. Finish a fire station master plan to determine the number and location of future fire stations. Then, work cooperatively with Bulloch County to implement the changes as they become needed.	General areas/locations identified. Working to acquire land	Have construction of at least one station started	
2. Develop and implement cost recovery strategies to protect the fire district from material financial loss.	On-going	On-going	
3. Maintain our ISO Class 2 Rating.	Successful		
4. Expand and/or fully utilize existing technology to enhance the efficiency of fire department operations.	On-going	On-going	
<b>FY 2025</b>			
1. Begin process to construct Fire Station 3.	On-going	On-going	
2. Develop and implement recruitment and retention strategies for entry level positions.	On-going	On-going	
3. Ensure that all Divisions within the department are utilizing technology to enhance efficient service delivery.	On-going	On-going	

**OBJECTIVES FOR FISCAL YEAR 2025**

1. Continue to stress fire prevention through annual inspection of businesses.
2. Continue to stress fire prevention through visits to public and private schools within the fire district.
3. Continue to stress early detection of fire through distribution of residential smoke alarms.
4. Continue to properly train firefighters to stress safety in their work.
5. Continue to pursue grants as an alternative source of funding for needed capital items.
6. Expansion of FD Health & Wellness program focusing on mental health in efforts to meet the new NFPA standards

## 271 South Main Tax Allocation District (TAD)

**FUND - 271 - SOUTH MAIN TAX ALLOCATION DISTRICT FUND** **DEPT - 1500**

This fund accounts for the receipts and disbursements of the Tax Allocation District (TAD). The citizens of Statesboro approved the creation of the South Main Street Tax Allocation District on November 4, 2014. The objective of the TAD is to fund improvements in the South Main Street Tax Allocation District – the heart and soul of our community.

**EXPENDITURES SUMMARY**

## 272 Old Register Tax Allocation District (TAD)

**FUND - 272 - OLD REGISTER TAX ALLOCATION DISTRICT FUND DEPT - 1500**

This fund accounts for the receipts and disbursements of the Tax Allocation District (TAD). Three local government board, the City, the County and the BOE, approved the creation of the Old Register Tax Allocation District on August 6, 2018. The objective of the TAD is to fund improvements in the Old Register Tax Allocation District – specifically road construction and other infrastructure projects required for other commercial development. Since October 2022 to date, a soccer stadium, grocery store, and various restaurants have opened for business.

275 Hotel/Motel Fund

**FUND - 275 - HOTEL MOTEL TAX FUND**

**DEPT - 7540**

This fund accounts for the receipts and disbursements of the hotel/motel room occupancy tax. Since April, 2002, the City has had one-year Service Contracts with the SCVB, the Downtown Statesboro Development Authority (DSDA), and the Statesboro Arts Council (SAC) to promote tourism-related activities. The hotel/motel tax proceeds are distributed as follows under the contracts:

5%	City of Statesboro
19.90%	DSDA
25.10%	SAC
50.00%	SCVB

The proceeds are received from the hotel and motel operators monthly, and are distributed based upon the agreed percentages on a monthly basis as well. The current contract is effective from July 1, 2024 through June 30, 2025.

## 286 Technology Fee Fund

**FUND - 286 - TECHNOLOGY FEE**

**DEPT - 3200**

This fund accounts for fees collected from citations issued by the Police Department. Currently, the ordinance reads as **Section 78-10. Technology Fee**. There shall be imposed by the Municipal Court of the City of Statesboro, Georgia, a technology surcharge per offense for all offenses against the ordinances of the City of Statesboro or laws of the State of Georgia. The technology surcharge shall be in addition to all other fines and fees imposed by the Municipal Court. The revenue derived from the technology surcharge shall be used by the City to provide technical support for Law Enforcement and Municipal Court functions. This amendment shall become effective upon its approval by the Mayor and City Council of Statesboro, Georgia.

These fees are also used to supplement normal technical operating budget items for the Police Department. The amounts can fluctuate from year to year depending on several variables.

324 2018 TSPLOST Fund

**FUND - 324 - 2018 TSPLOST**

This fund is used to account for the receipts and disbursements of the City's portion of the 2018 1% Transportation Special Purpose Local Option Sales Tax. The Transportation Investment Act was enacted to improve a deteriorating transportation network in Georgia, which is important for economic growth and jobs.

On May 22, 2018, the voters of Bulloch County approved a referendum measure to impose this sales tax for transportation. The TSPLOST became effective October 1, 2018. The proceeds are disbursed pursuant to an intergovernmental agreement negotiated between the four City Councils and the County Commission prior to the referendum. Projects include street resurfacing, bike/pedestrian improvements, intersection improvements and a transit system.

325 2019 SPLOST Fund

**FUND - 325 - 2019 SPLOST**

This fund is used to account for the receipts and disbursements of the City's portion of the 2019 1% Special Purpose Local Option Sales Tax, and that portion of the tax used to finance the City/County joint Solid Waste Disposal Fund which the City administers. The SPLOST renewal will help fund City projects such as upgrading and expanding parks and greenways, police and fire vehicles and equipment, and solid waste vehicles and equipment.

On November 6, 2018, the voters of Bulloch County approved a referendum measure to continue imposing this tax for a period of six years upon the expiration of the 2013 SPLOST in September 2019. Since there is a two-month delay in receiving the new funds, receipt of the proceeds began in December, 2019. The proceeds are disbursed pursuant to an intergovernmental agreement negotiated between the four City Councils and the County Commission prior to the referendum.

This is not an additional tax, but an extension for six years of the 2013 SPLOST. This means that the sales tax rate in Bulloch County is at 8% - 4% State Sales Tax for the State of Georgia, 1% Local Option Sales Tax for the Board of Education, 1% Educational SPLOST for the Board of Education, 1% for the 2018 Transportation SPLOST and this 1% SPLOST for the County and four cities.

326 2023 TSPLOST Fund

**FUND - 326 - 2023 TSPLOST**

This fund is used to account for the receipts and disbursements of the City's portion of the 2023 1% Transportation Special Purpose Local Option Sales Tax (TSPLOST). The Transportation Investment Act was enacted to improve a deteriorating transportation network in Georgia, which is important for economic growth and jobs.

In the November 2022 election, the voters of Bulloch County approved a referendum measure to impose this sales tax for transportation. This 2023 TSPLOST began collections on October 1, 2023, upon expiration of the 2018 TSPLOST. Since there is a two-month delay in receiving the new funds, receipt of the proceeds began in December, 2023. The proceeds are disbursed pursuant to an intergovernmental agreement negotiated between the four City Councils and the County Commission prior to the referendum. Projects will include street resurfacing, bike/pedestrian improvements, intersection improvements and a transit system.

This is not an additional tax, but a continue of TSPLOST for transportation and will free up other revenue sources, such as the Special Purpose Local Option Sales Tax for other kinds of projects. This means that the sales tax rate in Bulloch County will be at 8% - 4% State Sales Tax for the State of Georgia, 1% Local Option Sales Tax for the Board of Education, 1% Educational SPLOST for the Board of Education, 1% SPLOST for the County and four cities and this 1% for the 2023 Transportation SPLOST.

341 CDBG – EIP Grant Fund

**FUND - 341 - CDBG-EIP GRANT****DEPT - 4400 - WATER/SEWER**

The Employment Incentive Program (EIP) is a financing program that may be used in conjunction with traditional private financing for economic development projects resulting in employment of low and moderate income persons. The City was awarded a CDBG-EIP (Employment Incentive Program) grant in the amount of \$750,000 for the construction of water and sewer improvements needed to serve Aspen Aerogels expansion. Aspen Aerogels is located in the Bruce Yawn Commerce Park within the unincorporated Bulloch County. The proposed project will have a private capital investment of at least \$ 325,344,500 and create 250 new, full-time jobs within twenty-four months.

344 Local Maintenance Improvement  
Grant (LMIG): Akins Boulevard

**FUND - 344 - LMIG FUND - AKINS BLVD**

**DEPT - 4220 - ROADWAYS/WALKWAYS**

The Local Maintenance Improvement Grant is a Georgia Department of Transportation program that provides funds to local governments to perform roadway development and improvements. The City and Georgia Southern University have executed a Memorandum of Understanding & Agreement for the construction of an extension of Akins Boulevard. The MOU asserts that the City will apply for LMIG funds for construction of Akins Boulevard and the University will procure design and construction and provide project management for all work. The first phase of work will begin at Veteran's Memorial Parkway and extend to Tormenta Way. The next phase of work will begin at Tormenta Way and extend to the previously constructed spur of Akins Boulevard that connects with Lanier Drive. When completed Akins Boulevard will provide secondary access for the Old Register Road TAD to Veteran's Memorial Parkway and will also provide alternate connectivity for Paulson Stadium to Lanier Drive/Old Register Road and south to Langston Chapel road.

## 350 Capital Improvements Program Fund

**FUND - 350 - CAPITAL IMPROVEMENTS PROGRAM FUND**

This fund accounts for the receipt and disbursement of funds to acquire major general fixed assets for the City. The projects are derived from the first year's listing within the 6-year Capital Improvements Program for the CIP Fund. Other capital projects are funded in the individual utility funds such as the Water and Sewer Fund, the Stormwater Fund, the Natural Gas Fund, the Solid Waste Collection Fund, and the Solid Waste Disposal Fund. Some are also funded in the Fleet Management Fund, the Confiscated Assets Fund, the Multiple Grants Fund, the Statesboro Fire Service Fund, 2013 SPLOST Fund, 2018 TSPLOST Fund, 2019 SPLOST Fund, and 2023 TSPLOST Fund.

Funding is provided by a transfer from the General Fund, federal and state grants, and the Georgia Municipal Association (GMA) lease pool loans. Projects funded here should cost at least \$15,000 and have a useful life of at least two years. Some may have a smaller dollar amount when they are a carryover from the previous year when a project was not finished by year-end. Some capital projects take longer than one fiscal year to complete, requiring the remainder of the project to be funded in the following fiscal year(s). Projects retain the same Project Number and accounting line item in subsequent years in order to easily track a multiple-year project.

The savings from projects or purchases that come in under the budgeted amount are transferred throughout the fiscal year to a Contingency line item in this fund. The Contingency is then available to fund any change orders or unanticipated projects or purchases that arise during the fiscal year without having to amend this fund's budget. Any appropriations remaining in the Contingency line item at fiscal year-end go into the fund balance, which can be appropriated in a subsequent year for other projects.

The complete six-year Capital Improvements program is located in a separate tab within this document, and contains more detailed information on each project.

## 505 Water and Sewer Fund

**FUND - 505 - WATER/SEWER FUND**

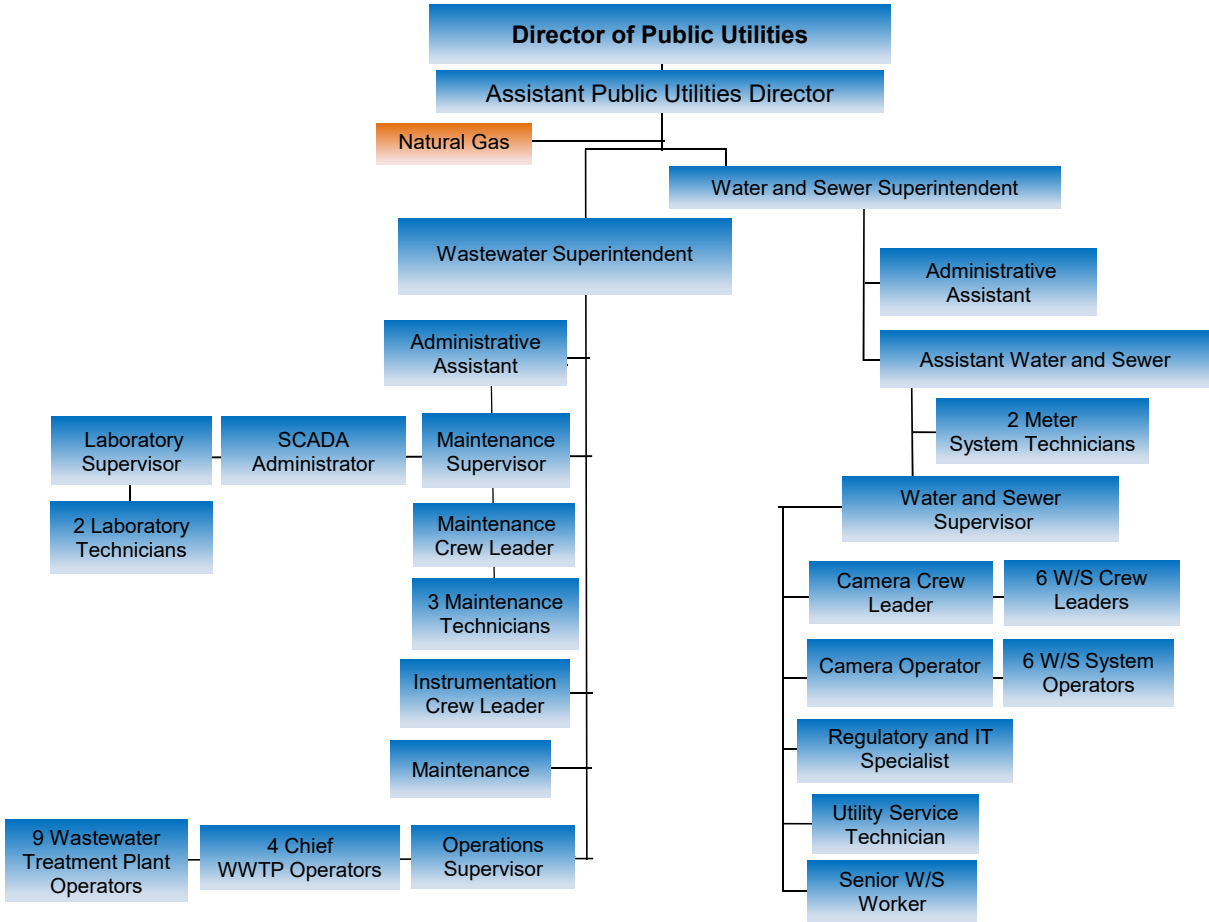

**DEPT - 4335, 4400, 4440**

This fund accounts for the receipts and disbursements to finance the City's Water and Sewer Department. The department is responsible for water treatment, storage, and the distribution system; and the wastewater collection, pumping, and treatment system. The City's water is pumped from deep groundwater wells, treated, pumped to elevated storage tanks, and distributed throughout the City and parts of the County. Wastewater is collected in the sewer lines, pumped where gravity flow is not possible, then treated at a state-of-the-art wastewater treatment plant before discharging to Bird's Pond.

The City must meet stringent US Environmental Protection Agency standards for the treatment of drinking water, and the treatment before discharge of wastewater. Both of these functions are critical to public health, and require certified operators and laboratory personnel.

This fund is accounted for on the accrual basis of accounting, including full depreciation, so that management can determine its financial position as a stand-alone enterprise supported by fees and charges. In order to keep rates low, some SPLOST funds are used for major projects. Any SPLOST funds to be used for water and wastewater projects are spent within the SPLOST Fund, with the completed project then transferred to this fund as a fixed asset.

The City charges fees for service based upon actual consumption. Prices are set to cover the cost of personnel, operations, equipment and improvements and extensions of the systems. Unlike private utility companies, the City does not have to pay property or income taxes, and there are no distributions to shareholders, since the City is tax-exempt and non-profit. Therefore, all net income is either put back into the system, or transferred to the General Fund in order to reduce the need for property taxes to support other City operations. Either way, our citizens and customers are the beneficiaries.

<b>Full-Time Employees by Fiscal Year</b>									
FY 2021:	51.16	FY 2022:	51.16	FY 2023:	51.16	FY 2024:	51.82	FY 2025:	51.82

**STATEMENT OF SERVICE**

The Water/Sewer and Wastewater Department is responsible to provide maintenance and operation of the Water Distribution System, Wastewater Collection System, Advanced Activated Sludge Wastewater Treatment Facility and Reclaimed Water System. The department also monitors and enforces the Industrial Pre-treatment Program and the Watershed Program. Other responsibilities include the oversight and inspection of design and construction of any extensions of the Water and Sewer system or expansions of the Wastewater Treatment Facility and participates in all new development review discussions in reference to water and sewer infrastructure.

GOALS		FY 2024 STATUS	FY 2025 PROJECTED
<b>FY 2024</b>			
1. Continue to provide safe drinking water to our customers with minimal disruption of service.		Complete Water Audit	Ongoing
2. Continue to reduce the amount of infiltration and inflow into the Wastewater Collection System.		Lined 13,000' of 8" Sewer	Continue Sewer Lining
3. Continue to expand the Water Distribution and Wastewater Collection System into undeveloped area's, as determined by Mayor and Council.		Fernhill Farms under construction	Install new well at Bruce Yawn Park, Extend Sewer to Quail Run Subdivision & Ramble Road
4. Continue to collect and properly treat all wastewater entering the Wastewater Collection System to ensure regulatory compliance with EPD.		Install new pumps and blowers	Fat - Oil - Greese Pilot Program
5. Continue to ensure Industrial Pre-treatment compliance by all Industries.		Conduct Monthly Reporting	Ongoing
6. Continue to provide quality Reclaimed Water to Georgia Southern University, as well as extending the system to other users.		Ongoing	Ongoing
7. Ensure that all applicable Water/Sewer and Wastewater personnel obtain the state licenses required for their positions.		Ongoing	Ongoing
8. Continue to improve the departments capacity to provide Quality Customer Service.		Expand Electronic Work Order Program	Ongoing
9. Continue to monitor the condition of the older Wastewater Treatment Plant equipment and schedule for needed up-grades or replacement of the equipment that has reached it's life expectancy.		WWTP to Install New Blowers	WWTP to Install New Pumps
10. Continue to provide the necessary training for all Water and Wastewater personnel.		Ongoing	Ongoing
<b>FY 2025</b>			
1. Rehabilitate approximately 13,000' of 8" and 10" sewer.		Under Design	Complete
2. Install Sewer Main to serve Quail Run Subdivision.		Under Design	Ongoing
3. Install Sewer Main on Ramble Road.		Obtaining Easements and Owner Acknowledgements	Ongoing
4. Continued I & I Study of Collection System.		Ongoing	Ongoing
5. Lead Service Line Inventory		Building Inventory to Determine Number of Onsite Verifications	Ongoing
6. Sewer Manhole Inspections to identify I & I issues		Ongoing	Ongoing

**OBJECTIVES FOR FISCAL YEAR 2025**

1. Continue to maintain all water lines, pumps and water tanks so that disruptions are avoided.
2. Continue to maintain the SCADA System so that system information is provided in a timely manner for all operators.
3. Continue to train and supervise the laboratory staff so that all required EPA/EPD testing is completed and reported as required and that any quality issues are addressed immediately.
4. Continue the backflow prevention installation program.
5. Continue to maintain the sewer lines, pump stations and Wastewater Treatment Facility so that overflows are avoided.
6. Continue to operate the Wastewater Treatment Facility and the Laboratory so that all parameters of the NPDES permit are met and properly reported to the State monthly.
7. Install emergency generators to all sewer pump stations.
8. Repair concrete tanks at the Wastewater Treatment Facility.
9. Use the QUES camera to systematically identify the areas of worst infiltration and inflow, particularly during heavy rain events.
10. Develop a priority rating system for these problems and either contract for or repair in-house.
11. Keep the number of misreads on utility accounts below 0.5%.

TAB 29

507 Stormwater Fund

**FUND - 507 - STORMWATER FUND**

**DEPT - 4320 - STORMWATER**

This fund accounts for the receipts and disbursements for the City's Stormwater Utility. It is financed by the monthly Stormwater Utility fees that customers pay.

**STATEMENT OF SERVICE**

The Stormwater Division is responsible for drainage design; construction inspections on City drainage projects; development of drainage improvements plans and priorities; maintenance of city drainage infrastructure, ditches, canals and regional detention facilities; and street sweeping. The Division also administers and enforces the Stormwater Utility Ordinance; Drainage Control Ordinance; Flood Plain Damage Prevention Ordinance; Tree Ordinance; and Soil Erosion, Sedimentation & Pollution Control Ordinance. Large projects are typically contracted out under the direction of the Assistant Director of Public Works, as the division is primarily staffed for maintenance and minor repairs.

The cost for this utility service is \$5.00/equivalent residential unit (ERU). An ERU is 3200 sf of impervious area. Single family residential properties pay a flat \$5.00 per month. All other properties pay a monthly fee specific to the amount of ERUs of impervious area. The division's operating budget is within the Stormwater Enterprise Fund. Capital projects are funded by Stormwater Fund revenues.

GOALS		FY 2024 STATUS	FY 2025 PROJECTED
<b>FY 2024</b>			
1. Maintain the public drainage systems for compliance with standards and proper function.		Ongoing	Ongoing
2. Construct an automatic outfall control structure at the Lake Sal inlets to create flood storage during heavy rain events to prevent flooding		Ongoing	Completed
3. Replace a triple barrel culvert under Donnie Simmons Way. The existing culverts are separated and causing the roadway to fail.		Ongoing	Completed
<b>FY 2025</b>			
1. Replace a triple barrel culvert under Donnie Simmons Way. The existing culverts are separated and causing the roadway to fail.		Ongoing	Completed
2. Improve Drainage system at North Main Street and Courland area.		Ongoing	Completed
3. Complete the hydrology and hydrologic study of Whitesville Basin.		Ongoing	Completed

**OBJECTIVES FOR FISCAL YEAR 2025**

1. Improve the overall drainage system conveyance and pollution removal efficiency.
2. Perform improvements that reduce and/or minimize flooding.
3. Improve Stormwater Management webpages to provide public with a resource to report drainage deficiencies and track complaints received.
4. Complete the detailed drainage system inventory and condition assessment of the City's public drainage system and critical parts of the private drainage system.
5. Enhance public education and awareness efforts related to stormwater management.
6. Utilize the inventory and condition assessment data for guidance of projects and proactive drainage system operations & maintenance program.
7. Continue with citywide drainage master plan and modeling for prioritizing CIP projects short and long range planning.
8. Continue established formal Erosion & Sedimentation Control Program.
9. Incorporate a street sweeping program to remove pollutants from roadways before being washed into storm drainage system during rain events.

PERFORMANCE MEASURES

515 Natural Gas Fund

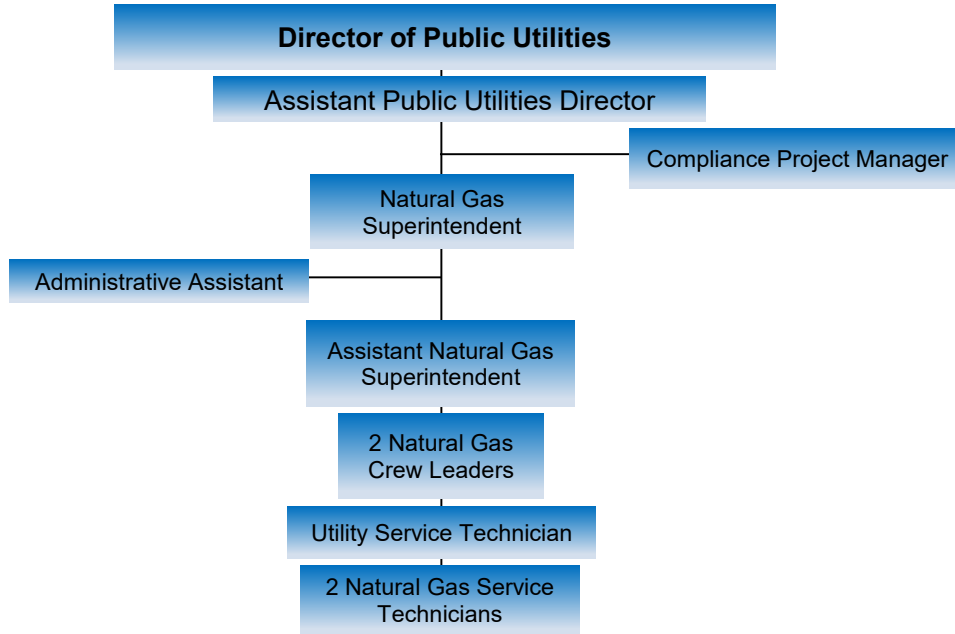

**FUND - 515 - NATURAL GAS FUND**

**DEPT - 4700, 4705**

This fund is used to account for the receipts and disbursements to finance the Natural Gas Department. The department is responsible for operating the City's natural gas distribution system. The City purchases its gas wholesale, then sells it retail to its industrial, commercial and residential customers. The natural gas industry was fully de-regulated by Congress in 1988, and the Federal Energy Regulatory Commission has implemented policies since then to encourage open competition for gas supply. Since de-regulation, local distribution companies such as the City have had to join with other buyers to get the best possible price in what can be a highly volatile gas supply market. The City is a member of the Municipal Gas Authority of Georgia (MGAG), which is a joint agency established by the State of Georgia to assist municipal gas systems. MGAG negotiates contracts for gas supply, and also can hedge those prices using the commodities market, in an attempt to meet our customers' demand for gas at the lowest price.

The City uses a flexible gas rate, so that it can receive a realistic margin on each of them it sells. The margin is added to the base rate, which is the wholesale price of gas for the month. In this way, the City charges what it needs to pay the personnel, maintain the system, and expand the system, in addition to buying the gas. Unlike private gas companies that must pay property and income taxes, as well as distributions to shareholders, the City is tax-exempt and our citizens are the shareholders. Therefore, all net income is either put back into the system, or transferred to the General Fund in order to reduce the need for property taxes to support other City operations. Either way, our citizens and customers are the beneficiaries.

The City has begun a much more aggressive program of system expansion in recent years. It is critical that this system be expanded in order to provide service to additional customers; and also because it is a source of revenue for the General Fund, thereby helping keep property taxes lower than they would be without this utility. The City is able to do this, and still have lower rates than the surrounding investor-owned gas utilities for the reasons cited above.

**Full-Time Employees by Fiscal Year**  
 FY 2021: 7.84 FY 2022: 7.84 FY 2023: 7.84 FY 2024: 8.18 FY 2025: 8.18

**STATEMENT OF SERVICE**

Statesboro Natural Gas is the sole provider of Natural Gas for customers in Statesboro/Bulloch County, Metter/Candler County and parts of Screven County. We provide commercial, residential and industrial services as well as serve a wide variety of agricultural customers within our service area. Our mission is to provide reliable and safe gas service for our customers at affordable prices, and generate a good return on investment for the taxpayers of the City of Statesboro.

	<b>GOALS</b>	<b>FY 2024 STATUS</b>	<b>FY 2025 PROJECTED</b>
<b>FY 2025</b>			
1.	Operate system as safely as possible and comply with all State and Federal regulations.	Ongoing	Comply with PSC regulations and complete inspections as required
2.	Expand system into unserved areas.	Ongoing	Expand into uncovered areas to acquire new gas customers
3.	Expand and enhance customer incentive programs to encourage the use of Natural Gas.	Ongoing	Continue to expand incentive program to encourage natural gas usage
4.	Design improvements to Tap Station to increase natural gas volume to keep up with future growth.	Ongoing	Complete design work project now moved to 2026 budget

**OBJECTIVES FOR FISCAL YEAR 2025**

1. Implement work order system to integrate Billing Incode with Hiperweb work order system to track Incode Service orders and dispatch crews more efficiently.
2. Continue to operate Natural Gas System safely and adhere to PSCrules and regulations.

## 541 Solid Waste Collection Fund

**FUND - 541 - SOLID WASTE COLLECTION FUND**

**DEPT - 4521, 4522, 4523, 4585**

This fund accounts for the receipts and disbursements to operate the City's solid waste collection systems for commercial, residential, yard waste, and rolloff service. It is financed by the monthly user fees and rolloff services that customers pay. SPLOST funds are appropriated to assist this fund with capital expenses for collection equipment. Without these SPLOST funds, this fund would have to be subsidized by higher sanitation and polycart fees. If these fees become too high the result would likely be an increase in illegal dumping which would create public health concerns and aesthetics problems for the community.

**STATEMENT OF SERVICE**

The City provides commercial collection services using front loading trucks and dumpsters picked up on a schedule agreed to by the customer and City. Customers are charged an amount determined by the cubic yard size of the dumpster(s) used and the number of times per week it is serviced. The cost of yard waste collection is supplemented by an additional \$2.25 per month per customer. Dumpster service within apartment complexes is charged a per unit rate. The cost for this service is \$21.00 per month per unit and includes yard waste collection. Residential collection is provided using automated side loading trucks and polycarts that citizens place curbside for once per week service. The cost for this service is \$21.00 per month and includes yard waste, furniture and white goods collection. Yard waste, furniture and white goods are collected curbside throughout the City using knuckleboom loader trucks following a route system. Given the extent of services provided, the fee for curbside service remains competitive with similar services by private companies in the unincorporated areas of Bulloch County and with comparable cities. Rolloff collection services are provided using rolloff trucks and rolloff containers. Customers are charged fees for delivery, pickup and tippage - a minimum monthly container rental is required.

GOALS		FY 2024 STATUS	FY 2025 PROJECTED
<b>FY 2024</b>			
1. Maintain a healthy environment by removal and disposal of garbage, yard waste, and other debris in a timely manner.		Ongoing	Ongoing
2. To provide citizens a community that promotes health through good infrastructure while preserving the environment for future generations.		Ongoing	Ongoing
3. Provide effective communication with the public and explore ways to improve customer service and communication.		Ongoing	Ongoing
<b>FY 2025</b>			
1. Explore additional services to provide to City residents and businesses to improve customer service.		Ongoing	Ongoing

**OBJECTIVES FOR FISCAL YEAR 2025**

1. Continue to complete all assigned routes efficiently and effectively.
2. Implement GPS technology, where to optimize and track collection routes.
3. Explore additional ways to improve efficiency.
4. Improve recycling and waste reductions opportunities.
5. Explore options for bulk waste collection.
6. Improve communication of services, fees, and schedules by exploring social media opportunities.

## 542 Solid Waste Disposal Fund

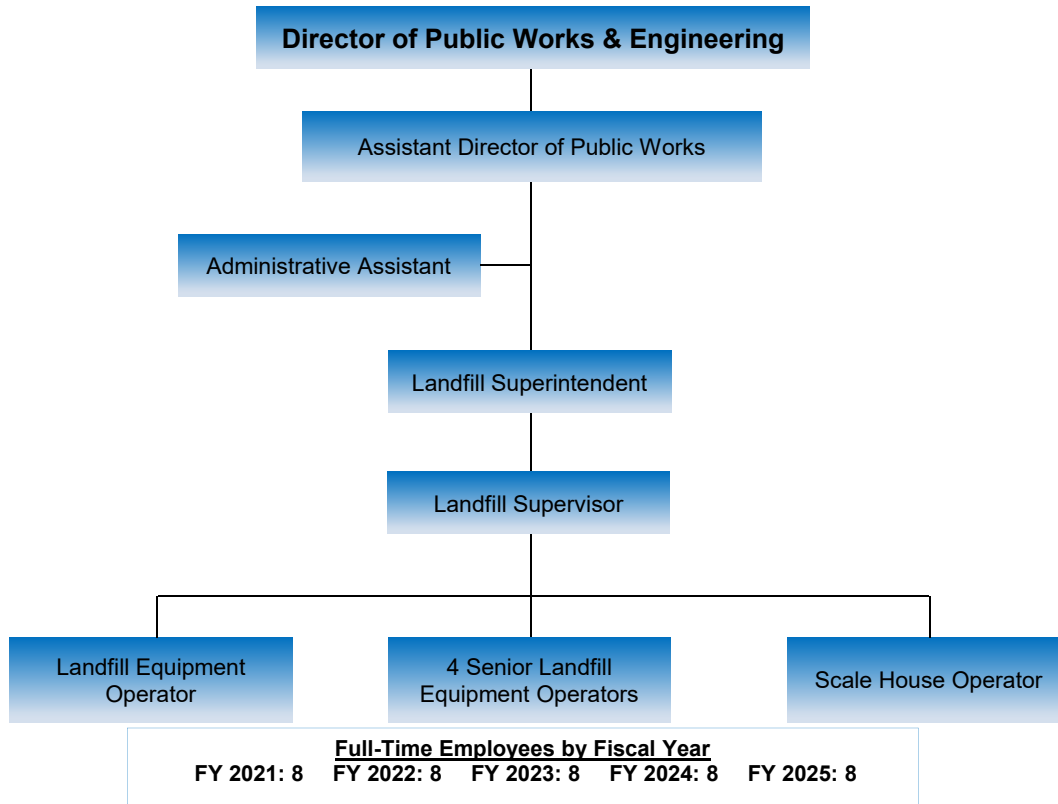

**FUND - 542 - SOLID WASTE DISPOSAL FUND**

**DEPT - 4530**

This fund accounts for the receipts and disbursements to operate the jointly owned City/County transfer station, inert landfill and the post-closure costs for the closed landfill located on Landfill Rd off North Main St. Included are the costs to transport and dispose of the solid waste at the Superior Landfill near Savannah, GA and scrap tires with Quality Tire near Jackson, GA. Both transportation services are provided by contract with a trucking company. The cost of transportation is currently equivalent to approximately \$13.39 per ton. The disposal agreement with Superior Landfill began in 2021 and was renewed in 2022. The disposal agreement with Quality Tire was renewed in 2022.

SPLOST funds are appropriated to pay the post-closure costs and cover of the disposal fees at the Broadhurst Environmental Landfill. Without these SPLOST funds, this fund would have significantly higher tippage fees or would have to be subsidized by additional property taxes. If the tippage fees become too high the result would likely be an increase in illegal dumping which would create public health concerns and aesthetics problems for the community.

The operation of the transfer station, inert landfill, closed Lakeview Landfill and the operation of the methane gas extraction system are under the direction of the Landfill Superintendent who, in coordination with the City's solid waste engineering consultant, is responsible for all post-closure regulatory compliance issues to keep the closed landfill in full compliance with US Environmental Protection Agency and Georgia Environmental Protection Division rules and regulations.

**STATEMENT OF SERVICE**

To manage the solid waste disposal division as a resource for the entire community. Promote sustainability and an environmentally sound and cost effective operation with the funds collected. To reduce the amount of waste in all categories by promoting individual and corporate responsibility. To provide a clean, stable work environment for all employees and the public.

GOALS	FY 2024 STATUS	FY 2025 PROJECTED
<b>FY 2025</b>		
1. Maintain a healthy environment by properly disposing of all solid waste, yard debris, scrap tires and white goods (scrap metal)	Ongoing	Ongoing
2. Educate the public and private sectors of our community through educational tours of the solid waste disposal facility and Inert Landfill.	Ongoing	Ongoing
3. Continue to build the inert landfill in an environmentally friendly way and according to EPD guidelines. Life expectancy 1 year	Ongoing	Ongoing
4. Purchase land to the north of the current inert landfill for future generations. Approximately 25-30 life span	Ongoing	Ongoing

**OBJECTIVES FOR FISCAL YEAR 2025**

1. Continue research to find alternatives to deal with the volume of yard waste being disposed of in the Inert Landfill.
2. Explore additional ways to further reduce the total tons of waste that is transported to the Broadhurst Landfill Facility for disposal (waste stream reduction).
3. Stay in compliance and up to date on all state and federal EPD compliance guidelines and to operate all sites within those guidelines.
4. Increase the amount of tours given to GSU and local High School students to increase their knowledge of sound solid waste disposal practices particularly with emphasis on the inert landfill, transfer station, and recycling center.

**PERFORMANCE MEASURES**

## 601 Health Insurance Fund

**FUND - 601 - HEALTH INSURANCE FUND**

**DEPT - 1500 - GENERAL ADMINISTRATION**

This internal service fund accounts for the receipts and disbursements to operate the City's self-funded health insurance program. The City contracts with a third-party administrator (TPA) to run this program, and advise it on how to determine premiums for both the employer and the employee. The premiums are set to cover three cost components of the plan: the third party administrator's fees; actual medical claims; and the premiums for stop/loss reinsurance.

**STATEMENT OF SERVICE**

The City's portion of the premiums is budgeted within each budget that has personnel covered by the plan, so that the costs are allocated to the proper fund, department and division.

It is critical that adequate reserves be set aside in good claims years, so that when a bad claims year hits, the fund is financially strong. This removes the possibility of spikes in rates for both the City and its employees, or serious cuts in the level of benefits provided.

## 602 Fleet Management Fund

**FUND - 602 - FLEET MANAGEMENT FUND**

**DEPT - 4900**

This fund accounts for the receipts and disbursements to operate the City's centralized vehicle and equipment fleet maintenance program. The Fleet Management operation is a true internal service fund with all costs, including depreciation, charged to the using departments through labor, parts, and overhead charges just like a commercial garage. This reflects the true cost to each fund, department, and division.

**STATEMENT OF SERVICE**

For FY 2025, each General fund user will be charged a \$90.00 per hour service rate. The Fire Department rate is \$65.00 per service hour. Enterprise fund users will be charged a \$90.00 per hour service rate. These rates will continue to be evaluated semi-annually for adjustment, as needed. There will continue to be a 10% mark-up on parts, 20% mark-up sublet work, and 5% mark-up for shop supplies. Computerized records of all maintenance on each piece of equipment will continue to be maintained and a preventive maintenance schedule, as established in conjunction with each department, will be continued. This, in conjunction with routine training, has resulted in more dependable equipment and vehicle service resulting in extended usage, reduced downtime and reduced life cycle costs.

GOALS		FY 2024 STATUS	FY 2025 PROJECTED
<b>FY 2024</b>			
1. Provide superior preventative and unscheduled maintenance of the City fleet with rates below private market labor rates.		Ongoing	Ongoing
2. Keep all city vehicles and equipment operating in a safe and efficient manner with minimal downtime.		Ongoing	Ongoing
3. Provide technical support and guidance for all departments.			
<b>FY 2025</b>			
1. Explore additional ways to reduce sublets/outsourcing to provide quicker response and lower customer maintenance costs.		Ongoing	Ongoing

**OBJECTIVES FOR FISCAL YEAR 2025**

1. Continue to complete maintenance and repairs on all city vehicles and equipment in a timely and safe manner.
2. Continue to remain available at all times and continue to provide open communication with all city departments.
3. Reduce the costs incurred by sublet work by remaining current with equipment and technology solutions.
4. Continue to improve knowledge and certification of mechanics by providing training opportunities.
5. Continue to improve knowledge and provide all training necessary to support the city's CNG and alternative fuels initiative.
6. Continue to encourage certified specialized training of mechanics for maintenance of public safety vehicles and equipment.

**PERFORMANCE MEASURES**

604 Wellness Program Fund

**FUND - 604 - WELLNESS PROGRAM FUND** **DEPT - 1500 - GENERAL ADMINISTRATION**

In FY 2012, an employee fitness center was established to increase the health and well-being of City of Statesboro employees. The fitness center is open 24 hours, seven days a week exclusively for employees, spouses, and retirees of the City. The center has a variety of cardio, strength, and conditioning equipment. To increase wellness, the City has established partnerships with Georgia Southern University for a Physical Trainer and with Optim Healthcare for an Athletic Trainer. The center is located in the Municipal Court and Central Services Building.

## 605 Central Services Fund

**FUND - 605 - CENTRAL SERVICES FUND**

**DEPT - 1535 & 1565**

The Central Services Department is comprised of Purchasing, IT, GIS and Governmental Buildings and is headed by the Director of Central Services.

Full-Time Employees by Fiscal Year				
FY 2021: 7	FY 2022: 5	FY 2023: 6	FY 2024: 6	FY 2025: 6

**IT & PURCHASING**

**STATEMENT OF SERVICE**

The Purchasing Division's mission is to secure goods and services at the best possible prices while complying with federal, state and local procurement laws. While achieving this goal, it is the mission of the Purchasing Division to provide all departments with efficient and economical solutions to assist in carrying out daily operations. The IT Division's mission is to successfully integrate our citizens, process and technology by fostering partnerships and consistently delivering solutions that serve as the foundation of City operations. The IT Division measures internal processes, adopts the best practices and monitors innovative trends to better align technology services with the City and the citizens' needs. The City of Statesboro GIS mission is to provide geospatial mapping solutions to the employees and citizens of the City of Statesboro.

GOALS	FY 2024 STATUS	FY 2025 PROJECTED
<b>FY 2024</b>		
1. Reducing Help Desk ticket completion times.	Ongoing	Further reduction
2. Increasing mobility efforts for City Departments.	Ongoing	Addition of sources
3. Developing and implementing City iOS applications.	Ongoing	Ongoing
4. Creating tools for Public Information.	Ongoing	Adding areas to include
<b>FY 2025</b>		
1. Establish and promote our MFBE program to reach the goal of 20% of expenditures.	Ongoing	Researching improvement strategies
2. Form a "Right Start" program for all formal bid processes. This will provide a more efficient bid/proposal process from start to finish.	Ongoing	Improvement areas in new year
3. Improved City website	Ongoing	To develop a more efficient website for public/internal use

**OBJECTIVES FOR FISCAL YEAR 2025**

1. To continue to find ways to implement higher technology while finding efficiencies for the City of Statesboro.
2. Have a centralized GIS (Geographical Information System) for all City's GIS Data with access for Employees and Officials in a user friendly way.
3. Increase interactive availability for the citizens of the City of Statesboro throughout the use of Public Portals.
4. Increase the expansion and effectiveness of our MFBE program.
5. Continue to improve facility maintenance by service contracts and preventative maintenance.

## Capital Improvements Program

## CAPITAL IMPROVEMENTS PROGRAM

Other than the annual operating budget, the preparation and adoption of a Capital Improvements Program (CIP) is one of the most important financial decisions which the City Council makes each year. The purposes of a CIP are to ascertain the community's capital improvement needs over the next six years; project revenue sources and expenditures; and serve as a planning tool in deciding how best to meet those needs within the financial capability of the City.

The City's six year CIP is updated on an annual basis as capital needs are assessed by the Mayor and Council, the City Manager, Department Heads and their staff. New projects are proposed which detail the estimated cost, description, and anticipated funding sources. If a new project need arises during the year, a budget amendment identifying both funding sources and project appropriations will be utilized to provide formal budgetary authority for the subject projects. **A capital improvement, for purposes of this program, is defined as a fixed asset costing at least \$15,000, and having a useful life of at least two years.** Therefore, this program will include numerous vehicles and equipment.

There are several major benefits resulting from a Capital Improvements Program:

1. It shows the public that objective analysis of existing and long-term needs has been applied.
2. It is increasingly demanded by federal and state agencies, and municipal bond rating agencies to prove that comprehensive planning and sound fiscal policies are in place.
3. It allows for the coordination in timing, location, and financing of interrelated, complex projects.
4. By projecting the financial commitment over a six-year period, it seeks to minimize the impact on local tax rates, fees, and charges, attempting to remove any spikes in these rates.
5. It provides realistic appraisals of future needs, and whether financial resources will be available to address them.
6. It provides a priority setting process including the public, Mayor and City Council, City management staff, and outside agencies receiving City funding.
7. It provides a plan of City improvements which might be linked with other public agencies' improvements (ie, the possibility of a community center on school grounds).
8. It provides sufficient lead time to develop detailed plans and specifications for projects, as well as applications for federal and state grants and other financing sources.

9. Finally, it forces the City to allocate its revenue sources adequately between both the Operating Budget and the Capital Budget. This requires a policy review to avoid deferring maintenance, equipment replacement, and needed capital projects.

The foremost consideration in any realistic long-range planning endeavor must be financial resources. Long-term improvements can be financed following either of two methods, or a combination thereof: “pay as you go” means you finance projects from existing operating funds, or Special Purpose Local Option Sales Taxes (SPLOST). This incurs no additional debt. “Pay as you use” means the City uses general obligation bonds, revenue bonds, capital outlay notes, GEFA loans, the GMA Equipment Lease Pool, or lease/purchase agreements to finance major improvements.

This section includes a summary sheet of all City capital projects and the funding sources. The project sheets include a department project number, a detailed description of the project with an explanation as to why this project is needed, the funding source(s), the year the project is proposed and the impact on the FY 2025 operating budget. Following the project sheets is a summary of projects by fiscal year for each fund.

Included in this CIP, are projects that are proposed to be funded with sources that need to be voted on by the citizens or voted on by Council. The newest funding source is the 2023 TSPLOST. This additional 1% tax must be used for capital transportation items and the proceeds are disbursed pursuant to an intergovernmental agreement negotiated between the four City Councils and the County Commission prior to the referendum.

The following abbreviations are used to distinguish the department:

CC	Code Compliance
CS	Central Services Department
ENG	Engineering Department
FD	Fire Department
FIN	Finance Department
GB	Government Buildings
NGD	Natural Gas Department
PLG	Planning and Development Department
PD	Police Department
PWA	Public Works Administration Division
FMD	Public Works Fleet Management Division
PRK	Public Works Parks and Trees Division
STS	Public Works Streets Division
SWC	Public Works Solid Waste Collection Division
SWD	Public Works Solid Waste Disposal Division
STM	Stormwater Utility Fund
WWD	Water Sewer Department
WTP	Wastewater Treatment Plant

<b>Project</b>	<b>ENG-89</b>	<b>Eastside Cemetery Fence</b>						
<b>Description</b>								
Install new ornamental security fence around Eastside Cemetery property. New fence will provide for increased security and improve aesthetics. Previous incidents in the cemetery and concerns presented by the public have indicated to staff that providing the most basic of security measures for the cemetery is important. There would be two construction phases. Phase I to be performed in FY27 along the south side from Northside Drive to Packinghouse Road (2250'). Phase II will be performed in FY28 along the west side from the main entrance then the existing fence along the north side then along the north side between the private cemetery and the city cemetery (1925').

<b>Project</b>	<b>ENG-89b</b>	<b>Eastside Cemetery Expansion of Unnamed Section</b>						
<b>Description</b>								
Paving of streets for expansion of Eastside Cemetery. Plans for future expansion of the cemetery were completed when the Cone section was added. This proposed expansion would extend from the current Cone section towards Packinghouse Road. The plot corners were previously surveyed and marked with an earlier project. Currently the only available lots are in the Cone section. The Cone section is approximately 40% sold and at current sales rates will be entirely sold in 5 to 8 years.								
<b>Funding</b>								
	<b>Adopted FY 2025</b>	<b>Projected FY 2026</b>	<b>Projected FY 2027</b>	<b>Projected FY 2028</b>	<b>Projected FY 2029</b>	<b>Projected FY 2030</b>	<b>Total</b>

<b>Project</b>	<b>ENG-89d</b>	<b>Eastside Cemetery Cremation Garden</b>						
<b>Description</b>								
Creation of a Cremation Garden along the creek between the Old Cemetery and the Cone section. This project would pave a sidewalk in this low lying area along the creek and add landscaping. This would allow for a memorial in the cemetery without the expense of a larger lot. It would allow for the distribution or burial of ashes not in a container. It would not allow for the sale of lots but rather a fee would be charged allowing for the placement of an 18" X 36" flush memorial monumet alongside the sidewalk. The proposed fee would be set at 20% of the current fee for a single lot per the rates and fee schedule.								
<b>Funding</b>

<b>Project</b>	<b>ENG-92</b>	<b>West Main Streetscape</b>						
<b>Description</b>								
Perform roadway, intersection, and sidewalk improvements on West Main Street. Aesthetic theme to match East Main Streetscape Project. Phase I of the Downtown Streetscape Project involved upgrading East Main St. between North/South Main St. to Railroad St. West Main Street Streetscape project is Phase II. This project would go from the Main & Main intersection to College Street. Improvements to the W. Main St./S. College St. intersection were completed in FY2013. Will include replacing landscaping on East Main to match West Main. Will include resurfacing of East Main from North Main to Railroad Street. Design will begin in FY 2024 with construction expected in FY 2025.

<b>Project</b>	<b>ENG-115b</b>	<b>S. Main Street (Blue Mile) Phase II</b>						
<b>Description</b>								
This project has been identified by the community as a high priority due to the fact that S. Main St. acts as a major gateway to downtown Statesboro and it serves as a natural connection between the GSU Campus and downtown Statesboro. This project will be completed in three phases. Phase II is from the proposed GDOT Roundabout project to Grady St. Improvements will include the installation of decorative sidewalks, decorative crosswalks on the side streets, decorative street lighting, benches and bike racks. Transit Bus Pull-offs will be added if practical. Engineering will begin in FY 24 and continue into FY25, Right-of-Way acquisition in FY25, and construction in FY26. Some costs of the project will be the relocation of overhead power lines, telephone lines and cable to underground. It will include realignment of the Grady Street Intersection.								
<b>Funding</b>

<b>Project</b>	<b>ENG-122i</b>	<b>S. College St. Sidewalk, W. Jones Ave to W. Brannen St.</b>					
<b>Description</b>							
This project will consist of the construction of a 5' sidewalk along S. College Street from W. Jones Ave. to W. Brannen Street including a railroad crossing. This section of College Street's sidewalk has many gaps. This project will extend the existing sidewalk from W. Jones Ave. to W. Brannen St. This road is heavily traveled by pedestrians and motorists, which makes the risk of conflicts very high. This sidewalk will give pedestrians a safe place to walk outside of the roadway. This project will include any drainage infrastructures, easements, and property acquisitions needed to install the sidewalk.							
<b>Funding</b>

<b>Project</b>	<b>ENG-123a</b>	<b>S. Main St. (US301) @ Fair Rd. (SR 67) Improvements</b>					
<b>Description</b>							
Improvements to the intersection that may include geometric modifications, traffic signal, or roundabout. This intersection has been identified as one of the City's highest accident locations due to its current alignment, heavy volume of traffic and confluence with an active railroad track. Re-aligning this intersection and installing a traffic signal would improve its safety significantly. This general area is also the potential location for a potential East-West connector road. This is a GDOT STIP project. Funding in this CIP is to support GDOT; City's participation commitment is property acquisition.							
<b>Funding</b>							
	<b>Adopted FY 2025</b>	<b>Projected FY 2026</b>	<b>Projected FY 2027</b>	<b>Projected FY 2028</b>	<b>Projected FY 2029</b>	<b>Projected FY 2030</b>	<b>Total</b>

<b>Project</b>	<b>ENG-123c</b>	<b>W. Main St./Johnson St./MLK Dr. Improvements</b>					
<b>Description</b>							
This intersection is located in the west downtown area. All three roadways at this intersection are major routes for city traffic and intersect at a skewed angle which also causes sight distance issues and long vehicle queues on Johnson and MLK. This project will realign the intersection to improve intersection efficiency and safety and include any drainage infrastructure, easements and property acquisitions needed to complete the work. Design in FY2024, property acquisition in FY2025, and construction in FY2026.							
<b>Funding</b>							
	<b>Adopted FY 2025</b>	<b>Projected FY 2026</b>	<b>Projected FY 2027</b>	<b>Projected FY 2028</b>	<b>Projected FY 2029</b>	<b>Projected FY 2030</b>	<b>Total</b>

<b>Project</b>	<b>ENG-123f</b>	<b>Cawana Rd @ Brannen St &amp; Cawana Rd @ S&amp;S Railroad Bed Rd Intersection Improvements</b>					
<b>Description</b>							
This area is currently growing with the construction of schools, churches, walking trails, and residential housing. The area is rapidly developing with multiple subdivisions approved for construction on S&S, Cawana, and Burkhalter. This CIP is to prepare for that growth. A traffic study of this area indicated intersection improvements would improve the level of service of this road network due to increased traffic upon development. This CIP will help construct those improvements as they are needed (e.g. construct designated right/left turn lanes). These intersections are divided between City and County jurisdiction. Design to begin in FY 24, with ROW acquisition in FY 25, and Construction in FY26.							
<b>Funding</b>

<b>Project</b>	<b>ENG-124b</b>	<b>Brannen St. @ Little Lotts Creek Roadway Drainage Improvements</b>						
<b>Description</b>								
Brannen Street routinely overtops during heavy rains. This project will try to eliminate the flooding of the roadway during regular heavy rain events. Upsize the 36' corrugated metal pipe to alleviate surface water flooding. A drainage study will be prepared before construction commences to properly size this network.								
<b>Funding</b>								
	<b>Adopted FY 2025</b>	<b>Projected FY 2026</b>	<b>Projected FY 2027</b>	<b>Projected FY 2028</b>	<b>Projected FY 2029</b>	<b>Projected FY 2030</b>	<b>Total</b>

<b>Project</b>	<b>ENG-124f</b>	<b>SR67/Fair Road Widening and Right Turn Lane</b>						
<b>Description</b>								
This project would construct a right turn lane along the east side of SR 67/Fair Road from Pitt Moore Road to Zetterower Ave. This is to alleviate the issues cused by several businesses routinely having drive thru traffic back up into the travel lanes. It would also improve the radius of the existing right turn lane onto Zetterower Ave. Design to begin in FY 24, with ROW acquisition in FY 25 and construction in FY 26 in conjunction with GDOT safety project on SR 67.								
<b>Funding</b>								
	<b>Adopted FY 2025</b>	<b>Projected FY 2026</b>	<b>Projected FY 2027</b>	<b>Projected FY 2028</b>	<b>Projected FY 2029</b>	<b>Projected FY 2030</b>	<b>Total</b>

<b>Impact on FY 2025 Operating Budget</b>								
Decrease General Fund maintenance expenses								

Project	ENG-127	Traffic Calming & Pedestrian/Bicycle Safety						
<b>Description</b>								
Includes studies and construction. Significant increases in pedestrian and vehicular traffic in several areas of the city have resulted in potentially dangerous conflicts between the two modes of travel. Locations with high pedestrian counts could possibly benefit significantly by installing traffic calming measures such as raised crossings, bulb-out islands, brighter striping, or refuge islands similar to those installed on Lanier Drive and Lester Road in recent years. Potential improvements include pedestrian safety along Fair Road, Chandler Road, etc, and bicycle related safety improvements.								
<b>Funding</b>							<b>Total</b>

<b>Project</b>	<b>ENG-135</b>	<b>Citywide Trails, Parks and Greenspaces</b>						
<b>Description</b>								
Improvements to Luetta Moore Park and Rev. W.D. Kent Park are underway in FY2021. The City has financed this project - 2019 SPLOST proceeds from the City and County will repay the financing outlay beginning in FY2022 and it is anticipated that the County will pursue a 2025 SPLOST referendum to provide funding for the balance of financing. Funding in FY2027 and FY2028 from the 2023 TSPLOST is for continuation of bicycle/pedestrian trails within Statesboro including continuation of Rev. Julius Abraham Trail to Williams Road at the BOE Central Office, expansion of McTell Trail north of East Main Street, or connectivity of McTell Trail and S&S Greenway.								
<b>Funding</b>

<b>Project</b>	<b>ENG-135a</b>	<b>Bicycle Pedestian Trail Connecting S&amp;S Railroad Trail to Mill Creek Park</b>						
<b>Description</b>								
This project would construct bicycle and pedestrian improvements along Cawana Road and Beasley Road. This could be a 10' bike/ped trail along one side or on street bicycle lanes with a sidewalk along one side or some combination of these. It would include drainage improvements where needed and the additional right of way where needed. This would include the maintenance resurfacing of Cawana and Beasley Roads. This is a distance of approximately 2 miles.								
<b>Funding</b>								
	<b>Adopted FY 2025</b>	<b>Projected FY 2026</b>	<b>Projected FY 2027</b>	<b>Projected FY 2028</b>	<b>Projected FY 2029</b>	<b>Projected FY 2030</b>	<b>Total</b>

Project		Rescue/Extrication Tools Replacement						
<b>Description</b>								
Currently the Department is utilizing Rescue Tools that are nearing the end of primary service time. The cost is to replace the current tools with equipment that will reduce the amount needed for repairs as well as more trending technology. This will enhance the Department's efficiency and effectiveness in extrication situations.								
<b>Funding</b>

Project		WTP-10 New 4 MGD Satellite WWTP with Associated Upgrades to Existing 10 MGD WWTP						Total
<b>Description</b>								
NOTE: Upgrades and new construction typically run approximately \$20.00 per gallon.								
<i>**The existing WWTP is in excess of 50 years of age and has exceeded its design life by many years. It is in need of major upgrades or replacement to avoid failures that could cause permit violations. The new 4 MGD WWTP will alleviate extra flows associated with increase loading from the industrial parks and other expected growth on 301 South.</i>

<b>Project</b>	<b>STM-35</b>	<b>Morris Street Storm Drainage Improvements</b>					
<b>Description</b>							
This area of the community has been the initial phase of storm water system hydrological/hydrology modeling studies. In accordance with that study, it was found that the storm pipe from Green Street to Donnie Simmons Way was significantly undersized. This is causing an open ditch to overflow and flood yards and homes. This project will remove the existing pipe and replace it with a larger diameter pipe to accommodate stormwater and prevent overflowing of the open ditch. This project will also include sidewalk and asphalt replacement, easements and utility relocations needed to upgrade the storm pipe.							
<b>Funding</b>							
	<b>Adopted FY 2025</b>	<b>Projected FY 2026</b>	<b>Projected FY 2027</b>	<b>Projected FY 2028</b>	<b>Projected FY 2029</b>	<b>Projected FY 2030</b>	<b>Total</b>

<b>Project</b>	<b>STM-37</b>	<b>Pitt-Moore Street Drainage Upgrades</b>					
<b>Description</b>							
There are no roadway ditches/swales or storm drainage structures in this area to convey stormwater runoff. Water runs along the roadway and stands at low point and along road. It is proposed to add roadside swales and storm piping to handle runoff to outfall from Faculty Blvd. to Fair road (S.R. 67).							
<b>Funding</b>							
	<b>Adopted FY 2025</b>	<b>Projected FY 2026</b>	<b>Projected FY 2027</b>	<b>Projected FY 2028</b>	<b>Projected FY 2029</b>	<b>Projected FY 2030</b>	<b>Total</b>

<b>Project</b>	<b>STM-39</b>	<b>Statesboro Place Circle Drainage Upgrades</b>						
<b>Description</b>								
Statesboro Place Circle provides access to several commercial and apartment developments. The roadway was installed with no curb inlets to remove stormwater from the road. At the moment, most of the stormwater stays on the roadway posing a risk of hydroplaning and accelerating the deterioration of the roadway asphalt. It is proposed to install a curb inlet at the low point in the road and pipe the stormwater to an appropriate outfall location.								
<b>Funding</b>								
	<b>Adopted FY 2025</b>	<b>Projected FY 2026</b>	<b>Projected FY 2027</b>	<b>Projected FY 2028</b>	<b>Projected FY 2029</b>	<b>Projected FY 2030</b>	<b>Total</b>

<b>Project</b>	<b>STM-43</b>	<b>Henry St. At W. Moore St. Drainage Upgrades</b>						
<b>Description</b>								
There is a run of 18" reinforced concrete pipe parallel to Henry Street, just south of Moore Street that appears to have leaking joints. As a result, sinkholes are appearing along this run of pipe. This project proposes to replace the entire length pipe to create better seals at the joints. This will also provide an opportunity to resize the proposed pipe to eliminate any undersized section. Easements, property acquisition, and utility relocations are also included in this project for the purpose of replacing the pipe.								
<b>Funding</b>

Project	NGD-107		Fair Road Main Replacement					
<b>Description</b>								
This project would replace approximately 4000' of aging 4" steel gas main with new 4" PE pipe. The existing main is in Fair Road which makes it inaccessible for routine maintenance. The new main would be installed on the ROW of Fair Road and all gas main tie-inn's would also be on the ROW. Gas services impacted by this main replacement would also be replaced.

<b>Project</b>		<b>GBD-1 Rehabilitation of Administrative Facilities</b>						
<b>Description</b>								
Renovations to City Hall. The Jaeckel Hotel was renovated and repurposed into Statesboro's City Hall in 1996 and is operating on the original boiler heating system and air controls. The HVAC system needs to be completely replaced and modern, automated control systems installed. This work will require removal of all ceilings, lighting and electrical and will likely result in damage to walls and floors. Funding in FY2026 is for the replacement of these components and the original windows and exterior doors, which will significantly improve the operational efficiency of City Hall. This work will need to be financed to advance the funding from 2025 SPLOST.								
<b>Funding</b>		<b>Adopted FY2025</b>	<b>Projected FY2026</b>	<b>Projected FY 2027</b>	<b>Projected FY 2028</b>	<b>Projected FY 2029</b>	<b>Projected FY 2030</b>	<b>Total</b>

<b>Project</b>	<b>GBD-11</b>	<b>Pave Mobile Device Repair Area</b>						
<b>Description</b>								
Due to the ongoing upkeep of our rolling fleet, IT needs an area to efficiently and safely work on mobile IT issues in city vehicles. Due to the nature of IT equipment, a place that can be covered to keep rain out would also be beneficial. This will also help to alleviate the erosion problems.

Debt Service Schedules

## DEBT SERVICE SCHEDULES

The City of Statesboro continues to be proactive in its fiscal management practices. This section summarizes the debt service obligations of the City at the beginning of FY 2025. These obligations represent the City's annual installment payments of principal and interest for previous capital improvement projects or acquisitions funded through debt financing.

According to the Georgia Constitution, a city's legal debt margin for general obligation debt is ten percent (10%) of the total assessed property values within the city limits. Currently, the City has no outstanding general obligation debt.

In 2020 in the Water and Sewer Fund, the City issued \$11,631,000 in Water and Sewer Revenue Bonds. This debt was issued to refund and redeem all of the outstanding Water and Sewer Refunding Revenue Bonds in 2010 and to prepay three loans with the Georgia Environmental Facilities Authority, to provide funds sufficient to satisfy the Debt Service Reserve Requirement on the Bonds.

In August of 2023 in the Old Register Tax Allocation District Fund, the City issued a three year interest only revenue bond totaling \$847,875. This extension of short term financing is being used for the public infrastructure in the district.

In February of 2021 in the 2019 SPLOST Fund thru the Urban Redevelopment Agency, the City issued \$4,500,000 in Revenue Bonds. The debt was issued to provide for the cost of constructing and renovating two parks in the City limits, capitalize interest during construction and pay for the costs of issuance associated with the 2021 Bond.

## Computation of Legal Debt Margin:

Gross Assessed Valuation (2023-2024)	\$831,736,860
Legal Debt Limit – 10.00% of Grossed Assessed Value	\$83,173,686
General Obligation Bonded Debt	<u>0</u>
Legal Debt Margin as of June 30, 2024	\$748,563,174

TAB 39

## Glossary of Terms

## Glossary of Terms

**Accrual Basis** - A basis of accounting in which transactions are recognized at the time they are incurred, as opposed to when cash is received or spent.

**Activity** - Departmental efforts which contribute to the achievement of a specific set of program objectives; the smallest unit of the program budget.

**Ad Valorem Taxes** - Commonly referred to as property taxes, are levied on both real and personal property according to the property's valuation and the tax rate.

**Allot** - To divide an appropriation into amounts, this may be encumbered or expended during an allotment period.

**Amortization** - A tax deduction for the gradual consumption of the value of an asset.

**Annualize** - Taking changes that occurred mid-year and calculating their cost for a full year, for the purpose of preparing an annual budget.

**Appropriation** - A legal authorization to incur obligations and to make expenditures for specific purposes.

**Assessed Valuation** - The valuation set upon real estate and certain personal property by the Assessor as a basis for levying property taxes.

**Assessment Ratio** - The ratio at which the tax rate is applied to the tax base.

**Asset** - Resources owned or held by a government which has monetary value.

**Attrition** - A method of achieving reduction in personnel by not refilling the positions vacated through resignation, reassignment, transfer, retirement, or means other than layoffs.

**Audit** – Examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management and evaluation the overall financial presentation

**Authorized Positions** - Employee positions, which are authorized in the adopted budget, to be filled during the year.

**Available (Undesignated) Fund Balance** - This refers to the funds remaining from the prior year which are available for appropriation and expenditure in the current year.

**Balanced Budget** – A budget in which planned revenues available equal planned expenditures.

**Base Budget** - Cost of continuing the existing levels of service in the current budget year.

**Bond** - A long-term I.O.U. or promise to pay. It is a promise to repay a specified amount of money (the face amount of the bond) on a particular date (the maturity date). Bonds are primarily used to finance capital projects.

**General Obligation (G.O.) Bond** - This type of bond is backed by the full faith, credit and taxing power of the government.

**Revenue Bond** - This type of bond is backed only by the revenues from a specific enterprise or project, such as a hospital or toll road.

**Bond Refinancing** - The payoff and re-issuance of bonds, to obtain better interest rates and/or bond conditions.

**Budget** - A plan of financial activity for a specified period of time (fiscal year or biennium) indicating all planned revenues and expenses for the budget period.

**Budgetary Basis** - This refers to the basis of accounting used to estimate financing sources and uses in the budget. This generally takes one of three forms: GAAP, cash, or modified accrual.

**Budget Calendar** - The schedule of key dates that a government follows in preparation and adoption of the budget.

**Budgetary Control** - The control or management of a government in accordance with the approved budget for the purpose of keeping expenditures within the limitations of available appropriations and resources.

**Capital Assets** - Assets of significant value and having a useful life of several years. Capital assets are also called fixed assets. The City of Statesboro defines them as assets costing at least \$15,000 and a useful life of two or more years.

**Capital Budget** - The appropriation of bonds or operating revenue for improvements to facilities, and other infrastructure.

**Capital Improvements** - Expenditures related to the acquisition, expansion or rehabilitation of an element of the government's physical plant; sometimes referred to as infrastructure. It also includes vehicle and equipment replacement.

**Capital Improvements Program (CIP)** - A plan for capital outlay to be incurred each year over a fixed number of years to meet capital needs arising from the government's long-term needs.

**Capital Outlay** - Assets which have a value of \$15,000 or more and have a useful economic lifetime of more than one year; or, assets of any value if the nature of the item is such that it must be controlled for custody purposes as fixed asset.

**Capital Project** - Major construction, acquisition, or renovation activities which add value to a government's physical assets or significantly increase their useful life. Also called capital improvements.

**Capital Reserve** - An account used to segregate a portion of the government's equity to be used for future capital program expenditures. The amount of capital reserve is roughly equal to the government's annual equipment depreciation and an amount identified as being needed for future capital acquisition.

**Commodities** - Expendable items that are consumable or have a short life span. Examples include office supplies, gasoline, minor equipment, and asphalt.

**Constant or Real Dollars** - The presentation of dollar amounts adjusted for inflation to reflect the real purchasing power of money as compared to a certain point in time in the past.

**Consumer Price Index (CPI)** - A statistical description of price levels provided by the U.S. Department of Labor. The index issued as a measure of the increase in the cost of living (i.e., economic inflation).

**Contingency** - A budgetary reserve set-aside for emergencies or unforeseen expenditures not otherwise budgeted.

**Contractual Services** - Services rendered to a government by private firms, individuals, or other governmental agencies. Examples include utilities, rent, maintenance agreements, and professional consulting services.

**Cost-of-living Adjustment (COLA)** - An increase in salaries to offset the adverse effect of inflation on compensation.

**Debt Service** - The cost of paying principal and interest on borrowed money according to a predetermined payment schedule.

**Dedicated Tax** - A tax levied to support a specific government program or purpose.

**Deficit** - The excess of an entity's liabilities over its assets or the excess of expenditures or expenses over revenues during a single accounting period.

**Department** - The basic organizational unit of government which is functionally unique in its delivery of services.

**Depreciation** - Expiration in the service life of capital assets attributable to wear and tear, deterioration, action of the physical elements, inadequacy or obsolescence.

**Development-related Fees** - Those fees and charges generated by building, development and growth in a community. Included are building and street permits, development review fees and zoning, platting and subdivision fees.

**Disbursement** - The expenditure of monies from an account.

**Distinguished Budget Presentation Awards Program** - A voluntary awards program administered by the Government Finance Officers Association to encourage governments to prepare effective budget documents.

**Employee (or Fringe) Benefits** - Contribution made by a government to meet commitments or obligations for employee fringe benefits. Included are the government's share of costs for Social Security and the various pensions, medical and life insurance plans.

**Encumbrance** - The commitment of appropriated funds to purchase an item or service. To encumber funds means to set aside or commit funds for a specified future expenditure.

**Entitlements** - Payments to which local governmental units are entitled, pursuant to and allocation formula determined by the agency providing the monies, usually the state or the federal government.

**Expenditure** - The payment of Cash on the transfer of property or services for the purpose of acquiring an asset, service or settling a loss.

**Expense** - Charges incurred (whether paid immediately or unpaid) for operations, maintenance, interest or other charges.

**Fiscal Policy** - A government's policies with respect to revenues, spending, and debt management as these relate to government services, programs and capital investment. Fiscal policy provides an agreed-upon set of principles for the planning and programming of government budgets and their funding.

**Fiscal Year** - A twelve-month period designated as the operating year for accounting and budgeting purposes in an organization. The City's fiscal year is July 1st through June 30th.

**Fixed Assets** - Assets of long-term character that are intended to continue to be held or used, such as land, buildings, machinery, furniture, and other equipment.

**Full Faith and Credit** - A pledge of a government's taxing power to repay debt obligations.

**Full-time Equivalent Position (FTE)** - A part-time position converted to the decimal equivalent of a full-time position based on 2080 hours per year. For example, a part-time typist working for 20 hours per week would be the equivalent to .5 of a full-time position.

**Function** - A group of related activities aimed at accomplishing a major service of regulatory program for which a government is responsible (e.g., public safety).

**Fund** - A fiscal entity with revenues and expenses which are segregated for the purpose of carrying out a specific purpose or activity.

**Governmental Fund** – Funds generally used to account for tax-supported activities. There are five different types of governmental funds.

**Capital Project Fund:** Type of fund used to account for financial resources to be used for the acquisition or construction of major capital facilities.

**Debt Service Fund:** Type of fund used to account for the accumulation of resources for, and the payment of, general long-term debt principal and interest.

**General Fund:** Type of fund typically serves as the chief operating fund of a government. This fund is used to account for all financial resources except those required to be accounted for in another fund.

**Permanent Fund:** Type of fund used to report resources that are legally restricted to the extent that only earnings, and not principal, may be used for purposes that support the reporting government's programs.

**Special Revenue Fund:** Type used to account for the proceeds of specific revenue sources (other than for major capital projects) that are legally restricted to expenditure for specified purposes.

**Proprietary Funds** – Funds that focus on the determination of operating income, changes in net assets (or cost recovery), financial position, and cash flows. There are two different types of proprietary funds.

**Enterprise Fund:** Type of fund used to report an activity for which a fee is charged to external users for goods or services.

**Internal Service Fund:** Type of fund that may be used to report any activity that provides goods or services to other funds, departments, or agencies of the primary government and its component units, or to other governments, on a cost-reimbursement basis.

**Fiduciary Fund:** Funds used to report assets held in a trustee or agency capacity for others and which therefore cannot be used to support the government's own programs. There are four different types of fiduciary funds.

**Agency Funds:** Type used to report resources held by the reporting government in a purely custodial capacity (assets equal liabilities). Agency funds typically involve only the receipt, temporary investment, and remittance of fiduciary resources to individuals, private organizations, or other governments.

**Investment Trust Funds:** Type used to report governmental external investment pools in separately issued reports and the external portion of these same pools when reported by the sponsoring government.

**Pension Trust Funds:** Type used to report resources that are required to be held in trust for the members and beneficiaries of defined benefit pension plans, defined contribution plans, other postemployment benefit plans, or other employee benefit plans.

**Private-Purpose Trust Funds:** Type used to report all trust arrangements, other than those properly reported in pension trust funds or investment trust funds, under which principal and income benefit individuals, private organizations, or other governments.

**Fund Balance** - The excess of the assets of a fund over its liabilities, reserves, and carryover.

**GAAP** - Generally Accepted Accounting Principles. Uniform minimum standards for financial accounting and recording, encompassing the conventions, rules, and procedures that define accepted accounting principles.

**Goal** - A statement of broad direction, purpose or intent based on the needs of the community. A goal is general and timeless.

**Grants** - A contribution by a government or other organization to support a particular function. Grants may be classified as either operational or capital, depending upon the grantee.

**Indirect Cost** - A cost necessary for the functioning of the organization as a whole, but which cannot be directly assigned to one service.

**Infrastructure** - The physical assets of a government (e.g., streets, water, sewer, public buildings and parks).

**Interfund Transfers** - The movement of monies between funds of the same governmental entity.

**Intergovernmental Revenue** - Funds received from federal, state and other local government sources in the form of grants, shared revenues, and payments in lieu of taxes.

**Internal Service Charges** - The charges to user departments for internal services provided by another government agency such as data processing, or insurance funded from a central pool.

**Lapsing Appropriation** - An appropriation made for a certain period of time, generally for the budget year. At the end of the specified period, any unexpected or unencumbered balance lapses or ends, unless otherwise provided by law.

**Levy** - To impose taxes for the support of government activities.

**Line-item Budget** - A budget prepared along departmental lines that focuses on what is to be bought.

**Long-term Debt** - Debt with a maturity of more than one year after the date of issuance.

**Materials and Supplies** - Expendable materials and operating supplies necessary to conduct departmental operations.

**Major Fund** – A governmental fund or enterprise fund reported as a separate column in the basic fund financial statements. They are funds whose revenues, expenditures/expenses, aggregate assets and deferred outflows of resources, or aggregate liabilities and deferred inflows of resources (excluding extraordinary items) are at least 10 percent of corresponding total for all governmental or enterprise funds and at least 5 percent of the aggregate amount for all governmental and enterprise funds for the same item.

**Mill** - The property tax rate which is based on the valuation of property. A tax rate of one mill produces one dollar of taxes on each \$1,000 of assessed property valuation.

**Modified Accrual** – Basis of accounting according to which (a) revenues are recognized in the accounting period in which they become available and measurable and (b) expenditures are recognized in the accounting period in which the fund liability is incurred, if measurable except for unmatured interest on general long-term debt and certain similar accrued obligations, which should be recognized when due.

**Net Budget** - The legally adopted budget less all inter-fund transfers and inter departmental charges.

**Nominal Dollars** - The presentation of dollar amounts not adjusted for inflation. Adjusting for inflation would be done to reflect the real purchasing power of money today.

**Non-major Fund** – They are funds whose revenues, expenditures/expenses, aggregate assets and deferred outflows of resources, or aggregate liabilities and deferred inflows of resources (excluding extraordinary items) are less than 10 percent of corresponding total for all governmental or enterprise funds and less than 5 percent of the aggregate amount for all governmental and enterprise funds for the same item.

**Object of Expenditure** - An expenditure classification, referring to the lowest and most detailed level of classification, such as electricity, office supplies, asphalt, and furniture.

**Objective** - Something to be accomplished in specific well-defined and measurable terms and that is achievable within a specific time frame.

**Obligations** - Amounts which a government may be legally required to meet out of its resources. They include not only actual liabilities, but also encumbrances not yet paid.

**Operating Revenue** - Funds that the government receives as income to pay for ongoing operations. It includes items such as taxes, fees from specific services, interest earnings, and grant revenues. Operating revenues are used to pay for day-to-day services.

**Operating Expenses** - The cost of personnel, materials and equipment required for a department to function.

**Output Indicator** - A unit of work accomplished, without reference to the resources required to do the work (e.g., number of permits issued, number of refuse collections made, or number of burglary arrests made). Output indicators do not reflect the effectiveness or efficiency of the work performed.

**Pay-as-you-go-Basis** - A term used to describe a financial policy by which capital outlays are financed from current revenues rather than through borrowing.

**Performance Budget** - A budget wherein expenditures are based primarily upon measurable performance of activities and work programs.

**Performance Indicators** - Specific quantitative and qualitative measures of work performed as an objective of specific departments or programs.

**Performance Measure** - Data collected to determine how effective or efficient a program is in achieving objectives.

**Personal Services** - Expenditures for salaries, wages, and fringe benefits of a government's employees.

**Prior-Year Encumbrances** - Obligations from previous fiscal years in the form of purchase orders, contracts, or salary commitments which are chargeable to an appropriation, and for which a part of the appropriation is reserved. The cease to be encumbrances when the obligations are paid or otherwise terminated.

**Program** - A group of related activities performed by one or more organizational unit for the purpose of accomplishing a function for which the government is responsible.

**Program Budget** - A budget which allocates money to the functions or activities of a government rather than to specific items of cost or to specific departments.

**Program Performance Budget** - A method of budgeting whereby the services provided to the residents are broken down in identifiable service programs or performance units. A unit can be a department, a division, or a workgroup. Each program has an identifiable service or output and objectives to effectively provide the service. The effectiveness and efficiency of providing the service by the program is measured by performance indicators.

**Program Revenue (Income)** - Revenues earned by a program including fees for services, license and permit fees, and fines.

**Purpose** - A broad statement of the goals, in terms of meeting public service needs that a department is organized to meet.

**Reserve** - An account used either to set aside budgeted revenues that are not required for expenditure in the current budget year or to earmark revenues for a specific future purpose.

**Resolution** - A special or temporary order of a legislative body; an order of a legislative body requiring less legal formality than an ordinance or statute.

**Resources** - Total amounts available for appropriation including estimated revenues, fund transfers, and beginning balances.

**Retained Earnings** - The accumulated earnings of an Enterprise or Internal Service Fund which have been retained or held in the fund and which are not reserved for any specific purpose.

**Revenue** - Sources of income financing the operations of government.

**Service Level** - Services or products which comprise actual or expected out-put of a given program. Focus is on results, not measures of workload.

**Source of Revenue** - Revenues are classified according to their source or point of origin.

**Structurally Balanced Budget** – one that supports financial sustainability for multiple years into the future.

**Supplemental Appropriation** - An additional appropriation made by the governing body after the budget year or biennium has started.

**Supplemental Requests** - Programs and services, which departments would like to have added (in priority order) over their target budget, or if revenue received is greater than anticipated.

**Target Budget** - Desirable expenditure levels provided to departments in developing the coming year's recommended budget. Based on the prior year's adopted budget, excluding one-time expenditures, projected revenues and reserve requirements.

**Tax Levy** - The resultant product when the tax rate per one hundred dollars is multiplied by the tax base.

**Taxes** - Compulsory charges levied by a government for the purpose of financing services performed for the common benefit of the people. This term does not include specific charges made against particular persons or property for current or permanent benefit, such as special assessments.

**Transfers In/Out** - Amounts transferred from one fund to another to assist in financing the services for the recipient fund.

**Unencumbered Balance** - The amount of an appropriation that is neither expended nor encumbered. It is essentially the amount of money still available for future purposes.

**Unreserved Fund Balance** - The portion of a fund's balance that is not restricted for a specific purpose and is available for general appropriation.

**User Charges** - The payment of a fee for direct receipt of a public service by the party who benefits from the service.

**Variable Cost** - A cost that increases/decreases with increases/decreases in the amount of service provided such as the payment of wages.

**Working Capital** - Excess of current assets over current liabilities.

**Workload Indicator** - A unit of work to be done (e.g., number of permit applications received, the number of households receiving refuse collection service, or the number of burglaries to be investigated).

**Work Years** - The amount of personnel resources required for a program expressed in terms of the "full-time equivalent" number of employees. One "work year" is equal to one full-time, year round employee. For most categories, this equals 2080 hours per year (40 hours per week times 52 weeks). The number of hours a part-time employee is budgeted to work during the year is divided by 2080 to arrive at the equivalent number of "work years" for the position.
